The Bible For Dummies Jeffrey Geoghegan,Michael Homan,2016-05-31 The Bible For Dummies 9781119293507 was previously published as The Bible For Dummies 9780764552960 While this version features a new Dummies cover and design the content is the same as the prior release and should not be considered a new or updated product Discover the world s all time bestseller in an entirely new light Ninety percent of Americans own a copy of the Bible and while it s the most widely read book it s also the least understood Regardless of your religion understanding the Bible brings much of Western art literature and public discourse into greater focus from Leonardo da Vinci s Last Supper painting to the Wachowski brothers The Matrix movies People have historically turned to religion to deal with tragedy and change and with the right insight the Bible can be an accessible helpful guide to life s big questions The Bible For Dummies appeals to people of all faiths as well as those who don t practice any particular religion by providing interfaith coverage of the entire Bible and the often fascinating background information that makes the Bible come alive You ll find answers to such questions as Where did the Bible come from Who wrote the Bible How is the Bible put together Follow the history of the Bible from its beginning thousands of years ago as tattered scrolls to its status as the bestseller of all time The Bible For Dummies covers these topics and more Ten people in the Bible you should know The Hebrew Bible The Apocrypha s hidden treasures What s new about the New Testament Israel s wisdom literature and love poetry The Bible s enduring influence The prophets more than fortunetellers Whether you re interested in broadening your spiritual horizons uncovering the symbolism of Western culture or gaining a deeper understanding of the book you grew up reading The Bible For Dummies has all the information

you need to navigate this ancient and fascinating book **Love and Romance in the Bible** Asher Elkayam, 2013-01-14 This new project concentrates on the power of love and other passions that changed the world As we consider the Bible as a historical document we cannot help but wonder about those personalities in the Bible who can take credit for creating a multitude of tribal orders and nations throughout the globe Sarah and Abraham were the very first ancestors who discovered Monotheism and consequently gave birth to powerful nations who ended up populating nearly half of the people's planet One of the most populous nations on earth Islam was created as a result of Sarah's consent to have Abraham her husband consort with her maid Hagar Ishmael was born and he became the father of twelve powerful tribes Love in The Bible speaks about how entire kingdoms were formed and other destroyed It also emphasizes the power of seduction aimed at altering a destiny of a nation Delilah sought to destroy Samson in order to guarantee the supremacy of the Philistines over the Israelites Athaliah the mean destroyed her own children in order to maintain power Jezebel managed to do away with over four hundred so called prophets in order to maintain her power over the land Those women of power did evil while using their men Delilah used Samson by seducing him and convincing him to disclose the secret of his power Jezebel and Athaliah used their men kings in order establish their own kingdom On the other hand there were impressive female heroes Deborah was a pure military strategist who saved a whole nation with her inspiration and positive attitude towards victory Deborah was also a poetess and a highly praised judge who kept a nation in peace for forty years Esther was a special queen who came to the rescue of the entire Jewish Persian minority because she was the preferred woman of King Xerxes King Solomon in his Song of Songs described love and romance in a manner that can be duplicated in our modern era His poetry is still read and appreciated in our times and it can be quoted repeatedly by true lovers of our century Romance and the longing for love have never changed Lovers can be imaginative and use silly ways to remain in love as they do today However love can take different turns as well A true shocking story of love by accident is the story of Judah who became the father of Judaism Could anyone imagine that Judah the head of the tribe of Judah a tribe that was almost extinct suddenly became the ancestor of the most populous tribe of Israel It happened at a time where Judah was almost childless By accident he encountered a woman named Tamar who posed as a harlot However since Judah did not recognize her he became intimate with her Tamar was actually Judah's daughter in law Since her two husbands Judah's sons died it was Judah's duty to have Tamar marry the only surviving son That never happened either As Tamar used a special ruse to fool Judah she conceived and she became the actual ancestress of Judaism as we know it today This intriguing soap opera like story is described in details What is more she became the ancestor of Boaz and David King of Israel Both Jews and Christians claim Tamar as their ancestor while Christians state that King David was twenty generations apart from Jesus Love And Romance in The Bible depicts other passions such as incest and rape The daughters of Lot who saw it necessary to revive seed from their own father because they were afraid of their generation becoming extinct committed incest The Bible does not condemn nor condone this act

However the curious outcome was that two nations evolved out of this incestuous act Moab and Ammon The Amnon and Tamar daughter of David s story is a perfect example of an insecure man son of David who gets infatuated with his half sister Tamar and ends up abusing and humiliating her In the **Film Review** ,1976 The year s releases in review with necrologies and brief articles **Biblical Literacy** Joseph Telushkin,2010-08-17 As he did so brilliantly in his bestselling book Jewish literacy Joseph Telushkin once again mines a subject of Jewish history and religion so richly that his book becomes an inspiring companion and a fundamental reference In Biblical Literacy Telushkin turns his attention to the Hebrew Bible also known as the Old Testament the most influential series of books in human history Along with the Ten Commandments the Bible s most famous document no piece of legislation ever enacted has influenced human behavior as much as the biblical injunction to Love your neighbor as yourself No political tract has motivated human beings in so many diverse societies to fight for political freedom as the Exodus story of God s liberation of the Israelite slaves which shows that God intends that ultimately people be free The Bible s influence however has conveyed as much through its narratives as its laws Its timeless and moving tales about the human condition and man s relationship to God have long shaped Jewish and Christian notions of morality and continue to stir the conscience and imagination of believers and skeptics alike There is a universality in biblical stories The murder of Abel by his brother Cain is a profound tragedy of sibling jealousy and family love gone awry see pages 11 14 Abraham s challenge to God to save the lives of the evil people of Sodom is a fierce drama of man in confrontation with God suggesting the human right to contend with the Almighty when it is feared He is acting unjustly see pages 32 34 Jacob s deception of his blind father Isaac raises the timeless question Do the ends justify the means when the fate of the world is at stake see pages 46 55 Encyclopedia in scope but dynamic and original in its observations and organization Biblical Literacy makes available in one volume the Bible s timeless stories of love deceit and the human condition its most important laws and ideas and an annotated listing of all 613 laws of the Torah for both layman and professional there is no other reference work or interpretation of the Bible quite like this Stunning volume *The Greater Men and Women of the Bible* James Hastings,1913 [The Video Source Book](#) David J.
