Santa Claus: Is He For Your Child? John L. Hoh, Jr.,2001-04-05 Who is Saint Nicholas Who is Santa Claus How are the two related This book looks at the history of the legends of St Nicholas and how he evolved in America to Santa Claus Primarily this book seeks to point out the anti Christian message of St Nick Santa Claus Christmas is a celebration of the

Lord of the universe coming to earth to take our place in death to pay for our sins Scripture records that our salvation is by faith not by works lest anyone should boast Meanwhile Santa waddles onto the Yuletide scene by warning children that they better be good or they will not get any presents Throughout the ages St Nick has been used as a political pawn as a spokesperson for a particular product or service and as a model of what the Church and any well meaning Christian must do for others However St Nicholas of legend is recorded as uttering legalistic advice to those he meets He never comforts or assures with the rich Gospel message nor does he give glory to God for any miracles he performs This book sets out to teach parents about the truth of this jolly elf In educating parents the message may help them determine to what extent they play the Santa game with their children Like Virginia O Hanlon we live in a cynical age Santa has lost much of his luster In the movies we have a serial killer Santa and Santa s that curse and swear We see Santas that are impatient with the young charges who come to sit on their lap and request their presents Tim Burton s T was the Nightmare Before Christmas portrays a Santa who scares and frightens young children On college campuses and in many workplaces A Visit From Saint Nicholas is reworked and reworded to portray an alcoholic oaf who barges in on Christmas Eve In song Santa s uncontrollable reindeer run down grandma Teenagers rework Rudolph the red nose reindeer as surprise an alcoholic Regional groups often have humorous songs at Santa s expense that often put the jolly elf in a bad light The legends and myths of Santa are seen as fraudulent The expectations of the elf for us mortals are seen as unapproachable The promises and threats are seen as empty and hollow The cynicism of this caricature is certainly in place Read the review at BookIdeas.com [The Loveliest Christmas Legends](#) Selma Lagerlof,Robert Louis Stevenson,Leo Tolstoy,Henry Van Dyke,Cyril William Winterbotham,Steven Arnold King,Eugene Field,Henry Wadsworth Longfellow,George Harley McKnight,Eleanor L.
