Popular Arthurian Traditions Sally K. Slocum, 1992 Scholars of popular culture turn their attention to various expressions of the Arthurian legend most from the 20th century with a more balanced consideration of women writers characters and critics than has traditionally been the case Among the topics are the image of Morgan Le Fay postmodern Arthur Mark Twain Joseph Campbell and several recent movies No index Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR **Messages from Heaven** Patricia Kirmond, 2020-02-10 What is heaven really like A recently departed soul speaks from heaven about his experiences on the other side The unseen author of this book tells us of life s true purpose and urges us to make the most of our sojourn on earth He warns us that we are fast approaching a turning point which could lead to an age of enlightenment and peace or to a future none of us wants to see If we act now we can still turn things around but we need help from heaven I have witnessed so many beautiful and amazing events on this side However I believe that my greatest opportunity is to urge you to see what you have where the planet is headed without intervention and how you can make a difference I feel an urgency to help people recognize the signs of the times This story of a soul s life after death will change the way you look at life and death **The Theory of Livevolution** Robert Roselli, 2008-11 There is a drive for a New World Order afoot and it s not an accident The modern day descendants of the Moneychangers and allied fake religious leaders or Pharisees of Jesus day are tying up some loose ends 2008 The introduction lays the groundwork for the rest of the book Section 1 posted on my website THEorYofLIVEvolution com for length purposes establishes the unique reality of Biblical Christianity This is very important since a firm belief in a benevolent Creator is the only thing that stands between us and Them at this point Section 2 points out the world is about to be plunged into a New World Order of Biblical proportions If you think this scenario is outlandish the free U S non coincidentally meets every one of the criteria for atheistic Communism listed in Marx s Communist Manifesto As Section 3 discusses what They have planned for you on Mother Earth

if you're worthy of evolution at least is the Nazis on steroids My name is Robert Roselli and I am a licensed professional engineer in three states and hold an MS degree in civil engineering I say this only to establish myself as a logically and scientifically grounded thinker I desire no fame or profit for this endeavor Any monies collected from this book beyond personal expenses will be donated equitably to links that appear at the end of my website site Let this book be the introduction into the way the world really works and detox much of the Orwellian re-education we've all been fed by the establishment owned education system and mainstream news After you're done reading this introduction to the way the world really works please spend some time on my website and related links to keep abreast of our steadily unraveling descent Into the Mouth of Madness **The Great White Brotherhood in the Culture History and Religion of America** Elizabeth Clare Prophet, 1976 This insightful book reveals the little known role of the masters of wisdom who work together with their students to fulfill the cosmic destiny of the millions of souls evolving on the planet earth **Teachings from the Mystery School, the Healing Power of Angels** Elizabeth Clare Prophet, 1987 **Channeling** Joel Bjorling, 2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult **Beyond Religion and the Secular** Wayne Hudson, 2022-11-17 Deploying a distinctive disaggregative approach to the study of religion this volume shows that spiritual movements with extensive counterfactual beliefs have been much more creative than one might expect Specifically Wayne Hudson explores the creativity of six spiritual movements the Bahá'í a Persian movement Soka Gakkai a Japanese movement Ananda Marga and the Brahma Kumaris two reformed Hindu movements and two controversial American churches The Church Universal and Triumphant and the Church of Jesus Christ of Latter-day Saints Most of these movements have counterintuitive features that have led Western scholars making Enlightenment assumptions to dismiss them as irrational and/or inconsequential However this book reveals that these movements have responded to modernity in ways that are creative and practical resulting in a wide range of social educational and cultural initiatives Building on research surrounding the ways in which spiritual movements engage in cultural productions this book takes the international research in a new direction by exploring the utopian intentionality such cultural productions reveal *The Lost Teachings of Jesus* Mark L. Prophet, Elizabeth Clare Prophet, 1986 Mark and Elizabeth Prophet show that many of Jesus' original teachings

were lost Some were removed from the Gospels Others were suppressed or kept secret In modern vernacular the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message They answer questions that have puzzled readers of the Bible for centuries **Routledge Library Editions: Spiritualism** Various,2022-07-30 The volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology **Saint Germain** Elizabeth Clare Prophet,1990-03 Sacred Schisms James R.
