Beckmann,Anthony P. Clevenger,Marcel Huijser,Jodi A. Hilty,2012-04-20 *Safe Passages* brings together in a single volume the latest information on the emerging science of road ecology as it relates to mitigating interactions between roads and wildlife This practical handbook of tools and examples is designed to assist individuals and organizations thinking about or working toward reducing road wildlife impacts Detailed case studies span a range of scales from site specific wildlife crossing structures to statewide planning for habitat connectivity to national legislation Contributors explore the cooperative efforts that are emerging as a result of diverse organizations including transportation agencies land and wildlife management agencies and nongovernmental organizations finding common ground to tackle important road ecology issues and problems *Safe Passages* is an important new resource for local state and national level managers and policymakers

working on road wildlife issues **Safe Passage** Michael B. Kelly, Anne B. McBride, 2019-07-11 *Safe Passage* A Guide to Addressing School Violence offers expert perspectives and guidance in understanding assessing and addressing school violence Although the book is designed for child and adolescent forensic psychiatrists and psychologists seeking proficiency in youth violence risk assessment educators school administrators mental health clinicians other health care professionals who work with children and interested laypersons will also find the book both practical and illuminating The editors approach to school violence is informed by their educational scholarly clinical and forensic work with children and adults who have been disenfranchised through the cumulative effects of poverty trauma untreated mental illness and inadequate access to education This background has fostered a sensitivity to and understanding of critically important developmental factors that can be passed on generationally which are explored in depth in the volume Case vignettes and follow ups are used liberally to illustrate and illuminate the range of violent situations e g bullying cyberbullying gang violence sexual violence likely to be encountered as well as the advantages and disadvantages inherent in various interventions The authors stress that threat assessment must take individual school and community variables into account a complex but necessary task for mental health professionals and educators who wish to safeguard individuals and society from harm This book provides a road map for understanding and addressing violence of all kinds in the school environment The subtyping of aggression is thoroughly explored with special focus on reward seeking behaviors and the development of impulse control in adolescents Identifying students at risk for violence or abuse at home is of critical importance The chapter on danger at home teaches the reader to recognize trauma symptoms and examines the necessary steps toward establishing a trauma informed or trauma sensitive school environment In violence risk assessment every student is evaluated in relation to static risk factors historical variables that cannot be changed dynamic risk factors risk factors that are amenable to change and protective factors The authors emphasize that violence risk is characterized along a continuum rather than in binary fashion Case law is cited where relevant throughout the book providing context for the evolution of school policies toward violence Key points and clinical pearls at the end of each chapter provide convenient summaries of information and help the reader focus on the most important ideas Compassionate and comprehensive *Safe Passage* A Guide to Addressing School Violence introduces readers to important concepts pertaining to school violence and serves as a practical guide for mitigating and preventing violence in our schools *Compromising Palestine* Aaron S. Klieman, 2000 In response to the challenges of bringing the tenacious Israeli Palestinian conflict to an end many have offered grand historical perspectives vague formulas or visionary new proposals Aharon Klieman however goes beyond abstract reflections to offer a clear and practical assessment of which issues will be important in the upcoming negotiations and why At the top of his list is the partitionist strategy of dividing land through political and territorial compromise Territorial partition an idea circulating for over sixty years becomes more prominent now according to Klieman and is the only viable option if any for ending the conflict *Compromising Palestine*

