How America Gets Away with Murder Michael Mandel,2004-07-20 In Kosovo America claimed its war was a humanitarian intervention in Afghanistan self defense and in Iraq it claimed the authority of the Security Council of the United Nations Yet each of these wars was illegal according to established rules of international law According to these rules illegal wars fall within the category of supreme international

crimes So how come the war crimes tribunals never manage to turn their sights on America and always wind up putting America's enemies the usual suspects on trial This new book by renowned scholar Michael Mandel offers a critical account of America's illegal wars and a war crimes system that has granted America's leaders an unjust and dangerous impunity effectively encouraging their illegal wars and the war crimes that always flow from them *Pension Reform in Latin*

America and Its Lessons for International Policymakers Tapen Sinha, 2012-12-06 The experience of privatization of social security has been predominantly in the Latin American region Eight countries have undertaken either full or partial privatization of pensions Argentina Bolivia Chile Colombia El Salvador Mexico Peru and Uruguay What did the policymakers expect Were expectations realized Can we learn anything from the collective experience of these countries Can they be applied to other countries that are aspiring to privatize How did the World Bank and other international institutions affect these policies *Pension Reform in Latin America and Its Lessons for International Policymakers* analyzes in detail these important questions The book begins with a detailed account of economic conditions in Latin America It then discusses various models that policymakers rely on Starting with a purely demographic model it lays out advanced models of overlapping generations of Samuelson The book gives extensive details of privatized pensions in each of the eight reforming countries Two chapters are devoted to analyzing the reform in each country Finally detailed lessons are drawn that will help shape the debate for policymakers in other countries **Multinational Corporations and the Emerging Network**

Economy in Asia and the Pacific Juan J. Palacios, 2008-03-25 *Multinational Corporations and the Emerging Network Economy in Asia and the Pacific* delves into the ongoing rise of a global economy anchored in a web of inter firm production networks and the role played by multinational corporations in the process It considers the strategies and business models corporations have adopted lately to face today's highly competitive global markets especially outsourcing and offshoring focusing on the modalities observed in Asia Pacific and the Pacific Rim at large Since their inception corporations have undergone a series of fundamental changes each has corresponded to a given era of industrial development and has given rise to a particular type of government policy response The book addresses these timely issues and other such as the transformation of global production networks into global innovation networks the link between corporate and national innovation strategies and movement up the global production value chain and the fragmentation of production and the resulting increase in component and sub assembly trade in the region It also takes up the emergence of multinational corporations from developing countries and the efforts aimed at forging basic rules of corporate social responsibility and developing sound institutions for building a working framework of corporate governance in the Pacific Written by some of the region's most eminent and influential economists and political scientists this volume will appeal to students and scholars working in the field of Asia Pacific studies as well as to businesspersons and policymakers taking decisions in the region
