Sabbath Day Of Eternity:

Me-'en 'olam Ha-ba Aryeh Kaplan,2005 **Will and Grace** Hune Margulies,2017-11-13 This book is a poetic reading of the dialogical philosophy of martin buber my reading of martin buber takes me to this principal insight god is not in heaven nor on earth god is not above nor below not within and not without not in the soul or in the flesh god is not an entity anywhere god is the between of an i and a thou these pages are not an academic study in the strict sense my meditations in this book are not a literal description of buber s philosophy for buber would never have approved of taking his words in any way other than in dialogue buber wrote in dialogue with the reader and i read buber in the poetic philosophy of his words in other words we can say that the essential thinking in martin buber s philosophy is that the presence of god in us is always enacted as the presence of god between us god like love like poetry is a deed we do the god deed is actualized not in rituals or temples but in the practices of the sacraments of the neighbor for there is nothing we can predicate of god but we can still meet god in the embrace of the neighbor we meet god as we meet with one another in genuine relationship god is not in the relationship god is the relationship god is no thing but there is nothing that isn t god in the between of an i and a thou

Esther Scharf,2006-03-28 The Process While sharing my writing on the Hebrew letter Lamed with my husband Max who is a fine art painter we came up with an idea Max was beginning to form some images in his mind from the reading What if when he read my prose poetry he would set to canvas the imagery creating a fine art painting We both liked the idea and that was the beginning of this book We continued the same process with each letter The beauty of nature and the interplay of light and motion have always inspired Max His paintings express the energy in the universe and as he states are filled with his soul My writing speaks to the beauty in our lives and the light of God's presence which guides us to be our best selves and live from our purest and holiest soul So the process that developed was a natural progression expressing our innermost feelings through our complimentary creative venues This was the beginning of a two and one half year process that stimulated an intimacy between us that brought us to a new level of creativity Working together became an interactive and integrative experience both on the level of the power of the Hebrew letters and the love between us and God We are excited to present this unique collaboration to you and hope you are touched by the power and meaningful essence of the Hebrew Letters of Creation Esther Scharf *Arcana Cœlestia: or, Heavenly Mysteries contained in the Sacred Scriptures, or Word of the Lord, manifested and laid open ...
