New Light On The Earliest Gospel Seven Markan Studies:

New Light on the Earliest Gospel T. Alec. Burkill, 2019-06-30 Serving as a sequel to Professor Burkill's *Mysterious Revelation* Cornell University Press 1963 these closely related essays not only develop and clarify points made in the previous work but also break new ground The author supplements his earlier observations on Mark and in an exegetical chapter he discusses Mark's philosophical views and the antinomies within the gospel An analysis and critique of the work of Etienne Trocm a distinguished New Testament scholar is offered in the final chapter *The Character and Purpose of Luke's Christology* Douglas Buckwalter, 1996-08-28 Luke's christology is carefully designed Luke portrays the exalted Jesus as God's co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers in Acts resemble the way Jesus behaved in the Gospel means that they too are now imaging some of his servant like character in their witness of him **History and Literature of Early Christianity** Helmut Koester, 2019-09-23 No detailed description available for History and Literature of Early Christianity Oral Tradition and the Gospels Barry Henaut, 1993-01-05 The problem of oral tradition is well known for without some theory of this medium no history of Jesus would be possible This study examines Mark 4 1 34 in the light of three distinctive models of orality Rudolf Bultmann's form critical method B Gerhardsson's Memory and Manuscript theory and the recent contribution of W Kelber The form critically separate units in the text allegory parables and aphorisms are examined on the basis of their attestation in various documents Mark Q Thomas to determine whether independent versions of these sayings can be identified and what they tell us about the oral phase and Jesus This analysis suggests that the criteria for authenticity of distinctiveness and multiple attestation need to be re examined in light of the folkloric understanding of orality *The Composition of Mark's Gospel* David E. Orton, 2023-08-14 Though some scholars continue to vote to the contrary it is generally held that Mark was the inventor of the Gospel genre and his work thus the earliest of the New Testament Gospels and a model for the other evangelists The articles in this collection drawn from four decades of publication of the best international scholarship in *Novum Testamentum* document the discussion on the literary methods style and theological purpose of the innovative early Christian writer From the earliest attempts at redaction criticism in which Mark's work is viewed primarily in his treatment of his sources the collection traces the discussion as far as recent attempts to read Mark as a creative composer story teller theologian and playwright The Relationship Between John the Baptist and Jesus of Nazareth Daniel S. Dapaah, 2005-02-17 What was Jesus relationship with John the Baptist Did Jesus baptize people like John Where did Christian baptism come from

In this book Dr Dapaah looks at these and other important questions coming up with some intriguing answers His well written work offers thought provoking insights into the questions of the historical Jesus and I very warmly commend it David Wenham Dean and Lecturer Wycliffe Hall Oxford University *Mark's Treatment of the Jewish Leaders* Michael J. Cook, 2014-04-03 Preliminary Material Chapter One Introductory Overview Chapter Two Fundamental Methodological Considerations Chapter Three Two Pre Markan Controversy Collections Chapter Four The Influence of A Pre Markan Passion Tradition on Marks Treatment of Jewish Leadership Groups Chapter Five Implications for the Historian Works Consulted Index Of Authors *The Historical Jesus of the Gospels* Craig S. Keener, 2009-11-03 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history **Writing on the Gospel of Mark** W.R. Telford, 2019-05-21 This thorough manual for advanced students and their supervisors and anyone researching or writing on the Gospel of Mark is the opening volume in an important new series of Guides to Advanced Biblical Research Together with an essay on the current state of research and a discussion of the future of Markan study it provides a chrestomathy of samples of Markan research together with a review of recent dissertations and a full annotated bibliography **A Bibliography for the Gospel of Mark, 1954-1980** Hugh Humphrey, 1981 This bibliography for the Gospel of Mark provides an index to the journal articles essay in collected works and books published since 1954 and through 1980 a few titles for the early part of 1981 are incidentally included Works by scholars for scholars and in scholarly journals the results of more than a quarter century of study of the Markan gospel comprise the biggest part of the Bibliography but included also are materials written to interpret that scholarship for a wider audience