argues that while the Oslo peace accords are an important declaration of principles and provide a mechanism for peace they are singularly ambiguous and do not provide tangible solutions which must be sought through practical compromises and concrete plans followed to the letter by both sides Falling between broad general discussion and actual operational plans this concise clearly focused and beautifully written book will provide a very useful reference point for anyone following the peace process whether academic policy maker or general reader and will contribute to the quality of analysis at each stage of the debate during the crucial final status period **Beyond Oslo, the Struggle for Palestine** Ahmed Qurie,2008-08-21 With new talks in the Middle East Peace Process about to begin the shadows of previous negotiations fall heavily across all involved In this powerful and absorbing testimony one of leading figures of the Oslo talks former Prime Minister Ahmed Qurie Abu Ala takes us behind closed doors and inside the negotiating rooms of Wye River Stockholm and Camp David where the terms of peace and a Palestinian state were sketched out argued over and eventually lost Larger than life figures emerge from the minutes of these dramatic meetings released here for the first time Qurei recounts both the Israelis intractability and the dynamic inside the Palestinian camp with candour and insight This indispensable first hand account provides a completely new perspective on the history issues and personalities that will determine the future of the Middle East **A Manual on International Humanitarian Law and Arms Control Agreements** M. Cherif Bassiouni,2021-10-01 A total of 84 documents are reproduced here including arms control agreements regional peace and security agreements and forces reduction agreements as well as 34 instruments controlling particular weapons In addition explanatory charts help the researcher to locate instruments according to specific criteria such as penal characteristics applicability war and peace and extent of ratification Published under the Transnational Publishers imprint Mālik and Medina Umar F. Abd-Allah,2013-03-28 This book studies the legal reasoning of M lik ibn Anas d 179 H 795 C E in the Muwa a and Mudawwana Although focusing on M lik the book presents a broad comparative study of legal reasoning in the first three centuries of Islam It reexamines the role of considered opinion ra y dissent and legal ad ths and challenges the paradigm that Muslim jurists ultimately concurred on a four source Qur n sunna consensus and analogy theory of law Instead M lik and Medina emphasizes that the four Sunn schools of law madh hib emerged during the formative period as distinctive consistent yet largely unspoken legal methodologies and persistently maintained their independence and continuity over the next millennium Linking the Gaza Strip with the West Bank Justus Reid Weiner,Diane Morrison,2007 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service,2002 Merchant Marine Officers' Handbook William A MacEwen,2009-06-30 This handbook first issued in 1942 is designed to be used as a textbook or a study guide for the hawsepiper The twenty five chapters contain information on electronics celestial navigation rules of the road engineering etc that will be helpful to the third mate experienced mariner or student preparing for a licensing examination International Documents on Israel & Palestine 1915 to 2008 Collected &

Edited by Dave Lane,2008-08-01 This book is a reference work for those interested in the Israeli Palestinian problem It contains no original material but provides most of the major international agreements on the Israel Palestine problem in chronological order and all in one handy volume This volume ranges from the documentation of the MacMahon Letter of 1915 through the Balfour Declaration of 1917 the Hamas Charter of 1988 the Arab Peace Initiative of 2002 up to the Riyadh Declaration of 2007 This is a superb compact reference volume for those researching the Israel Palestine problem and contains all the relevant international documents on the subject **Get the Children Out!** Mike Levy,2022-01-27 The grocer the teacher the soldier the Quaker Mike Levy shines a light on the courageous deeds of twenty two women and men who transformed the lives of the Kindertransport and other refugees In 1938 when the Government refused to act and those around them turned a blind eye these heroic individuals took it upon themselves to orchestrate one of the greatest lifesaving missions the world has ever seen Until now the compelling accounts of these extraordinary rescue missions have remained untold Mike Levy is a researcher for the US Holocaust Memorial Museum and the Association for Jewish Refugees an educator with the Holocaust Education Trust and Chair of The Harwich Kindertransport Memorial and Learning Trust In support of Safe Passage 1 from the Sale of this book will be donated to Safe Passage and used to help child refugees find legal routes to sanctuary You can find out more about the vital work done by Safe Passage on their website [Country Reports on Human Rights Practices](#) ,2000 [The Israeli-Palestinian War](#) Anthony H. Cordesman,2005-10-30 The Israeli Palestinian conflict is more than a local or regional dispute Its ongoing and escalating nature increases the risk that the violence will spill over its present borders and contribute to both extremism and terrorism While the Intifada from 1987 to 1993 was largely a popular uprising and a political struggle the recent clash is a war with a steady escalation between conventional and unconventional forces It is in the interest of all major powers the international community and the United Nations to press both sides to accept a realistic peace plan Noted Middle East expert Anthony Cordesman details this continuing struggle by explaining the issues at stake for each side the various combatants both directly and indirectly engaged as well as the course of the war in its various incarnations The situation on the ground is complex and the quest for peace is ever more uncertain If the Intifada was a struggle for recognition that a peace had to be reached that was just for both sides the Israeli Palestinian War has polarized both sides away from peace convincing them of the justice of their own cause and tactics and the fundamental injustice of the other side s tactics and goals Each side has used human rights international law and civilian casualties as political weapons The history of a near century of conflict is used to justify war rather than a search for peace **Keeping Schools Safe** Joaquin Jay Gonzalez III,Roger L. Kemp,2023-03-07 Since 2009 at least 177 of America s schools experienced a shooting A parent should not have to worry when their children are at a public school in their city whether it be an elementary school a middle school a high school or a college campus School safety and security are strengthened by prevention mitigation and response The sections in this book educate school boards school

