and Life in Texas Kenneth L. Untiedt, 2017-12-15 There is sometimes a fine line between history and folklore This Publication of the Texas Folklore Society features articles that tell stories about real life characters from the historical past of Texas as well as offer personal reflections about life from diverse perspectives throughout the last century These contributors go beyond merely stating facts about dates or locations or names of the events and people that can be found in court documents or genealogical records several of these authors provide a very intimate connection to the tales they share These articles are not just about people that we read about as school children and they do not merely describe how our culture used to be or how vastly it has changed rather they emphasize the ways we keep our culture alive through the retelling of the events and customs and major figures that are important enough to pass on from one generation to the next The first section covers legendary characters like Davy Crockett Mody Boatright Sam Houston and Cynthia Ann Parker from our state s past as well as people who were bigger or bolder than others yet seem to have been forgotten Some of those characters came from different countries while others are connected directly to our Texas Folklore Society family tree The second section includes works that examine songs of our youth as well as the customs and social constructs associated with music whether it s on a football field or in a prison yard The works in the final section recall memories of a simpler time when cars and home appliances lacked modern conveniences we now take for granted before Facebook and YouTube allowed us to become Internet movie stars and when it was a treat just to go and visit with family and friends [Library of Congress Catalog](#) Library of Congress, 1970 [Catalog of Copyright Entries, Third Series](#) Library of Congress.
