The A to Z of Islam Ludwig W. Adamec, 2009-09-02 There is both unity and variety in the Islamic world Muslims are not a homogeneous people who can be explained solely by their normative texts the Koran and the Sunnah Muslims differ vastly in their interpretation of Islam modernists want to reinterpret Islam to adapt to the requirements of modern times while traditionalists tend to look to the classical and medieval periods of Islam as their model of the Islamic state The A to Z of Islam presents a concise overview of Islamic history religion philosophy and Islamic political movements This is done through a chronology an introductory essay a bibliography and cross referenced dictionary entries which include the biographies and thoughts of medieval thinkers as well as those of modern members of the religious and political establishments Articles describe the major sects schools of theology and jurisprudence as well as aspects of Islamic culture Together this book represents a brief introduction to the field of Islamic studies

No god but God: The Origins and Evolution of Islam Reza Aslan, 2012-08-14 Engaging accessible and thought provoking No god but God is a persuasive elegantly written and accessible introduction for young readers to a faith that for much of the West remains shrouded in ignorance and fear Adapted for young readers from No god but God The Origins Evolution and Future of Islam this exploration of Islam by Reza Aslan internationally acclaimed scholar of comparative religion delves into the rituals and traditions of a religion that is largely misunderstood by the West It covers the religion s origins the revelation of Muhammad as Prophet and the subsequent uprising against him and the emergence of his successors as well as Islam s complex history No god but God is sure to stimulate discussion and encourage understanding of the Islamic faith and the

people who follow it Praise for No god But God The Origins Evolution and Future of Islam of Islam This welcome addition to Islamic studies provides a valuable context for reflection about the origins of issues facing Muslims and their neighbors today Publishers Weekly An introduction to Islam as evocative as it is provocative Kirkus Reviews Wise and passionate book New York Times Financial Times Best Book of the Year Islam and Democracy in the 21st Century Tauseef Ahmad Parray,2023-09-15 This book starts with the prevailing idea of a conflicting relationship between Islam and the Western concept of democracy both in theory and in practice With this backdrop the author addresses the crucial question Is Islam compatible with democracy The book offers very useful discussions in framing the contemporary debates surrounding Islam and democracy treads through diverse theoretical Islamic texts like the Quran and Sunnah discusses the historical evolution of the concept of Shura the primary source of democratic ethics in Islam provides an assessment of the views and visions of some selected Muslim scholars from 19th to 21st centuries on Islam democracy compatibility and examines the elements of compatibility between Islam and democracy without ignoring the basic differences that exist between the Western approach to democracy and Islamic political thought