administrators policymakers academics and parents on the importance of staying informed and accurately responding to school security and safety The book highlights the school shootings in Columbine Newton Parkland and many others that remind us of the responsibilities as citizens and communities to make schools a safe space for children It is time to think about school shootings not merely as a problem of security but as a problem of security and education *The Arab-Israeli Conflict* Gregory S. Mahler, 2023-08-21 This textbook examines the diplomatic and historical setting within which the Arab Israeli conflict has developed and gives students the opportunity to study the Middle East peace process through a presentation of primary documents that have been instrumental in the development of the conflict from the mid 1800s through the present This third edition includes an updated and expanded introduction and a significant expansion of the number of documents The Arab Israeli Conflict includes an extensive introductory chapter which presents the history of the conflict and covers events from the nineteenth century to the present day presents 120 of the most important and widely cited documents in the history of the Israeli Palestinian conflict in an edited form to highlight key elements incorporates a number of pedagogical aids including the edited original documents maps and boxed sections that offer greater explanation of detailed topics presents both sides of the argument allowing students to understand both the Israeli and the Palestinian positions on the issues This important textbook is an essential aid for courses on the Arab Israeli conflict and the Middle East peace process and will be an invaluable reference tool for all students of political science Middle East studies and history

BIG Ideas to BIG Results Robert H. Miles, Michael T. Kanazawa, 2008-02-11 Why do most corporations fail to achieve breakthrough performance They make things too complex They clutter it with jargon and confusion They dither on the launch pad They hire too many consultants chase after too many fads It doesn't have to be that complicated Whatever your goal whatever your role Michael T Kanazawa and Robert H Miles introduce a simple practical 100% results driven approach that works Drawing on their experience working with hundreds of senior executives they show how to align your organization behind just a few core initiatives bias your people toward speed create leaders at every level and achieve traction and accountability in all facets of execution You'll learn how to engage people instead of frustrating them and harness their energy instead of wasting it Whether you're executing a new initiative entering a new market or attempting to transform your entire enterprise this book will help you find the right path clear the obstacles and get there surely and quickly Today's companies recognize that they must constantly improve at every level from frontline customer facing functions to enterprise wide strategy They must execute bold new strategic initiatives more effectively integrate and align acquisitions more quickly and accelerate and sustain growth in the face of unprecedented competition But wherever business transformation and breakthrough performance must occur many of the challenges are the same Now there's a breakthrough methodology for overcoming these challenges In *BIG Ideas to BIG Results* Michael T Kanazawa and Robert H Miles introduce the Accelerated Corporate Transformation ACT methodology A simple no nonsense process that is grounded in reality inclusive of people and

100% results oriented Drawing on over twenty years refining and applying ACT initially at Harvard Business School and then in leading enterprises Kanazawa and Miles identify crucial steps to success as well as practical solutions to the inevitable roadblocks you ll face Their 1 insight Many obstacles stem from managers making situations and decisions more complex than they really are and taking too much time to get ready ACT strips away complexity and indecision helping you move far more rapidly and predictably from strategy development through execution Designed by leaders for leaders this book will help you execute more rapidly and lead more effectively to achieve breakthrough performance at any level in any function in any organization Step by step leader driven techniques that work simply and quickly Business transformation and breakthrough performance without the confusion and complexity What leaders must know and do to succeed Making it happen from the inside out without hordes of consultants Conquer corporate gridlock at last Stay focused on what really matters instead of bouncing from one initiative to the next Rapidly engage the full organization to power up leadership at every level www.bigideastobigresults.com How We Give Now Lucy Bernholz, 2023-08-15 From Go Fund Me to philanthropy the everyday ways that we can give our money our time and even our data to help our communities and seek justice In How We Give Now Lucy Bernholz shows that philanthropy is more than writing a check and claiming a tax deduction For most of us the non wealthy givers philanthropy can be a way of living our values and fully participating in society We give in all kinds of ways shopping at certain businesses canvassing for candidates donating money and making conscious choices with our retirement funds We give our cash our time and even our data to make the world a better place Bernholz takes readers on a tour of the often overlooked worlds of participatory philanthropy learning from a diverse group of forty resourceful givers Donating our digitized personal data is an emerging form of philanthropy and Bernholz describes safe equitable and effective ways of doing so giving genetic data for medical research through a nonprofit genetics organization rather than a commercial one for example or contributing photographs to an online archive like the Densho Digital Repository which documents America s internment of 120 000 Americans of Japanese descent Bernholz tells us to follow the money however when we re asked to add a dollar to our total at the cash register or when we buy a charity branded product it s more effective to give directly than to give while shopping Giving is a form of participation Philanthropy by the rest of us across geographies and cultural traditions begins with and builds on active commitment to our communities
