Running On Empty Contemplative Spirituality For Overachievers:

Running on Empty Fil Anderson, 2009-06-10 Learn to live with God instead of for God In this candid and achingly authentic book Fil Anderson shares the healing insights that restored his spiritual compass and guided him back to God the God who specializes in filling empty souls Fil Anderson had accomplished more for God than most of his contemporaries but his worn out body housed an empty soul His frenetic pace of ministry had earned him just one thing greater pressure to do even more He had fallen for the soul killing lie that doing more for God would give his life meaning Then the godly admonition of a spiritual director set this burned out believer on a life saving spiritual path Sometimes the only way to get a new life is by running your old one completely into the ground This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty It s the story of reclaiming your soul and finding a home in the center of God s relentless love It s the journey from self importance to God importance To the harried and the unharried I pray that this book will minister to your heart in the profound way that it has blessed mine Brennan Manning

Beginnings - The Spiritual Life Andy Langford, Mark Ralls, Rob Weber, 2006-05 This book expands on the themes of the 10 sessions in the Beginnings the Spiritual Life small group study These readings will enhance the participant s experience It can also be read separately for personal study Confessions of a Good Christian Guy Thomas J. Davis, Tammy Maltby, Tom Davis, 2008-01-01 Dealing with the secret pain in the lives of many good Christian men In a continuation of Confessions of a Good Christian Girl Tammy Maltby is back with coauthor Tom Davis to get specific about the brokenness and pain in the lives of good Christian men This isn t a lurid expose but an honest and courageous look at the secrets most often lurking behind

victorious Christian facades Chapters include I've got a dirty mind I'm a self-made man I want more stuff I need my dad I love booze I don't like to feel I'm so ticked off I want to give up In addition to the transparent stories and insight from Davis Matlby concludes each chapter with reflections for those who care practical insight for individuals walking beside a man struggling with these issues Transformation Stephen W. Smith, Gordon Dalbey, Howard L. Baker, 2010-08-27 Life is not a flow chart We weren't meant to master it on our own We weren't meant to be mastered by it either The discussion guides in the Transformation of a Man's Heart series put us in conversation with God and with one another to see how God shapes and transforms us in the ordinary experiences of our lives Am I every going to change he asks If we're honest with ourselves we'll admit that we're not the men we wish we were Not only our dreams but our values are vulnerable to external forces and internal chaos the wounds inflicted on us as well as the compromises we've allowed ourselves to make In this discussion guide inspired by essays in The Transformation of a Man's Heart men will be reminded that wherever they find themselves God is there with them inviting them forward onto a new and better path This study accompanies the book The Transformation of a Man's Heart compiled and edited by Stephen W Smith **Tranquility** David W. Henderson, 2015-09-01 There's never enough time So we try to cram as much as possible into what little time we have work friends play rest But what if How do I fit it all in isn't the right question Scripture has a lot to say about time Taking a cue from Ecclesiastes Better one handful with tranquility than two handfuls with toil and chasing after the wind and drawing on everything from Augustine's Confessions to conversations with air traffic controllers David W Henderson encourages us to move beyond merely trying to open up a bit of margin or to say no once in a while and to take a purposeful step back from our lives to examine those internal and external dynamics that propel us into busyness and hurry Sharing honest stories about his own struggles with busyness he helps readers explore the way the Scriptures frame our time understanding the times making the most of the time and trusting God with the rest For anyone who is tired of feeling the push and pull of our time-bent culture this book will be a welcome invitation to rest and to live artful and faithful lives marked by peace and tranquility Breaking the Rules Fil Anderson, 2011-03-16 After years of living with a set of religious demands that he could never live up to Fil Anderson found himself spiritually bankrupt and emotionally drained Following a crash and burn in professional ministry he experienced relief in learning to be with God rather than doing for God Instead of desperation he found healing and a rich new life with God In Breaking the Rules Fil invites us to explore what happens when good religion turns bad At such times we are weighed down with expectations of what it takes to be right with God whether it is the expectations of others holding up under pressure fixing what's wrong or accomplishing big things for God When we set aside this false agenda we find the courage to confess our fears and insecurities We taste the depths of God's love for us Here is an opportunity to quit trusting in your own ability to live for God and simply trust in God instead Gravitas Jerome Daley, 2020 Christian men and women in leadership in the modern marketplace are often seduced by a do more do it faster culture which can cripple their most

Contemplative Spirituality For Overachievers : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
