Quiet Courage Per Anger Wallenbergs Co Liberator Of Hungarian Jews:

A Quiet Courage Elizabeth Skoglund, 1997 The Russians are advancing on Budapest The Nazis in a last desperate attempt to destroy Hungarian Jewry have sent Adolf Eichmann to round up as many Jews as possible for the gas chambers of Auschwitz It is a time of chaos and terror Two Swedish diplomats with their colleagues in the Swedish legation decide that they must act to save as many as possible One of them Raoul Wallenberg was to vanish after the war into Soviet Russia His story has often been told The other Per Anger was to be his partner in the great rescue effort This is Per s story and it once again proves the great truth that one man can make a difference Per Anger s determination and heroism were to be repeated twelve years later in 1956 when he came to the aid of Hungarians fleeing another oppressor Soviet communism **Legacy of Islamic Antisemitism** Andrew G. Bostom, M.D., 2011-11-29 Exceedingly well organized and extensively documented CHOICE The publication of the present anthology of primary sources and secondary studies on the theme of Muslim antisemitism is a groundbreaking event of major scholarly cultural and political significance Editor Andrew Bostom has mined the relevant literature to produce the fullest record on this subject in existence After the publication of his work all the oft repeated but erroneous misunderstandings of a tolerant Islam and of a medieval Jewish Muslim golden age will need to be permanently retired Everyone interested in Jewish and Islamic history as well as current events in the Middle East should read this book and soon Steven T Katz Director Elie Wiesel Center for Judaic Studies Boston University and author of *Post Holocaust Dialogues* and *The Holocaust in Historical Context* The antisemitism of the Muslim Middle East that we hear see and experience daily from the racist cartoons to the constant chorus of pigs and apes is often attributed to European origins as if the radical Muslim world learned this endemic hatred through the tragedy of imperialism and colonialism In fact a deep suspicion and frequent loathing of Jews is deeply rooted in the Middle East antedating European rule and sometimes evidenced in passages in the Koran and early holy Islamic texts Andrew Bostom produces a vast literature of Middle Eastern Islamic antisemitism and critics may be as surprised at his conclusions as they are unable to refute his carefully compiled corpus of evidence Victor Davis Hanson Senior Fellow The Hoover Institution Stanford University author of *Carnage and Culture* and *A War Like No Other* This comprehensive meticulously documented collection of scholarly articles presents indisputable evidence that a readily discernible uniquely Islamic antisemitism a specific Muslim hatred of Jews has been expressed continuously since the advent of Islam Debunking the conventional wisdom which continues to assert that Muslim animosity toward Jews is entirely a 20th century phenomenon fueled mainly by the protracted Arab Israeli conflict leading scholars provide example after example of antisemitic motifs in Muslim documents reaching back to the beginnings of Islam The contributors show that the Koran itself is a significant source of hostility toward Jews as well as other foundational Muslim texts including the hadith the words and deeds of Muhammad as recorded by pious Muslim transmitters and the sira the earliest Muslim biographies of Muhammad Many other examples are adduced in the writings of influential Muslim jurists

theologians and scholars from the Middle Ages through the contemporary era These primary sources and seminal secondary analyses translated here for the first time into English such as Hartwig Hirschfeld's mid 1880s essays on Muhammad's subjugation of the Jews of Medina and George Vajda's elegant comprehensive 1937 study of the hadith detail the sacralized rationale for Islam's anti Jewish bigotry Numerous complementary historical accounts illustrate the resulting plight of Jewish communities in the Muslim world across space and time culminating in the genocidal threat posed to the Jews of Israel today Scholars educators and interested lay readers will find this collection an invaluable resource for understanding the phenomenon of Muslim antisemitism past and present
