to save lives during an earlier period he has brought confusion and upset people in power Unknown to him a hidden and mysterious menace lies in wait to destroy his life His family life is taken away when his wife Pamela begins a campaign to remove him from their marital home Why is she doing it and what can he do to stop her When the unaccountable accusations of domestic violence start Qwerty is barred from his home With no options available to him he finds he has no choice but to live rough He is forbidden to go near Pamela his home or their young daughter With no help from his church or Dorothy his Guardian Angel he must fight for himself In order to live he steals and is arrested Everything Qwerty believed in even his belief in God is cast in doubt Does he want to adapt to his new lifestyle Will he spiral into a life of crime or go back to his drug habit It s only when he meets a duty solicitor Clara that a small ray of sunshine seeps into his life Can he really believe she has the skill to fight to clear his name Will Clara care enough to correct a miscarriage of justice But a more deadly threat lurks in the shadows revealing that his misfortune has not occurred through the accident of chance Someone is out there ready to discredit Qwerty and eventually kill him but who really has it in for him A strange force is manipulating those whom he has loved and an evil manifested in a monstrous form is intent on his destruction They even want to destroy his soul
