**Sacred Origins of Profound Things** Charles Panati, 1996-12-01 In this enlightening and entertaining work Charles Panati explores the origins of hundreds of religious rituals customs and practices in many faiths the reasons for religious holidays and sacred symbols and the meanings of vestments sacraments devotions and prayers Its many revelations include Why the Star of David became the Jewish

counterpart of the Christian cross What mortal remains of the Buddha are venerated today How the diamond engagement ring became a standard That the first pope was a happily married man How Hindu thinkers arrived at their concept of reincarnation Why Jews don't eat pork why some Muslims don't eat certain vegetables and how some Christians came to observe meatless Fridays Sacred Origins of Profound Things is an indispensable resource for all those interested in the history of religion and the history of ideas and an inspiring guide to those seeking to understand their faith *Powerful Catholic Prayers, Sacramentals, and Devotionals* Steve Margala, 2019-01-22 Are You Protected from Evil Your personal guide on the use of highly effective sacramentals devotions and prayers as a means of protection of body and soul aiding in one's salvation and getting your prayers answered quickly Throughout the ages many of these practices have been forgotten and been under attack from the enemies of religion fighting hard to suppress them In this captivating and mind blowing book Steve Margala Catholic author researcher military veteran and photographer who is an expert at educating people on the dangers of the occult delves deep into medieval history and old church documents to reintroduce these precious sacramentals devotionals and prayers to the modern world Just some of the topics covered are Saints who promised at their deaths to aid those who call upon them Sacramentals that bring about safe travels for you and your family Effective sacramentals which combat sickness and disease and can bring about cures The sacramental that's proven time and time again to rid haunted houses and break curses The most powerful devotion that breaks addictions decreases sin and will put you on the fast track to salvation The sacramentals that bring people into the church when given to them by others The sacramentals that can protect your vehicles and home from thieves plagues fires hurricanes tornadoes and ones that can bring about good weather St John Vianney tells us the sacramental that makes all of hell tremble and protects one from the vengeance of heaven True stories and accounts of miracles attributed to the sacramentals found in this book Other interesting subjects covered here are What types of punishments go on in Purgatory Will the souls in Purgatory that we pray for act on our behalf when we are judged What simple ways can we avoid going to Purgatory ourselves Has the Holy Grail been found Does it contain the green emerald mentioned in Ezek 28:13 Interesting religious occurrences in nature that happen every year at certain times Will your prayer have a better chance of being answered if you promise or vow that you will do something in return if your prayer is granted And much more This book flows along in an easy to read format It will keep you interested while covering many interesting important topics that most people in today's Catholic world were never taught in Church nor Sunday school catechism class This work will inspire all who read it encouraging and firing up one's religious fervor and increasing within them a deeper appreciation for God and His Holy Mother Church No other Catholic book like this has ever been written **Demons on the Couch** Michael J. Sersch, 2019-01-03 Belief in possession including from demonic forces has ancient roots and continues into the modern world especially among certain communities This has been shown in books movies places of worship and in the therapy office This book traces the global history of possession and

looks at ways contemporary mental health professionals can help a person who believes themselves to be possessed Written especially for clinicians but interesting to a wide variety of readers this book uses a variety of disciplines including cultural studies psychology and personal experiences to try and understand the phenomenon from as wide a perspective as possible including interviews with exorcists from various backgrounds Both believers and sceptics will find this to be a fascinating study of a controversial topic Enduring Legacies Arturo J. Aldama, Elisa Facio, Daryl Maeda, Reiland Rabaka, 2011-05-18

Traditional accounts of Colorado's history often reflect an Anglocentric perspective that begins with the 1859 Pikes Peak Gold Rush and Colorado's establishment as a state in 1876 Enduring Legacies expands the study of Colorado's past and present by adopting a borderlands perspective that emphasizes the multiplicity of peoples who have inhabited this region Addressing the dearth of scholarship on the varied communities within Colorado a zone in which collisions structured by forces of race nation class gender and sexuality inevitably lead to the transformation of cultures and the emergence of new identities this volume is the first to bring together comparative scholarship on historical and contemporary issues that span groups from Chicanas and Chicanos to African Americans to Asian Americans This book will be relevant to students academics and general readers interested in Colorado history and ethnic studies **Did They Rest in Peace?** Joseph

William Lewis Jr. M.D., 2018-10-18 Ashes to ashes dust to dust By what miracle can an assortment of seemingly unrelated particles come together and correctly assemble to form a human being Amazingly once aggregated these atoms molecules and compounds manage to interact reasonably coherently during our lives but seek to return to their dusty state when death occurs Of the billions of our species who have existed on earth over the millennia most have quietly and inexorably returned to ashes and dust when their term of life expired This book tracks some of the misadventures of selected corpses including burials that went awry to body snatching exhumations human relic collection and assorted desecrations Over the years it seems that a remarkable number of bodies have failed to enjoy the admonition to Rest in Peace Whether these aberrations in the burial process have disturbed the afterlife of the departed everyone is dying to discover the answer **Gods of the City**

