Right From God:

Right with God: the Basics Alan J. Niebergal, 2012-10-08 This book is about being right with God now and to eternity It is based on a relationship with God through Jesus Christ that brings us into a fulfilling relationship with Him We can now stand in the truth of our new identity and take up our inheritance and responsibility in Christ We can let the heart of Jesus Christ grasped our heart so that we might know Him experientially It is not a one way relationship but a two way relationship and he calls us to walk and work alongside with Him in unison Otherwise we are only wasting a most precious opportunity and blessing in life We have the privilege and joy of walking with Him in a relationship not based on law but the gospel or grace We also can learn to rest in Him to walk in our freedom and to be ready and prepared for the end Our destiny is assured in Him and can and may be eternally right with God Only in Christ will we find fulfillment in this life and the life to come We can be right with God and out of the overflow of that relationship we can enjoy all that we were created to be and experience This book talks about the basic truths that can assist everyone to be right with God and grow in that relationship in Christ These truths are basic but some of them are profound truths that are essential to walk in the fullness of Christ a fullness He offers to every person in a personal relationship with Him Some of these truths go deep but they are basic for every Christian These basic truths are the way to fullness in Christ

The Rights of God, Occasioned by Mr. Paine's "Rights of Man" and His Other Publications; by Way of Brief Answer to Them: Intended, as a Word in Season, to Those who Wish, and to Those who Dread a Revolution in England ... Second Edition John Riland, 1792

Right with God Ron Mehl, 2003 The Ten Commandments are often portrayed as cold harsh words from a vengeful God This new condensed version of Ron Mehl's enormously popular *The Tender Commandments* recasts them as ten tender declarations of our Creator's love for us Pastor and Gold Medallion award winning author Mehl explores the wisdom contained in the commandments that can keep us from being injured by the deadly traps of a fallen world Following God's guidance is in our own best interests keeping us under His protection and love

Right With God D. A. Carson, 2002-09-10 Right with God is a study of what the Bible has to say about justification along with reflections as to how this teaching ought to work out in a variety of contexts around the world In addition to the essays on particular parts of the Bible Paul Matthew Luke Acts John James the book includes an essay assessing recent thought on justification and another attempting to put together a synthesis of biblical perspectives on this important theme One chapter relates justification and personal Christian living another weighs the relationship between justification and social justice yet another evaluates the treatment of justification in Roman Catholicism and in various interfaith dialogues For some readers however the most innovative chapters will be those discussing the relevance of the Christian doctrine of justification by faith in Hindu Islamic and Buddhist contexts The contributors have been drawn from evangelical communities around the world

God's Mighty Right Doreen B. Young, 2012-11 God's Mighty Right was a quest after experiencing the Lord's voice at Sunday morning worship The Lord spoke to me saying My mighty right my

mighty right arm Upon hearing these words it incited me to understand what the Lord wanted me to know and to share with His children I pray that you hear the voice of the Lord as you read these words he has placed in my heart **The Right to God** Ron Dugan, Jennie C. Dugan, 2009-11-06 The Right to God exposes the raw beauty of a hugely overlooked basic Christian principle that opens the door to a deeper spiritual walk for all people God isn't reserved for spiritual masters God is for everyone and that means You have the right to God This book is about giving spirituality back to everyday people The Right to God is a new way to see your relationship with God no matter who you are or where you start It counters a subtle message weaving through our society that God's approval must be earned or worse that some people aren't good enough even for God With fresh insights this book is a straightforward read with a deep message Though Biblical it's not rule bound Though phrased gently it carries powerful meaning It tells the true story of Jesus' teachings and speaks to people from all walks of life The Right to God has earned praise from Muslims Christians Bible scholars and simple everyday people looking for a genuine relationship with God **The Works of the Right Reverend Father in God Thomas Wilson, Fifty-eight Years Lord Bishop of Sodor and Man** Thomas Wilson, Clement Cruttwell, 1782 *The Works of John Owen, D.D. Male and Female Made in God's Image Frances O'Dair, 2019-04-04 In this era of distorted ideas about our inherent roles identities and purposes as men and women it has never been as important that we seek reconciliation in marriage and families so there can be a more rational approach to the real problems the whole world suffers We must disseminate God's truth and extinguish the lies and myths that Satan has embedded into the hearts and minds of many people Building on these ideas in Male and Female Made in God's Image author Frances O Dair offers her perspective on dating marriage and family which she believes reflects the experiences of most married couples before the sexual revolution of the 1960s She encourages men and women to reflect on the wise or self-serving natures of their past dating and mating choices If we can stop the reckless self-gratifying use of human sexuality with our children our loving direction and understanding of God's truth can set them free from the temptations that have been passed down to recent generations We must be ready to admit that sexual freedom is a myth and isn't intended for the well-being of men women children and the unborn This faith-inspired treatise explores the true source of happiness meaning and fulfillment that God has planned for everyone within the sacrament of marriage and the family circle **It Takes a Revolution** Larry Klayman Esq., 2020-10-27 With a title that satirically mocks It Takes a Village by Hillary Clinton It Takes a Revolution Forget the Scandal Industry details how our executive legislative and judicial branches of government have become thoroughly corrupt and failed the citizenry Imploring Americans to turn away from the scandal industry of the cable news networks which enrich themselves by magnifying crises

