Race Lives Greatest Lesson:

The Race Dee Groberg, Mac Anderson, 2004-06-01 An illustrated poem this is the heart wrenching story of a boy in a footrace hoping to win but falling again and again Each time he wants to give up knowing pace by pace that he has lost any chance of winning and that his dad watching from a distance will be disappointed But each time he gets back up and runs as hard as he can For in his heart he can hear the voice of his dad You haven't lost at all for winning is no more than this to rise each time you fall As the boy finishes the race the crowd cheers as loudly for him as for the winner and his father's proud look is his true reward *Life's Greatest Lessons* Hal Urban, 2005 This book presents twenty principles that are deeply rooted in common sense and compassion The topics range from attitudes about money and understanding the real meaning of success to the importance of having fun **The 40 Greatest Lessons of Life** Scott E. Kauffman, 2021-11-29 In this book The Forty Greatest Lessons of Life author Scott Kaufmann writes to help readers open their eyes to new things their minds to new ways and their hearts to new feelings The combination of these three things will change lives forever and therefore the lives of all we come in contact with in the future It may only be forty lessons but these forty lessons will change the way we look at things forever and forever as he has said before is a very very very long time **Winners in Life's Race. Finishing the Race Human History, Life, and Race before Us Plammoottil V. Cherian, 2023-08-29 FINISHING THE RACE Stimulating theological and packed with fascinating historical details of Human Race from a Biblical perspective author s lively tour of the entire Bible traces the origin of human race from one man whose progeny spread to the entire earth filled the earth established their nations with set boundaries Author establishes the historical account of creation challenging the concept of Darwinian Evolution which claims man is an evolutionary product Author stresses that there is only One God who created the universe the cosmos the planets stars life and the multitude of living species of organisms with the command endowed in their DNA when God said to herbs plants and animals to multiply according to its kind according to their kind which is the basis for biological variation and speciation Whereas God s command to human beings was Be fruitful and multiply fill the earth and subdue it meaning there is only one single race of humanity Author has a profound Christian vision of humanity s temporal and eternal destiny and thus he relates in Finishing the Race In an age when truth is relative and vanishing conscience the nations are the crossroads confused about the true direction as nations are estranged from God The present culture is as in the Days of Noah quoting Jesus and citing world events and conditions as signs of the end An end time scenario of world and the second coming of Christ when a northern and a southern army will clash in fierce battle over Jerusalem the Holy City of God the capital of the Messianic Kingdom Not claiming any superiority like many of the past and famous scientists like Galilei Galileo Blaise Pascal Isaac Newton Louis Pasteur Robert Boyle etc Cherian attempt to convince his readers God is in control of

human and world affairs and natural events Heaven and hell are not mysterious realms of imagination but true physical entities invisible to human eyes and calls the nations to submit to God who only is the answer to national and global unrest that we see now **The Human Race is God Too! Also [YourName]**. KC Pattison,2020-06-01 Humanity needs to go deeper to find God and see SELF all of which is exactly the same a small part on the inside in all of us When God s education comes together with all of self everybody we will unite and cure disease divorce and all Human conditioning ailments

Tingwald, 2021-07-12 In every life and family there is a story waiting to be told In this book our family would like to share with you one of our greatest discoveries In our darkest hour of suffering we found joy in the journey We have learned many hard lessons and still have unanswered questions but through it all God was with us every step of the way Each of us faced different giants to battle but we can all say we are stronger more determined and have a greater eternal perspective than ever before On our worst days we were not without hope and found true joy in knowing we were never alone The one who fights our battles was right beside us all the way Our prayer is that as you read this book you will realize that you are never alone We can know the same joy that Paul knew a joy that while in prison he could rejoice and praise God Praise be to the God and Father of our Lord Jesus Christ the Father of compassion and the God of all comfort who comforts us in all our troubles so that we can comfort those in trouble with the comfort we ourselves receive from God 2 Corinthians 1:3-4 NIV
