**The Race Set Before Us** Thomas R. Schreiner, Ardel B. Caneday, 2001-04-11 In this exploration of the biblical theology of perseverance and assurance Thomas R Schreiner and Ardel B Caneday weigh all of the relevant New Testament texts and provide a foundational study that offers a clear Reformed perspective on salvation **The Race Set Before Us** Thomas R. Schreiner, Ardel B. Caneday, 2001 Discipline Endurance Perseverance The New Testament often describes the Christian life as a marathon a race set before us But what exactly is the prize Do all those completing the race share in it And can the prize be lost Tackling these and other vexing questions Thomas Schreiner and Ardel Caneday offer in this book a serious exegetical wrestling with the biblical understanding of the nature of saving faith and its implications for the people of God Here is a foundational study that considers all of the relevant New Testament texts and that weighs the meaning of those texts for both Christian living and pastoral ministry **The Race Set Before Us** Ardel B. Caneday, Thomas R. Schreiner, 2025-11-25 Discipline Endurance Perseverance The New Testament often describes the Christian life as a marathon a race set before us But what exactly is the prize Do all those completing the race share in it And can the prize be lost Tackling these and other vexing questions Thomas Schreiner and Ardel Caneday offer in this book a serious exegetical wrestling with the biblical understanding of the nature of saving faith and its implications for the people of God Here is a foundational study that considers all of the relevant New Testament texts and that weighs the meaning of those texts for both Christian living and pastoral ministry **That You May Know** Christopher David Bass, 2008-12-01 A commentary on the theme of assured eternal salvation in 1 John that comes as a result of the person and work of Jesus Christ **40 Questions About Church Membership and Discipline** Jeremy M. Kimble, 2017-05-27 Addresses forty of the most common and thorny questions about church life Does church membership mean more than simply joining a social group Does the church have a responsibility to discipline its members and if so what does that look like Recognizing the many puzzling questions about the critical role of the church in the life of believers Jeremy Kimble addresses forty key points Each section considers questions of theology ministry and practicality such as Is there a New Testament precedent for membership How does membership relate to baptism and communion Who should become a member How is discipline related to discipleship Should a believer associate with someone under church discipline Like the other volumes in the 40 Questions series this book raises and clearly answers the most common and difficult questions that church leaders and members have With succinct chapters this is an eminently practical resource for any church leader elder board or new member seeking a foundational understanding of how the church should function **For Calvinism** Michael Horton, 2011-10-25 In an eloquent defense of Calvinist theology author and professor Michael Horton invites us to explore the teachings of Calvinism also commonly known as Reformed theology by showing how it is biblical and Christ centered leading us to live our lives for the glory of God The system of theology known as Calvinism has been immensely influential for the past five hundred years but it s often encountered negatively as a

fatalistic belief system that confines human freedom and renders human action and choice irrelevant Taking us beyond the caricatures and typical reactions For Calvinism Explores the historical roots of Reformed thought Delivers the essence of Calvinism examining its distinctive characteristics such as election atonement effectual calling and perseverance Encourages us to consider its rich resources for faith and practice in the present age As a companion to Roger Olson s Against Calvinism critique and response readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism

**Mission Affirmed** Elliot Clark, 2021-12-22 What will it take to accomplish Christ s mission in our lifetime That s the question evangelicals have been asking for over a century but our efforts to reach the unreached and finish the task have often sacrificed the important for the immediate The greatest challenge in evangelical missions isn t a lack of urgency but a lack of discernment As we ve prioritized movements that are simple and reproducible the gospel and faithful churches are now threatened Our mission itself could be disqualified In Mission Affirmed Elliot Clark seeks to reshape our motivation by considering the example of Paul the missionary The desire for God s approval is what formed his ambition and directed his methods and it should guide ours too In these pages we rediscover how pursuing God s praise can both motivate and regulate our gospel ministries We also refocus as missionaries pastors churches and individuals on what matters more than a mission accomplished a mission God affirms Biblical Ministry Advice Provides a holistic look at Paul s ministry methods and motivation A Great Resource for Church Leaders Helps churches vet and send missionaries First Hand Ministry Insights Provides a practical solution for common weaknesses in modern missions with descriptive examples from the author s experiences as a missionary Published in Conjunction with the Gospel Coalition TGC

**Paul s Spirituality in Galatians** P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today s culture Spirituality is essentially how one s beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one s

faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one's religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today

The Gift of Reading - Part 2 J. Alexander Rutherford, 2019-09-30 If the Word of God is our anchor in the chaos of this world if it is our assurance that we can know the world and God its Creator we need confidence that we can understand this Word Reading and applying the Bible is essential to every facet of Christian life and ministry yet our ability to do so is under attack from a myriad of directions In Postmodern philosophy the possibility of communication is dismissed let alone communication from God In Biblical studies the amount of knowledge required to come to firm conclusions concerning the meaning and application of the Bible grows every day However the Bible is not so pessimistic about its accessibility Instead it presents itself as a clear word sufficient to guide and encourage Christians in every area of life Having outlined in Part 1 a method for reading the Bible in order to understand it The Gift of Reading Part 2 addresses the issues of hermeneutics or the theory of reading After briefly surveying the major approaches to reading the Bible throughout the history of the Church The Gift of Reading Part 2 argues for an understanding of the role of the text read and author based on a Biblical epistemology and theology