if not creating mass panic to boost ratings and advertising dollars and offering false hope to lure viewers that there will be justice to remedy government corruption the author Larry Klayman both the founder of Judicial Watch and now Freedom Watch offers concrete solutions for creating a federal judiciary and instituting citizens grand juries Quoting Founding Fathers like John Adams and Thomas Jefferson Klayman explains above all that without ethics morality and religion it will not matter how many times we change our forms of government or rules there will be no lasting liberty This work is a call to arms during these times of crises when government corruption has hit a cancerous state The overriding message of *It Takes a Revolution Forget the Scandal Industry* is that Americans should turn off cable news stop being entertained by it get up off of the couch and join the second American Revolution albeit a peaceful and legal one to restore the greatness of our nation in these trying and perilous times Our continued existence hangs in the balance **Railway Signal** ,1889 **The Way for the World to Be Right with God** Ken Bray,2016-02-13 Volume 2 of the Living A Transformed Life In Christ series An Inductive Bible study into Romans 3 21 5 21 While sin has left us a glorious ruin and condemned to death grace is about to change all that as we are about to see in the next study of this series in Romans 3 21 5 21 Paul proceeds to speak about the light of the Gospel in Romans 3 21 31 explaining the one and only means of justification for all mankind faith in the Lord Jesus Christ Paul has just explained to us that no one can be declared righteous justified by the law Romans 3 20 He also explained to us that no one may be saved by their own works Righteousness holy and upright living based on God's standard not ours cannot be earned by adhering to rules and morals All have sinned and fall short of the glory of God *Integrative Theology* Gordon Russell Lewis,Bruce A. Demarest,1996 A one volume edition of the three volume Integrative Theology this text deals with the definition and application of this new and distinctive approach to religious study , **The Existence and Attributes of God (Vol.1&2)** Stephen Charnock,2023-10-30 In *The Existence and Attributes of God* Stephen Charnock masterfully constructs a theological treatise that elucidates the nature of God through rigorous philosophical argumentation and profound scriptural engagement Spanning two volumes this work synthesizes insights from classical philosophy with Protestant theology exploring God's existence infinite attributes and moral governance with a clarity that has influenced generations of theologians and philosophers Charnock's literary style is both didactic and contemplative inviting readers to engage deeply with complex doctrinal issues while grounding them in the rich tradition of Reformed theology Stephen Charnock 1628 1680 emerged as one of the leading figures in 17th century Puritan thought writing during a tumultuous period marked by the English Civil War and a climate of religious uncertainty His experiences as a preacher and his scholarly pursuits at Oxford undoubtedly shaped his profound conviction regarding the rational nature of faith as reflected in his meticulous approach to theology Charnock's legacy as a biblical thinker stems from his persistent quest to illuminate the character of God and understand divine attributes through reasoned discourse This seminal work is a must read for scholars theologians and anyone seeking a deeper understanding of God's nature Charnock's blend of intellectual rigor and spiritual
