Saigon For A Song The True Story Of A Vietnam Gig To Remember:

Saigon for a Song Reuben Noel, Nancy Noel, 1987 Saigon for a Song Reuben Noel, Nancy Noel, 1987 *Music and War in the United States* Sarah Kraaz, 2018-12-07 Music and War in the United States introduces students to the long and varied history of music's role in war. Spanning the history of wars involving the United States from the American Revolution to the Iraq war with contributions from both senior and emerging scholars, this edited volume brings together key themes in this vital area of study. The intersection of music and war has been of growing interest to scholars in recent decades, but to date no book has brought together this scholarship in a way that is accessible to students. Filling this gap, the chapters here address topics such as military music, commemoration, music as propaganda and protest, and the role of music in treating post-traumatic stress disorder (PTSD), enabling readers to come to grips with the rich and complex relationship between one of the most essential arts and the conflicts that have shaped American society. Armed with Abundance Meredith H. Lair, 2011-11-28 Popular representations of the Vietnam War tend to emphasize violence, deprivation, and trauma. By contrast, in *Armed with Abundance* Meredith Lair focuses on the noncombat experiences of U.S. soldiers in Vietnam, redrawing the landscape of the war so that swimming pools, ice cream visits from celebrities, and other comforts share the frame with combat. To address a tenuous morale situation, military authorities, Lair reveals, wielded abundance to insulate soldiers and, by extension, the American public from boredom and deprivation, making the project of war perhaps easier and certainly more palatable. The result was dozens of overbuilt bases in South Vietnam that grew more elaborate as the war dragged on. Relying on memoirs, military documents, and G.I. newspapers, Lair finds that consumption and satiety, rather than privation and sacrifice, defined most soldiers' Vietnam deployments. Abundance quarantined the U.S. occupation force from the impoverished people it ostensibly had come to liberate, undermining efforts to win Vietnamese hearts and minds and burdening veterans with disappointment that their wartime service did not measure up to public expectations. With an epilogue that finds a similar paradigm at work in Iraq, *Armed with Abundance* offers a unique and provocative perspective on modern American warfare. **The Vietnam War** James S. Olson, 1993-04-13 This is a scholarly assessment of broad-ranging research on the Vietnam War over the last seventeen years by the editor of the prize-winning *Dictionary of the Vietnam War*. James Olson and his contributors offer fascinating insights as they evaluate the significant literature, films, and TV programs, offering different perspectives on the historical background, strategy, and conduct of the war, the perspectives of Americans, the Indochinese, women, minorities, and veterans, the impact of the war on the homefront, and major problems and issues in the aftermath of the war. This one-volume major reference covers all genres of literature, primary and secondary sources, personal narratives, and oral histories, fiction and non-fiction, popular accounts, expert studies of military strategy and operations, Indochinese studies, books about the involvement and role of women and blacks, and discussions about Indochinese refugees, prisoners of war, those missing in action, veterans, and post-traumatic shock. Films, TV programs, comic books, and studies pointing to the

effect of the war on the homefront and on others make up an important part of the book A full index makes the volume easily accessible to students scholars and professionals in military studies American and world history American studies and popular culture political science and international relations an important acquisition for libraries of all kind America and the Indochina Wars, 1945-1990 Lester H. Brune, Richard Dean Burns, 1992 *Writing about Vietnam* Sandra M. Wittman, 1989 Within the last ten years a vast library of books has appeared on the Vietnam war and the events that surrounded the conflict This compilation presents succinctly annotated entries arranged by genre novels poetry short stories etc A section on teaching materials is included Annotation copyrighted by Book News Inc Portland OR **Subject Guide to Books in Print**, 2001 **Forthcoming Books** Rose Army, 1988-09 La corrupción en Colombia Fernando Cepeda Ulloa, 1997 *Paperbound Books in Print*, 1992 Southeast Asia Accessions List Cornell University.