**A Case for Mixed-audience with Reference to the Warning Passages in the Book of Hebrews** C. Adrian Thomas, 2008 A Case for Mixed Audience with Reference to the Warning Passages in the Book of Hebrews discusses the nature of the warnings in Hebrews and how these warnings relate to the theological question of the eternal security of believers The main argument is that these warnings are intended to target a particular segment of the author's community about whose appropriation of and subsequent attitude toward the Christian message he was deeply concerned That is to say while the book of Hebrews is addressed as a message of encouragement to the community as a whole its warnings are aimed at a certain element in the community whose salvation is threatened by a possible dangerous course of action The book implies that while the author is persuaded that the majority in the community are genuine believers there are some about whose salvation he doubts hence the case for a mixed audience What is threatened therefore is not a salvation already possessed but the salvation of those in danger of coming up short Theologically the work falls within the sphere of the Calvinistic Arminian debate regarding the assurance of salvation and the perseverance of the saints It argues strongly for the Calvinistic position but does so within the confines of the discipline of biblical studies and lends extensive exegetical support to the Calvinistic position on the warning passages The book is highly recommended for Bible College and seminary students and professors as well as pastors and lay leaders who must give answers to their parishoners

on those tough warning passages in Hebrews      Christian Contours Douglas S. Huffman,2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews Christian Contours answers this question by inviting readers to consider the understanding of reality proposed by the Bible Though it is easy to divide life into separate compartments religious and secular theological and practical faith invites us to view all of life in the light of that Biblical understanding Presenting a clear compelling case for unity in essential Christian tenets the authors of Christian Contours guide the reader through developing internalizing and articulating a biblical worldview This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind      **To Save Sinners** Michael Riccardi,2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents      **From Heaven He Came and Sought Her** David Gibson,Jonathan Gibson,2013-11-30 There is a palpable sense of confusion and sometimes even embarrassment with regard to so called limited atonement today pointing to the need for thoughtful engagement with this controversial doctrine Incorporating contributions from a host of respected theologians From Heaven He Came and Sought Her stands as the first comprehensive resource on definite atonement as it examines the issue from historical biblical theological and pastoral perspectives Offering scholarly insights for those seeking a thorough and well researched discussion this book will encourage charitable conversations as it winsomely defends this foundational tenet of Reformed theology The epub edition of this title will not display correctly when viewed on Adobe Digital Editions Hebrew characters will be inaccurately displayed in this reader      **Four Views on the Role of Works at the Final Judgment** Robert N. Wilkin,Thomas R. Schreiner,James D. G. Dunn,Michael P. Barber,2013-07-09 Through a discussion of Biblical texts this book presents four perspectives on the role of works at the final judgment The final judgment is the last and final act before God dwells with his people forever Scripture makes that clear but what function do our actions play in the final assessment of our souls especially those of professing Christians The contributors each state their case for one of four prominent views on the effect of works at the end of time Robert N Wilkin Works will determine rewards but not salvation Thomas R Schreiner Works will provide evidence that one

actually has been saved James D G Dunn Works will provide the criterion by which Christ will determine eternal destiny of his people Michael P Barber Works will merit eternal life This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

*Galatians* Todd Wilson, 2013-07-31 Paul's letter to the Galatians stands as a key book in the Bible especially as it relates to the Old Testament Law and to the Christian's freedom in Christ Paul's emphasis on Jesus's substitutionary death justification by faith and the work of the Spirit makes the letter crucial for a complete understanding of the New Testament's teaching on salvation through faith in Christ Combining scholarly depth with practical wisdom pastor Todd Wilson has written a commentary based on years of ministry experience and biblical reflection resulting in a resource that is exegetically engaged theologically informed and pastorally relevant Paul's passionate exhortation for the Galatians to return and cling to the gospel that saved them remains relevant today reminding modern readers of the importance of God's grace for all of life Part of the Preaching the Word series

**The Letters to Timothy and Titus** Robert W. Yarbrough, 2018-09-25 The Pastoral Letters 1 Timothy 2 Timothy and Titus have made an enduring contribution to understanding the role of pastors in the church With a spirited devotion to the text Robert Yarbrough helps unlock the meaning of these short but rich letters in this commentary In keeping with the character of Pillar New Testament Commentary volumes The Letters to Timothy and Titus offers a straightforward reading of these texts Their primary concerns God salvation and the pastoral task remain central to Yarbrough's thorough and comprehensive exegesis Engaging with the best scholarship and resources Yarbrough shows how these letters are as relevant today as they were to the early Christians

*Did Jesus Teach Salvation by Works?* Alan P. Stanley, 2006-09-20 Jesus teaches that regardless of one's profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e.g. Rom 3:21-4:25 Gal 2:16-21 Eph 2:8-9 there is every good reason to understand that Jesus' teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one's life

**1, 2, 3 John** Gilbert Soo Hoo, Pervaiz Sultan, 2016-07-31 Today the Asian church ministers in a multi religious and often multi cultural environment and faces serious challenges Thankfully we have a resource that offers guidance and encouragement the ancient documents known as

1 2 and 3 John In this commentary Dr Gilbert Soo Hoo provides careful textual analysis alongside contextual relevance in the hope that the reader will hear God's voice encouraging them to become disciples that live in fellowship with the Father and the Son and with one another The fundamental christological truths presented serve as a template to help evaluate various teachings and to discern what is true and what is false which is critical for believers living and serving in multi religious Asia
