A two nights' discussion, in the Temperance Hall, Birmingham, ... April 10th and 11th, 1866, between R. Roberts, ... and R. C. Nightingale, etc Robert ROBERTS (Christadelphian.), 1866 **Immortality of the Soul and Resurrection of the Dead** Oscar Cullmann, 1955 **The Immortality of the Soul and the Final Condition of the Wicked Carefully Considered** Robert Wharton Landis, 2023-07-18 In this philosophical work Robert W Landis explores the concept of the soul and the afterlife The book discusses religious and philosophical arguments for the existence of the soul and the possibility of immortality Landis also examines the idea of the final condition of the wicked This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Immortality of the Soul** Hiram Mattison, 2022-02-17 Reprint of the original first published in 1867 *Immortality in Ancient Philosophy* A. G. Long, 2021-06-03 Immortality was central to ancient philosophical reflections on the soul happiness value and divinity Conceptions of immortality flowed into philosophical ethics and theology and modern reconstructions of ancient thought in these areas sometimes turn on the interpretation of immortality This volume brings together original research on immortality from early Greek philosophy such as the Pythagoreans and Empedocles to Augustine The contributors consider not only arguments concerning the soul s immortality but also the diverse and often subtle accounts of what immortality is both in Plato and in less familiar philosophers such as the early Stoics and Philo of Alexandria The book

will be of interest to all those interested in immortality and divinity in ancient philosophy particularly scholars and advanced students *The Original, Nature, and Immortality of the Soul. A Poem* Sir John Davies,1759 Life in Christ William Robert West,2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it The Immortality of the Soul Sir Oliver Lodge,2015-06-02 Excerpt from The Immortality of the Soul Sir Oliver Lodge the author of the essay here published is deservedly honored as a leader in the scientific world As a physicist he is recognized as an authority by the materialistic school while his services as an active member of the English Society for Psychical Research entitle him to equal honor as a psychologist Any opinion therefore which he may proffer on The Immortality of the Soul must be of interest to all About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The soul: is it, in its own nature, immortal?
