CelloMind Hans Jørgen Jensen, Minna Rose Chung, 2017-11-03 *CelloMind* is a two part pedagogical method book that focuses on intonation and left hand cello technique The coauthors of the book are Hans Jørgen Jensen Professor of cello at the Bienen School of Music at Northwestern University and Minna Rose Chung Associate Professor of Cello at the Desautels Faculty of Music at the University of Manitoba

Part I Intonation The mystery of intonation is revealed by defining and explaining the scientific principles that govern it To know and understand how to combine the three primary intonation systems has never before been expounded in a methodology publication and for good reason Playing with exquisite intonation has mostly been reserved for those who possess a strong intuitive sense however *CelloMind* breaks down this taboo using a systematic approach with a highly attuned manner The three systems of intonation that string players most commonly use today equal temperament just intonation and Pythagorean tuning are each explored and explained in great detail All chapters in the book include many practical samples and listening exercises that bridge the gap between the theory and its application The chapters on intonation conclude with practical examples from the following repertoire Intonation Performance Practice in the Bach Solo Cello Suites and Intonation Performance Practice with Piano

Part II Left Hand Technique The left hand technique chapters in this section complement the study of intonation by providing a solid foundation of skills for essential cello playing The topics and exercises have been selected to cover a wide range of technical skills that include playing with a light left hand touch speed coordination balanced vibrato agility finger independence and efficient shifting Original exercises developed for students over many years have also been incorporated into these chapters as well as studies from Julius Klengel Bernhard Cossmann Louis R Feuillard Jean Louis Duport Yakov Rosenthal and Fritz Albert Christian Rudinger
