Sail Wee Ventures:

Sea Venture Kieran Doherty,2013-09-10 In one of the most triumphant high sea stories ever told Kieran Doherty brings to life the true story of the ship that rescued the Jamestown settlement in 1610 and ensured England's place in the New World When the Sea Venture left England in 1609 it was flagship in a fleet of nine bound for Jamestown with roughly 600 settlers and badly needed supplies aboard But after four weeks at sea as the voyage neared its end a hurricane devastated the fleet leaving the Sea Venture shipwrecked on the island of Bermuda It took Sea Venture's passengers nearly a year and half to reach their destination Awaiting them was not a thriving colony but instead the remaining fifty colonists beleaguered desperate and hungry But the question remains would the English have lost their place in the New World if the ship never arrived A story of strife and triumph but above all endurance Sea Venture begins and ends in hope and remains one of the greatest What Ifs in history With a bravado reminiscent of Patrick O'Brien's legendary sea sagas Doherty braves the elements delivering a powerful history willed by a people destined to change the New World forever *Hogg's Instructor*,1853
