Rudrum, 2006-07-31 A collection of essays grounded in state of the art research that explores contemporary debates at the interface between literature and philosophy It brings together diverse schools of thought and provides both a useful overview and an examination of one of the most fascinating cross disciplinary encounters in the humanities today

A Philosophical Approach to Perceptions of Academic Writing Practices in Higher Education Amanda French, 2022-05-12 This book takes a philosophical approach to the question what is academic writing and specifically explores the question of how academic writing and writing development can be better understood and developed by lecturers in higher education It examines how a number of interconnected and interdisciplinary political linguistic discursive ontological and epistemological frameworks can be used to inform a post qualitative approach for research into higher education academic writing practices employing a Bourdusian Deluzean inspired approach Using lecturers own perceptions and experiences of academic writing and treating them as part of a professional academic writing in higher education habitus the book illustrates and analyses a number of ideas and concepts through a broadly post qualitative paradigm It also offers a number of innovative academic writing and writing development practices Offering an in depth discussion into how lecturers might better negotiate academic writing practices and use their own academic writing experiences to develop students writing this book will be highly relevant to academics scholars and post graduate students working in higher education

Living Issues in Philosophy: Second Edition Harold H. Titus, 1953

Philosophy for Life and Other Dangerous Situations Jules Evans, 2013-10-03 When philosophy rescued him from an emotional crisis Jules Evans became fascinated by how ideas invented over two thousand years ago can help us today He interviewed soldiers psychologists gangsters astronauts and anarchists and discovered the ways that people are using philosophy now to build better lives Ancient philosophy has inspired modern communities Socratic caf's Stoic armies Epicurean communes and even whole nations in the quest for the good life This book is an invitation to a dream school with a rowdy faculty that includes twelve of the greatest philosophers from the ancient world sharing their lessons on happiness resilience and much more Lively and inspiring this is philosophy for the street for the workplace for the battlefield for love for life

A Companion to African-American Philosophy Tommy L. Lott, John P. Pittman, 2003-04-11 This wide ranging multidisciplinary collection of newly commissioned articles brings together distinguished voices in the field of Africana philosophy and African American social and political thought Provides a comprehensive critical survey of African American philosophical thought Collects wide

ranging multidisciplinary newly commissioned articles in one authoritative volume Serves as a benchmark work of reference for courses in philosophy social and political thought cultural studies and African American studies *Understanding the Life Course* Lorraine Green, 2016-12-20 *Understanding the Life Course* provides a uniquely comprehensive guide to the entire life course from an interdisciplinary perspective Combining important insights from sociology and psychology the book presents the concepts theoretical underpinnings in an accessible style supported by real life examples From birth and becoming a parent to death and grieving for the loss of others Lorraine Green explores all stages of the life course through key research studies and theories in conjunction with issues of social inequality and critical examination of lay viewpoints She highlights the many ways the life course can be interpreted including themes of linearity and multidirectionality continuity and discontinuity and the interplay between nature and nurture The second edition updates key data and includes additional material on topics such as new technologies changing markers of transitions to adulthood active ageing resilience and neuropsychology This comprehensive approach will continue to be essential reading for students on vocational programmes such as social work and nursing and will provide thought provoking insight into the wider contexts of the life course for students of psychology and sociology *What Philosophers Should Know About Truth* Fred Stoutland, 2019-05-06 Fred Stoutland was a major figure in the philosophy of action and philosophy of language This collection brings together essays on truth language action and mind and thus provides an important summary of many key themes in Stoutland's own work as well as offering valuable perspectives on key issues in contemporary philosophy Children's Biographies of African American Women Sara C. VanderHaagen, 2018-11-15 A study of how rhetoric has shaped the life stories of African American role models in children's literature In *Children's Biographies of African American Women Rhetoric Public Memory and Agency* Sara C. VanderHaagen examines how these biographies encourage young readers to think about themselves as agents in a public world Specifically VanderHaagen illustrates how these works use traditional means to serve progressive ends and thereby examines the rhetorical power of biography in shaping identity and promoting public action Drawing on scholarship in rhetoric memory studies and children's literature VanderHaagen presents rhetorical analyses of biographies of three African American women poet Phillis Wheatley activist Sojourner Truth and educator turned politician Shirley Chisholm published in the United States during the twentieth and twenty first centuries VanderHaagen begins by analyzing how biographical sketches in books for black children published during the 1920s represent Wheatley and Truth The study then shifts to books published between 1949 and 2015 VanderHaagen uses a concept adapted from philosopher Paul Ricoeur the idea of the agential spiral to chart the ways that biographies have used rhetoric to shape the life stories of Wheatley Truth and Chisholm By bringing a critical rhetorical perspective to the study of biographies for children this book advances the understanding of how lives of the past are used persuasively to shape identity and encourage action in the contemporary public world VanderHaagen contributes to the study of rhetoric and African American children's literature and refocuses the

field of memory studies on children's biographies a significant but often overlooked genre through which public memories first take shape

A Moral Defense of Prostitution Rob Lovering, 2021-07-09 Is prostitution immoral In this book Rob Lovering argues that it is not Offering a careful and thorough critique of the many twenty to be exact arguments for prostitution's immorality Lovering leaves no claim unchallenged Drawing on the relevant literature along with his own creative thinking Lovering offers a clear and reasoned moral defense of the world's oldest profession Lovering demonstrates convincingly on both consequentialist and nonconsequentialist grounds that there is nothing immoral about prostitution between consenting adults The legal implications of this view are also brought to bear on the current discourse surrounding this controversial topic

