Safeguarding Our Children ,2000 *Poison of Love Are We Frying Our Children's Brains?* Ruth Moss,2010 *Poison of Love* is a passionate heart wrenching novel about the life of one family their turbulent marriage and a horrible tragedy they

will soon have to face When Ellen Brown marries her college sweetheart she has no idea that her life journey is about to take a different course After supporting her new husband through Harvard Medical School with the agreement that she would then go to grad school she is tricked by him into getting pregnant not once but twice dashing her hopes for grad school Their third child comes along and soon tragedy occurs After having progressively severe reactions to the mandated childhood inoculations Anna suffers convulsions and becomes autistic This riveting novel deals with the serious nature of autism how it changes a family's life forever and questions whether the decline of America's educational level could be due to the massive amounts of inoculations given our children Indulging her gripping motivation to research and write a book to inform the world Ellen discovers facts that cannot stay hidden from the public Will Ellen stay with her handsome husband the doctor or will his unappreciative and insensitive ways finally have their toll on their marriage Poison of Love is a true to life novel that will both inform and engage the reader page after page

THE STEALING OF EMILY : (FATE OF CHILDREN THROUGH OUR COURT SYSTEM) Martin Newbold, 2024-05-04 Emily's mum her children and myself have been waiting for justice since she died which has not been coming in ten years Caused by what is now known as the Mathew Alexander Thorpe's Lost Children who was Lord Justice bought to end post 2018 An equal or more to the original Thorpe scandal Rest in Peace Catherine put to rest in 2011 I promise I will fight for our child to my demise This is a piercing account of a justice system that faltered at its core Through a three pronged or tripod approach the book examines the uncertified judge who presided over jurisdictional errors and an unlawful ruse allowing perjury and deception to taint the judgment This miscarriage of justice not only denied Emily her rightful place with her family but also reflected systemic failures with at least 80 similar cases slipping through the cracks The 2012 Final Report from the Council of the Inns of Court COIC Disciplinary Tribunals and Hearings Review Group sought to address these deep seated issues Under the leadership of Brigadier Tony Faith CBE 85 recommendations were implemented to restore confidence in the administration of justice Yet despite these reforms the wrong done to Emily remains unrectified leaving her family in a limbo of unfulfilled promises This is one man's harrowing story of frustration and determination as he battled for access rights to his young daughter following the death of their mother in East Sussex Incredibly this journey was more than fourteen years with countless communications ending in the PHSO The costs of this are estimated at a million pounds What should have been a simple dispute somehow resulted in a genuinely good man with true family values being slandered by the family courts who could not even press the start button on the stenograph to record the hearings Unlike others this has not gone public until now after reading two books on the subject based in 2006 and realising nothing had been updated despite statutory reviews required in law This is a truly shocking story that deserves to be read and heard
