Sailing Alone Around the World Joshua Slocum, 1948 *Sailing Alone Around the World and Voyage of the Liberdade* by Joshua Slocum, 1958 **Sailing Alone Around the World ; Voyage of the Liberdade** Joshua Slocum, 1996

Joshua Slocum, 1948 **Voyage of the Liberdade** Joshua Slocum, 2021-05-19

North America's best known sailor the first man to sail single highhandedly around the world Joshua Slocum is widely known for his *Sailing Around the World Alone* the story of his solo circumnavigation The *Voyage of the Liberdade* his first book is equally compelling In it he recounts his journey to Brazil and back he sailed down on the Aquidneck his own ship and returned on the *Liberdade* which he built there What happened Slocum describes sailing from port to port in Brazil trying to take in and deliver enough cargo on the Aquidneck to make her voyage profitable Through a series of mishaps he is saddled with a crew which turns out to be composed of brigands not sailors My pirates thought their opportunity had surely come to capture the Aquidneck and this they undertook to do The ringleader of the gang was a burly scoundrel whose boast was that he had licked both the mate and second mate of the last vessel he had sailed in and had busted the captain in the jaw Near midnight my wife who had heard the first footstep on deck quietly wakened me saying We must get up and look out for ourselves Something is going wrong on deck the boat tackle has been let go with a great deal of noise My first impulse was to step on deck in the usual way but the earnest entreaties of my wife awoke me like to a danger that should be investigated with caution Arming myself therefore with a stout carbine repeater and eight ball cartridges in the magazine I stepped on deck abaft instead of forward where evidently I had been expected Slocum who landed in jail for shooting a one of the mutineers eventually lost the Aquidneck on the reefs Not wanting to remain a castaway in Brazil he and his family built the *Liberdade* the ship that would bring them home Her dimensions being 35 feet in length over all 7 1 2 feet breadth of beam and 3 feet depth of hold who shall say that she was not large enough Her model I got from my recollections of Cape Ann dories and from a photo of a very elegant Japanese sampan which I had before me on the spot so as it might be expected when finished she resembled both types of vessel in some degree Her rig was the Chinese sampan style which is I consider the most convenient boat rig in the whole world This was the boat or canoe I prefer to call it in which we purposed to sail for North America and home Each one had been busy during the construction and past misfortunes had all been forgotten Madam had made the sails and very good sails they were too Join the self reliant and intrepid Slocum on his voyage and gain a glimpse into the romantic era that vanished when steam took over And perhaps his book will inspire you to follow in his footsteps in your own *Liberdade*

Sailing Alone Around the World Joshua Slocum, 1996 Slocum a naturalized American designed built provisioned and skippered his small sloop the *Spray* around the world in 1895 1898 This book chronicles various facets of the voyage from technical specifics of the ship and supplies to accounts of the people and places Slocum visited along his 46 000 mile journey

Voyage of the Liberdade Joshua Slocum, 2021-05-19 Captain Slocum's South American sailing adventure American

mariner Joshua Slocum is best remembered for his 1895 solo circumnavigation of the world and the bestselling book now a classic of sailing literature that ensued *Sailing Alone Around the World*. That epic voyage in the sloop *Spray* was not however Slocum's first great sailing adventure or the first of them which he recounted in a book. Following the loss of his ship off the coast of South America Slocum salvaged enough material from the wreckage to build another craft which he and his family sailed through the Caribbean to return to the United States. This brave little 35ft boat was launched on May 13th 1888 and named *The Liberdade* to celebrate on that same day the abolition of slavery in Brazil. Slocum has rarely been surpassed as a narrator of nautical adventures and the *Voyage of the Liberdade* is a riveting and essential companion work to *Sailing Alone around the World*. Leonaur editions are newly typeset and are not facsimiles; each title is available in softcover and hardback with dustjacket.

Sailing alone around the world, and Voyage of the Liberdade. Edited and with commentary by Walter Magnes Teller. (Third printing.). Joshua Slocum, Walter Magnes Teller, 1970 ***Sailing Alone Around the World and Voyages*** Joshua Slocum, 1970 *Sailing Alone Around the World* Joshua Slocum, 2014-02-05

A blue nose ancestry with Yankee proclivities. Youthful fondness for the sea. Master of the ship *Northern Light*. Loss of the *Aquidneck*. Return home from Brazil in the canoe *Liberdade*. The gift of a ship. The rebuilding of the *Spray*. Conundrums in regard to finance and calking. The launching of the *Spray*. In the fair land of Nova Scotia, a maritime province, there is a ridge called North Mountain overlooking the Bay of Fundy on one side and the fertile Annapolis valley on the other. On the northern slope of the range grows the hardy spruce tree, well adapted for ship timbers, of which many vessels of all classes have been built. The people of this coast, hardy, robust, and strong, are disposed to compete in the world's commerce, and it is nothing against the master mariner if the birthplace mentioned on his certificate be Nova Scotia. I was born in a cold spot on coldest North Mountain on a cold February 20, though I am a citizen of the United States, a naturalized Yankee, if it may be said that Nova Scotians are not Yankees in the truest sense of the word. On both sides my family were sailors, and if any Slocum should be found not seafaring, he will show

at least an inclination to whittle models of boats and contemplate voyages My father was the sort of man who if wrecked on a desolate island would find his way home if he had a jack knife and could find a tree He was a good judge of a boat but the old clay farm which some calamity made his was an anchor to him He was not afraid of a capful of wind and he never took a back seat at a camp meeting or a good old fashioned revival

Voyage of the Liberdade Joshua Slocum, 2008-12-01 His first book describing his adventures at sea Voyage of the Liberdade follows the early adventures on the high seas of American sailor JOSHUA SLOCUM 1844 1909 who would later become the first man to sail alone around the world First aboard the Aquidneck and then later the Liberdade and journeying from New York to Uruguay to Rio Slocum and his crew battle harsh weather sickness and murder as they ply their trade This is a real life adventure written by one of America's premier seamen will enthrall anyone interested in history adventure and sailing

Voyage of the Liberdade Captain Joshua Slocum, Slocum, 2014-04-13 Voyage of the Liberdade by Captain Joshua Slocum Classic True Sea Adventures Joshua Slocum February 20 1844 on or shortly after November 14 1909 was the first man to sail single handedly around the world He was a Nova Scotian born naturalised American seaman and adventurer and a noted writer In 1900 he wrote a book about his journey Sailing Alone Around the World which became an international best seller He disappeared in November 1909 while aboard his boat the Spray To get underweigh It was on the 28th of February 1886 that the bark Aquidneck laden with case oil sailed from New York for Montevideo the capital o Uruguay the strip of land bounding the River Plate on the east and called by the natives Banda Oriental The Aquidneck was a trim and tidy craft of 326 tons register hailing from Baltimore the port noted for clippers and being herself high famed above them all for swift sailing she had won admiration on many seas This literary craft of mine in its native model and rig goes out laden with the facts of the strange happenings on a home afloat Her constructor a sailor for many years could have put a whole cargo of salt so to speak in the little packet but would not so wantonly intrude on this domain of longshore navigators Could the author and constructor but box haul club haul tops l haul and catharpin like the briny sailors of the strand ah me and hope to be forgiven Be the current against us what matters it Be it in our favour we are carried hence to what place or for what purpose Our plan of the whole voyage is so insignificant that it matters little maybe whither we go for the grace of a day is the same Is it not a recognition of this which makes the old sailor happy though in the storm and hopeful even on a plank in mid ocean Surely it is this for the spiritual beauty of the sea absorbing man's soul permits of no infidels on its boundless expanse