PHILOSOPHICAL AND SOCIOLOGICAL BASES OF EDUCATION, SECOND EDITION RAVI, S. SAMUEL, 2021-01-01 Education and philosophy go hand in hand It is through the power of knowledge our philosophers laid a foundation of educational theories and set a stepping stone for the modern day education system and educational institutions This book gives a comprehensive account of the fundamental theories laid by the philosophers and the society's role in shaping them up The special feature of the book is that it teaches and explains more than what an ordinary teacher does in a limited time It stresses on the understanding and practice of the concepts learnt rather than mere memorisation NEW TO THE SECOND EDITION Now the book comprises 40 chapters out of which 15 have been newly introduced and are tactically placed under the three units of the book Unit 1 Philosophy and Education Realism Humanism Awakenism Existentialism Education for 21st century Indian Philosophy and Education Philosophy and Branches of Knowledge Unit 2 Eastern and Western Philosophers Sarvepalli Radhakrishnan Jiddu Krishnamurty Pestalozzi Maria Montessori Unit 3 Education and Society Education for Peace Education for New Social Order Education for Human Rights and Education for Modernisation Primarily designed for the undergraduate and postgraduate students of education the book is equally beneficial for the teaching faculties trainees research scholars and those who are preparing for competitive examinations in education TARGET AUDIENCE B Ed BA Education M Ed MA Education M Phil Education PhD Education

Spiritual Philosophers: From Schopenhauer to Irigaray Richard White, 2020-02-20 How does thinking illuminate the spiritual view of life How does a close examination of key spiritual thinkers help us to live in the modern world And in what way does philosophy enhance spirituality In this book Richard White answers these questions by analysing a range of important philosophers from Schopenhauer in the first half of the 19th century to Irigaray in the present day Each chapter examines the work of a single writer and one closely associated theme such as Nietzsche on generosity Benjamin on wisdom and Derrida on mourning The author looks at philosophy and spirituality in the tradition of continental philosophy and he views spirituality as something that can be separated from religion With the rise of reductive scientific materialism becoming ever more prevalent in modern society White seeks to recover the idea of a spiritual tradition which is not otherworldly but philosophical in nature The thinkers discussed in this book articulate some of the deepest possibilities of human existence Spiritual Philosophers offers

an approach to philosophy as a spiritual practice which the author sees as an integral part of our life As a pioneering work in an emerging field the philosophy of spirituality this book contributes to several key debates surrounding spirituality theology and the role of philosophy in the contemporary world *Human Judgment and Social Policy* Kenneth R. Hammond,2000 With numerous examples from law medicine engineering and economics the author presents a comprehensive examination of the underlying dynamics of judgment dramatizing its important role in the formation of social policies which affect us all

A Practical Guide to Philosophy for Everyday Life Trevor Curnow,2012-04-05 How can we apply philosophy to our everyday lives Can philosophy affect the way we live This book will show how philosophy can help to improve your thinking about everyday life And how by improving the quality of your thinking you can improve the quality of your life It will make you more aware of what you think and why and how knowing this can help you can change the way you think about your life Full of practical examples and straightforward advice and written by an expert in the field this guide can help you become calmer and happier and make better decisions **A Brighter Morn** Darby Lewes,2003-01-01 Examines Shelley s unique utopian vision as a product of the tumultuous eighteenth century that uniquely blended the personal poetic and political realms *Resources in Education* ,1997 *The Philosopher's Index* ,2008 Vols for 1969 include a section of abstracts

Children, Families and Leisure Heike Schaenzel,Neil Carr,2018-02-02 This book aims to further academic debate within the leisure and tourism studies community about the role of families in contemporary life and the experiences of families and their children in the leisure environment It is based on the recognition of the diverse nature of the family in the contemporary era and the position of children in families and society in general as active and knowing social agents rather than as passive objects The family is on the one hand our first community with its own special kind of human attachment and on the other a little world on which the larger society is modelled Families form the closest and most important emotional bond in humans This relationship is what drives humanity and society and positions families at the centre of leisure activities This international and multi disciplinary compilation of recent research into children and families examines progress made and challenges ahead for leisure studies It extends the academic discourse to a wider understanding of what families children and their leisure behaviour mean in today s societies This book was originally published as a special issue of *Annals of Leisure Research* **Understanding the Political Philosophers** Alan Haworth,2011-02-25 This absorbing study invites you to climb inside the heads of the major political philosophers as it were and to see the world through their eyes Beginning with Socrates and concluding with post Rawlsian theory Alan Haworth presents the key ideas and developments with clarity and depth Each chapter provides a concentrated study of a given thinker or group of thinkers and together they constitute a broad account of the main arguments in political philosophy There are chapters on Socrates Plato Aristotle Hobbes Locke Rousseau the Utilitarians Marx Rawls and post Rawlsian developments This is a fascinating lively and engaging look at the topic and will be appropriate for any student taking a course in political philosophy or political thought *FUN!* Alan

McKee, 2016-04-30 Combining media effects with aesthetic approaches this book offers the first substantial systematic and coherent account of fun and its importance But what exactly is fun and what purposes does it serve Fun is a vital element of entertainment and entertainment is the most important form of culture in modern Western democracies It demonstrates that fun is at the heart of entertainment's effects entertainment both offers its consumers fun and provides them with the intellectual materials to think about the nature of fun More than this the book argues that entertainment shows us that fun pleasure without purpose is at the heart of living a good life Illustrated with detailed examples from entertainment from the Urban Dictionary to The Simpsons to the Culture novels of Iain M Banks this book is intelligent original and even dare we say it fun
