

Subjective vs. Objective

How Do You See It?

Subjective

- Based on personal opinions, feelings, or beliefs
- Example: "I think this movie is the best one ever made."
- Can vary from person to person
- Often involves interpretation or judgment
- Example: "I feel like this restaurant has the best pizza in town."

Objective

- Based on facts, evidence, or observations
- Example: "This movie won 10 awards and received critical acclaim."
- Consistent regardless of personal opinions or feelings
- Often involves measurement or analysis
- Example: "This restaurant has won multiple awards for its pizza."

Objectivity Method Point Of View:

Objectivity, Method and Point of View Dussen,Rubinoff,2022-07-04 The essays collected together in this volume originated with a symposium which addressed a variety of issues associated with the publications of Professor W H Dray in the philosophy of history In this expanded version of the original symposium to which Professor Dray has provided a critical response a group of prominent philosophers and historians address the central questions posed by contemporary philosophy of history such as the logic and methodology of historical explanation the selection and uses of evidence the fact value relationship the nature of historical causation the question of conflicting interpretations and their possible resolution the idea of history as a school of practical wisdom and the question whether history has any discernable pattern or meaning These issues are approached from the experience of both historians and philosophers and represent an important increment to the long standing and continuing debates concerning the nature and aims of the practice and philosophy of history

Objectivity, Empiricism and Truth R. W. Newell,2015-06-05 Originally published in 1986 Wittgenstein William James Thomas Kuhn and John Wisdom share an attitude towards problems in the theory of knowledge which is fundamentally in conflict with the empiricist tradition They encourage the idea that in understanding the central concepts of epistemology objectivity certainty and reasoning people and their practices matter most This clash between orthodox empiricism and a freshly inspired pragmatism forms the background to the strands of argument in this book With these philosophers as a guide it points to new directions by showing how the theory of knowledge can be shaped around our actions without sacrificing reason s control over our beliefs
