Breach of Faith Jed Horne, 2008-07-15 Hurricane Katrina shredded one of the great cities of the South and as levees failed and the federal relief effort proved lethally incompetent a natural disaster became a man-made catastrophe As an editor of New Orleans daily newspaper the Pulitzer Prize winning Times Picayune Jed Horne has had a front row seat to the unfolding drama of the city's

collapse into chaos and its continuing struggle to survive As the Big One bore down New Orleanians rich and poor black and white lurched from giddy revelry to mandatory evacuation The thousands who couldn't or wouldn't leave initially congratulated themselves on once again riding out the storm But then the unimaginable happened Within a day 80 percent of the city was under water The rising tides chased horrified men and women into snake filled attics and onto the roofs of their houses Heroes in swamp boats and helicopters braved wind and storm surge to bring survivors to dry ground Mansions and shacks alike were swept away and then a tidal wave of lawlessness inundated the Big Easy Screams and gunshots echoed through the blacked out Superdome Police threw away their badges and joined in the looting Corpses drifted in the streets for days and buildings marinated for weeks in a witches brew of toxic chemicals that when the floodwaters finally were pumped out had turned vast reaches of the city into a ghost town Horne takes readers into the private worlds and inner thoughts of storm victims from all walks of life to weave a tapestry as intricate and vivid as the city itself Politicians thieves nurses urban visionaries grieving mothers entrepreneurs with an eye for quick profit at public expense all of these lives collide in a chronicle that is harrowing angry and often slyly ironic Even before stranded survivors had been plucked from their roofs government officials embarked on a vicious blame game that further snarled the relief operation and bedeviled scientists striving to understand the massive levee failures and build New Orleans a foolproof flood defense As Horne makes clear this shameless politicization set the tone for the ongoing reconstruction effort which has been haunted by racial and class tensions from the start Katrina was a catastrophe deeply rooted in the politics and culture of the city that care forgot and of a nation that forgot to care In Breach of Faith Jed Horne has created a spellbinding epic of one of the worst disasters of our time

Stories of the Saints for Children. The Black Letter Saints Mrs. Molesworth, 1892 *The Articles of Faith: A Series of Lectures of Christ of Latter-Day Saints* James E. Talmage, 2016-09-07 The lectures herewith presented have been prepared in accordance with the request and appointment of the First Presidency of the Church The greater number of the addresses were delivered before the Theology Class of the Church University and after the close of the class sessions the lectures were continued before other Church organizations engaged in the study of theology To meet the desire expressed by the Church authorities that the lectures be published for use in the various educational institutions of the Church the matter has been revised and is now presented in this form In anticipation of probable question or criticism regarding the disparity of length of the several lectures it may be stated that each of the addresses occupied two or more class sessions and that the present arrangement of the matter in separate lectures is rather one of compilation than of original presentation The author's thanks are due and are heartily rendered to the members of the committee appointed by the First Presidency whose painstaking and efficient examination of the manuscript prior to the delivery of the lectures has inspired some approach to confidence in the prospective value of the book among members of the Church The committee here referred to consisted of Elders Francis M Lyman Abraham H Cannon and Anthon H Lund of the Quorum of the Twelve Apostles Elder George

Reynolds iv one of the Presidents of the Presiding Quorum of Seventy Elder John Nicholson and Dr Karl G Maeser The lectures are now published by the Church and with them goes the hope of the author that they may prove of some service to the many students of the scriptures among our people and to other earnest inquirers into the doctrines and practices of the Church of Jesus Christ of Latter day Saints James E Talmage *A Study of the Articles of Faith* James Edward Talmage,1924

Talmage,2020-12-17 The Articles of Faith A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter day Saints is book by James E Talmage about doctrines of The Church of Jesus Christ of Latter day Saints LDS Church The name of the book is taken from the LDS Church s Articles of Faith an 1842 creed written by Joseph Smith Talmage decided to use Smith s Articles of Faith as an outline of his work He first delivered the material that he would organize into a book in a series of lectures delivered in 1893 at Latter day Saints University in Salt Lake City Utah which Talmage was the president of at the time Articles of Faith is a Mormon classic and for many years it was among the few non scriptural works that full time LDS Church missionaries were asked to study Library Journal ,2006 **Articles of Faith: Being a Consideration of the Principal Doctrines of the Church of Jesus Christ of Latter-day Saints** James E.

Talmage,2012-04-01 Articles of Faith is considered one of the classics in Latter day Saint literature It is the outgrowth of a series of lectures in theology given by Dr James E Talmage commencing in October of 1893 At that time Dr Talmage was serving as the president of the LDS College in Salt Lake City The First Presidency of the Church invited Dr Talmage to prepare a text for use in Church schools and religion classes The book was first published in 1899 It has since been published in thirteen foreign languages and been through more than fifty English editions It was last revised by the author in 1924 at which time it was consistent with the organization and practices of the Church as they existed in his day **Storytellers, Saints, and Scoundrels** Kirin Narayan,2011-11-29 Swamiji a Hindu holy man is the central character of Storytellers Saints and Scoundrels He reclines in a deck chair in his modern apartment in western India telling subtle and entertaining folk narratives to his assorted gatherings Among the listeners is Kirin Narayan who knew Swamiji when she was a child in India and who has returned from America as an anthropologist In her book Narayan builds on Swamiji s tales and his audiences interpretations to ask why religious teachings the world over are so often couched in stories For centuries religious teachers from many traditions have used stories to instruct their followers When Swamiji tells a story the local barber rocks in helpless laughter and a sari wearing French nurse looks on enrapt Farmers make decisions based on the tales and American psychotherapists take notes that link the storytelling to their own practices Narayan herself is a key character in this ethnography As both a local woman and a foreign academic she is somewhere between participant and observer reacting to the nuances of fieldwork with a sensitivity that only such a position can bring Each story s reproduced in its evocative performance setting Narayan supplements eight folk narratives with discussions of audience participation and response as

well as relevant Hindu themes All these stories focus on the complex figure of the Hindu ascetic and so sharpen our understanding of renunciation and gurus in South Asia While Storytellers Saints and Scoundrels raises provocative theoretical issues it is also a moving human document Swamiji with his droll characterizations inventive mind and generous spirit is a memorable character The book contributes to a growing interdisciplinary literature on narrative It will be particularly valuable to students and scholars of anthropology folklore performance studies religions and South Asian studies