Robert A. Orsi, 1999-07-22 Book Review Martin Scorsese Vincent LoBrutto, 2007-11-30 Martin Scorsese's current position in the international film community is unrivaled and his name has become synonymous with the highest standards of filmmaking excellence He is widely considered America's best living film director and his *Taxi Driver* and *Raging Bull* appear frequently on worldwide surveys of the best films of all time Here in the first biographical account of this artist's life Vincent LoBrutto traces Scorsese's Italian American heritage his strict Catholic upbringing the continuing role of religion in his life and art his obsessive love of cinema history and the powerful impact that the streets of New York City had on his personal life and his professional career Meanwhile the filmmaker's humble soft spoken public persona tells only part of the story and LoBrutto will delve into the other side of a complex and often tortured personality Scorsese's intense passion his private relationships his stormy marriages and his battles with drugs and depression are all chronicled here and in many cases for

the first time In addition the book includes an interview with the director as well as filmographies cataloging his work as a director producer actor and presenter As his Best Director award at the 2007 Oscars clearly demonstrated Scorsese has become something like Hollywood royalty in recent years finally enjoying the insider status and favor that eluded him for most of his career But these recent developments aside Scorsese is also notable as a distinctly American type of artist one whose work created in a medium largely controlled by commercialism and marketing has always been unmistakably his own and who thus remains a touchstone of artistic integrity in American cinema In *Martin Scorsese A Biography* readers can examine not only the work of one of the form's genuine artists but also the forces that have propelled the man behind it

**Enchanted Forests** Boria Sax, 2023-09-24 Linking literature philosophy art and personal experience a moving exploration of the wooded landscape's power In 1985 Boria Sax inherited an area of forest in New York State which had been purchased by his Russian Jewish and Communist grandparents as a buffer against what they felt was a hostile world For Sax in the years following the woodland came to represent a link with those who currently live and had lived there including Native Americans settlers bears deer turtles and migrating birds In this personal and eloquent account Sax explores the meanings and cultural history of forests from prehistory to the present taking in Gilgamesh Virgil Dante the Gawain poet medieval alchemists the Brothers Grimm Hudson River painters Latin American folklore contemporary African novelists and much more Combining lyricism with contemporary scholarship Sax opens new emotional intellectual and environmental perspectives on the storied history of the forest

A Terrible Fall of Angels Laurell K. Hamilton, 2022-06-28 Angels walk among us but so do other unearthly beings in this brand new series by 1 New York Times bestselling author Laurell K Hamilton Meet Detective Zaniel Havelock a man with the special ability to communicate directly with angels A former trained Angel speaker he devoted his life to serving both the celestial beings and his fellow humans with his gift but a terrible betrayal compelled him to leave that life behind Now he's a cop who is still working on the side of angels But where there are angels there are also demons There's no question that there's evil at work when he's called in to examine the murder scene of a college student but is it just the evil that one human being can do to another or is it something more When demonic possession is a possibility even angelic protection can only go so far The race is on to stop a killer before he finds his next victim as Zaniel is forced to confront his own very personal demons and the past he never truly left behind The first in a new series from the author of the Anita Blake and Merry Gentry series

Santería Enthroned David H. Brown, 2021-10-24 Ever since its emergence in colonial era Cuba Afro-Cuban Santería or Lucumí has displayed a complex dynamic of continuity and change in its institutions rituals and iconography Originally published in 2003 *Santería Enthroned* combines art history cultural anthropology and ethnohistory to show how Africans and their descendants have developed novel forms of religious practice in the face of relentless oppression Focusing on the royal throne as a potent metaphor in Santería a belief and practice it shows how negotiations among ideologically competing interests have shaped the religion's symbols rituals and institutions

from the nineteenth century to the present Rich case studies of change in Cuba and the United States including a New Jersey temple and South Carolina s Oyotunji Village reveal patterns of innovation similar to those found among rival Yoruba kingdoms in Nigeria Throughout the book argues for a theoretical perspective on culture as a field of potential strategies and usable pasts that actors draw upon to craft new forms and identities a perspective that will be invaluable to all students of the African Diaspora

*Hair-A-Baloo* Patricia Wynn Brown, 2005-05 HAIR sterical Hair A Baloo will make you laugh and cry much the way you do on your worst hair day Who needs Dr Phil when we have Patricia Wynn Brown the hair doctor Her wit and wisdom make us realize that hair really does make the world go round Tim Bete Director of the Erma Bombeck Humor Conference and author of *In the Beginning There Were No Diapers* Hair A Baloo proves it It s all about the hair Hair can make us laugh cry and a single strand can send us to prison for life Who hasn t experienced a touch of hair envy or left the hair salon with a poodle perm We spend so much time with the mops on top of our heads that it s become a subject for movies musicals and gossip columns We copy celebrity hairstyles spend hundreds on hair products and constantly concoct homemade hair treatments in our kitchen Hair has even played a major role throughout history Who could forget Samson and Delilah or the 1920s when every woman in America wanted to bob her hair This forty billion dollar industry is given the royal treatment with Brown s wicked sense of humor Take a break from the blow dryer and curl up with Hair A Baloo
