**Recruited** Matt Slimming, 2010-11-17 We all have gifts and talents Some are obvious but some are hidden and take a while to show themselves In *Recruited* each of three siblings cautiously start to perceive that they may have a special talent They are propelled on a journey which requires that they develop their gifts to supernatural levels Vicious and angry animals Yetis Pirates and a storm at sea all threaten their very lives Only with the powers of Light Speed and Strength will they be able to survive the battles that lie ahead In the process they uncover a life changing truth about the animal kingdom They learn that for centuries there has been an unseen war going on all over the earth the war between the Clean and Unclean animals On occasions this war has drawn humans into battle sometimes unknowingly There are even acts of violence and complicated strategies of defense going on right beneath their own noses in their own subdivision Everything that these children have known about their surroundings will be turned on its head Every few generations the Clean animals are able to recruit a human to help them in their quest to avoid annihilation Can one of these children equipped with their own amazing gift join this ancient battle If they become part of the struggle will they survive in this strange new existence One thing is for sure after this adventure the world around them will never seem boring again

**The Working Guide to Traditional Small-Boat Sails** David L. Nichols, 2014-06-09 Make your modern sailboat look and work like a salty classic The Golden Age of Sail is long past sadly and much of its lore is nearly extinct Sailboats now almost uniformly use the Bermudan sloop rig a triangular jib and a triangular mainsail But that rig evolved mainly to meet esoteric yacht racing measurement rules It is not necessarily the most efficient or effective rig This book lets sailors rediscover the practical advantages and the aesthetic delights of such configurations as the sprit sail the gaff sail the lug sail and the gunter rig It also includes valuable information on marlinspike work like rope whipping and eye splicing and tips on converting your modern sailboat to a traditional rig \_\_\_\_\_ Some reviews This will become the classic book on traditional rigs for small boats A concise and thorough compendium on using low cost and efficient traditional rigs the kind

that not only look better but work better on small boats than their modern counterparts Gary Blankenship Duckworks Magazine The traditional rigs here are the kind you ll find on the clinker plywood designs of Iain Oughtred and the like rigs with polyester sails and running rigging Tufnol blocks and stainless steel shackles Modern traditional boats if you ll forgive the phrase Similarly there s a nice mix of old and new the manner the material is presented old in the cleanliness of the page design new in the extensive use of colour close up photographs to illustrate details of the rigs Highly recommended Water Craft Magazine Mr Nichols does an excellent job of explaining the fundamentals in terms that are useful to old salts looking to tweak their rigs builders trying to figure out what s next and admirers of traditional design Good Old Boat **The**
