**Sahara Splendor** Charlotte Hubbard,1993 A brazen beauty and a rugged rancher discover the splendor of rapturous loving When Sahara Caldwell inherits a ranch she also inherits a feisty partner whose magnetic virility makes her tremble with desire **Exhibitors Daily Review** ,1923 The Reader ,1906 **The Emory University Quarterly** ,1958

**Outlaw Moon** Charlotte Hubbard,1994 A mutual deception flames into a raging passion that can t be denied Jack Rafferty an outlaw who s on the run finds his fortune changed when he meets Amber LaBelle a bewitching gypsy with some sultry secrets of her own The Light Cassandra Dawn Hazlett,2013-07-22 The Light is a Christian based spiritual warfare fantasy that tells the story of hope faith and courage It takes courage to stand on the promises of God Faith is a true treasure from God if you believe God will do the impossible as he promised God can help us when trying times come May we celebrate God with a grander vision of who God is through this book with the gifts of creativeness that God has given to us all

**Kenya the Beloved** J. M. Ombati Simon,2012-08 Kenya the Beloved is a book written with love The book is about one man s love for his country Kenya It is about his vision and desire to see justice peace and freedom in his country In this book the author Job Ombati tries to remind his fellow countrymen where they have come from He tries to tell a story of their conquest of injustice and their development and progress that they made since independence As he takes you from the The Day Before he shows you how peaceful the country was before the arrival of the colonialist The book describes well how Kenyan people fought the colonialist and won their freedom It tells who was who and how they participated in the struggle Kenya The Beloved tells how white men came to Kenya as missionaries Visitors and turned to be colonialists It tells how hospitable Kenyans were to have welcomed the Visitors without knowing their hidden agenda After realizing that the Visitors had ill motives the Africans united against him and started a revolt This revolt did not take one face as many might think It took different people with different approaches to dismantle colonialism completely from Kenya This is an important point that the book raises because many other books have been written pointing to only one movement called Mau mau as being the only revolt that was used to oust colonialists Kenya the Beloved says that that is not entirely true The book also tells what was at stake and why the Africans of Kenya had to fight In wildlife the book tells that animals in Kenya were plenty and beautiful before and after the colonialists He then tells how even these animals fought for freedom like every other Kenyan The book illustrates how well and peaceful the country was before December 27 2007 when it says things fell apart Job does not leave you there stranded as to what to do next he gives you hope Job tells how things can be turned around for the better of all the people He says that even though things have gone terribly wrong people can still rise and mend fences for the future generation Above all this book is an historical account of some events and freedom struggle for the people of Kenya This is a book of hope It is a book that tells vividly the way some people think and the practical way of solving our many problems in the world Reading this book raises one s hope and inspires action for the common good of all humanity Job

Ombati believes that if all men can think positive if all men can start acting with love of one another the world will be a better place for all to live in It is with such kind of thinking that he wrote this small book *Kenya The Beloved* It will challenge and inspire you to the end
