Blackwell Ltd,1926 **Lionheart** Douglas Boyd,2014-02-01 When people think of Richard the Lionheart they recall the scene at the end of every Robin Hood epic when he returns from the Crusades to punish his treacherous brother John and the wicked Sheriff of Nottingham In reality Richard detested England and the English was deeply troubled by his own sexuality and was noted for greed not generosity and for murder rather than mercy In youth Richard showed no interest in girls instead a taste for cruelty and a rapacity for gold that would literally be the death of him To save his own skin he repeatedly abandoned his supporters to an evil fate and his indifference to women saw the part of queen at his coronation played by his formidable mother Queen Eleanor His brief reign bankrupted England twice destabilised the powerful empire his parents had put together and set the scene for his brother s ruinous rule So how has Richard come to be known as the noble Christian warrior associated with such bravery and patriotism Lionheart reveals the scandalous truth about England s hero king a truth that is far different from the legend that has endured for eight centuries
