

A background image of a sunset over a mountain range. The sky is a warm orange and yellow, with the sun low on the right horizon. The mountains in the foreground are dark and silhouetted against the bright sky. A dark grey rectangular box with a thin white border is centered in the upper half of the image, containing the quote in white text.

Provide tremendous value to as many people as possible, and you will attract blessings into your life.

## Quotes Are Tremendous:

*Quotes Are Tremendous* Charles E. Jones, 1995-01 Whether you are a general inspiring your troops a teacher educating a student a father or mother lecturing your child a salesperson making a point a preacher moving your congregation or a speaker motivating an audience there is nothing that can empower you more than a Tremendous quote If you want to get their attention quickly and be remembered begin with a Tremendous quote end with a Tremendous quote and season your remarks with Tremendous quotes I began reading quotes thirty five years ago and now my name is mentioned around the world because of my repeating a quote I read in a book written over one hundred years ago and heard repeated by Mac McMillen forty years ago You are the same today as you will be in five years except for two things the people you meet and the books you read A Tremendous quote never gets stale and it becomes more a part of you every time you quote it Read and reread a few biographies This will give you a greater appreciation for the quote because you know the life it came from Two of my favorites are Abraham Lincoln and Oswald Chambers Everything I say is flavored by their wisdom Begin now to memorize a few Tremendous quotes Repeat them to yourself aloud at every opportunity Repeat them with feeling and enthusiasm This will make a Tremendous difference in you and your listeners will reward you with attentive minds hungry hearts and warm smiles From the Introduction

**LIFE - Let It Flow Effortlessly** Norma Strange, 2018-06-12 LIFE gives people the freedom to shed their situation their fears their normal and embrace the greatness in their depths in order to do things they never thought possible Where do you find yourself right now LIFE is all about facing that person in the mirror YOU Not your situation not your normal but embracing everything that looks back from the mirror and running with it instead of from it The content of LIFE is structured to serve as a mentor for readers addressing how to embrace their own uniqueness and selling readers on how valuable they really are It helps them put energy where their heart is so they can let their own brilliance overflow that's been hidden underneath the accepted normal LIFE is a guide for readers to know themselves hear their hearts and feel fulfillment and overflow That's what letting life flow effortlessly really means live the life you want to live

Quotes from my Treasury an 101 Quotes which inspired me Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21

Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God

**ESOTERIC WRITINGS: Teachings for the Aquarian Age** Cyrus Ryan, 2025-09-30

Esoteric Writings Group Work for the Aquarian Age is an amalgamation of fifty years of Group Work experience Cyrus's teacher RN was an Initiate who achieved an advanced grade of mantra shakti which stems from the grace of Master R who gave him an esoteric mantra in 1978 Cyrus Ryan's teacher passed on this knowledge to him some of

which is found in this book of Esoteric Writings When one experiences the battles on the inner planes having the weapons and formulas then it becomes clear that the ancient mythologies and heroes are true Today aspirants to the esoteric mysteries occult are enamored by the glamour surrounding magic rituals invoking deities and using mantra without understanding the millennia old principles and traditions They aren't prepared to undertake the disciplines self examination and hard struggle necessary for spiritual growth learning that there is an actual methodology or occult science that will expand one's consciousness awakening the inner Spiritual Man hidden within the folds of the personality Reading Esoteric Writings you'll find from firsthand experience the knowledge that will guide you to correct understanding of what truly is required to enter the deeper esoteric path It will plunge into the profound mysteries of esotericism more deeply and commence the required disciplines that awaken Soul knowledge making it an active force that will transform one's very being Cyrus Ryan and a small group of esoteric disciples after numerous years and lives together under the direction of the Masters of the Trans Himalayan Arhat School who inspired them giving them several esoteric mantras combined with guidance in ancient esoteric tantras and rituals have now created a format for the Group Work in this the beginning of the Aquarian Age The esoteric work of this small group represents the first efforts in the externalization of one of the inner Ashrams of the Masters Cyrus Ryan as the director of the Northern School of Esoteric Wisdom has written for many New Age periodicals newsletters and quarterly publications giving talks in Canada USA and England including Podcasts and YouTube channels Esoteric Writings Group Work for the Aquarian Age is his second book a follow up to Living on the Inner Edge a Practical Occult Tale

**ERP and Supply Chain Management** Christian Ndubisi Madu, Chu-hua Kuei, 2005-06-10 Businesses today are faced with avalanche of information There is need to effectively manage information to serve customers better In today's highly competitive environment businesses need to be able to organize and coordinate their information so that a single view of information is maintained by all the service channels Information management can help to understand customers wants and needs and integrate such in product design It helps to manage inventory and reduces both cost and the cycle time to introduce new products to the marketplace Time to market is a critical issue in achieving competitiveness and without the availability of timely and accurate information it will not be possible to respond proactively to the changing market environment This book is about ERP and Supply Chain Management ERP is the short form for Enterprise Resource Planning The aim of ERP is to integrate the functions of the different business units and departments such as finance

operations accounting and human resources This integration is necessary to organize and coordinate information that may be scattered in different departments and making them available in an organized format to the different decision centers where they may be needed Through this integrative approach the different functional units of the business are able to share a common database exchange information and have consistent view of their operations This consistent view is also presented to the customer thus improving the quality of customer service With the integration of the information system the different functional departments work together to achieve common organizational goals and objectives Without such integration common customer services such as order processing would be difficult to track and inconsistent information may be relayed by the different departments to the customer Supply chain management is an integral aspect of ERP Businesses today focus on their core competence It is no longer technically and economically feasible to focus on all activities Rather certain activities may be shifted to partners or vendors that have core competence in such areas Mercedes Benz may find it better to subcontract its radios to Bose while focusing on its car designing Yet these two companies may need to share key information on customers wants and needs as well as information on product designs Integrating a supplier into the common database helps in providing quality products and services that will satisfy the needs of the customer Information technology plays a critical role in effective development of ERP system As many businesses develop online marketplace it becomes even more important to develop a single view of transactions to all value chain partners including customers manufacturer suppliers and other vendors This book therefore adopts a focus on ERP and Supply Chain Management to develop better plans to better serve the customer It adopts a management and a systemic perspective of these issues and does not deal with the software aspects of ERP The focus is on the fundamentals rather than on the advanced issues The book is intended to help managers executives and students to understand the basic concepts of ERP and Supply Chain Management
