In the Shadow of His Wings Jonathan Macy, 2011-01-01 Historically angels have been viewed as either disconnected objects of speculative investigation or as mystifying beings mysteriously influencing our lives However this is not how the Bible describes them Scripture in sober and straightforward terms simply describes what angels do It is a practical depiction a pastoral presentation We see messages of encouragement revelation and guidance we see judgment and correction we see strengthening we see journeying we see prayer and worship The biblical focus concerning angels is on ministry to the people of God Angels are one way that God intervenes in human affairs in response to pastoral concerns or problems Using only Scripture and a classic model of pastoral theology as the framework this book shows practically how angels are employed by God to bless His church and people as His servant ministers who glorify Him alone
