Sales Strategy The Next Generation Of Sales Solutions:

Sales Strategy Eckardt C. Beck, 1989 *5G and Next-Gen Consumer Banking Services* Krunoslav Ris, PhD, 2021-12-22

The future has already begun. The banking industry needs to adjust or it will disappear in the next decade. With the help of 5G, next-generation intelligent ATM-like devices will have highly integrated functions and use technologies such as artificial intelligences, assisted self-service, contactless interfaces with facial recognition and digital signatures. This book focuses on new experiences that clients can expect when connected to a 5G network with a 5G device. By 2022, we hope that 5G will drive accelerated mBanking growth, power augmented reality, virtual reality, make video shopping experiences more widespread and compelling, enable banks to deploy highly personalized customer service experiences, support time-sensitive banking applications like online stock trading where milliseconds can determine a gain or loss, improve security and fraud prevention by computing and exchanging more data traveling between parties in real time, enhance mPOS transactions and utilization. 5G holds the potential to accelerate mobile point of sale, mPOS transaction processing time and improve connectivity. In order to explore these topics, this book covers decentralization of the banks, banking without banks. 5G will change the modern banking industry. Blockchain adoption by the banking industry.

The Innovative Seller Jake Dunlap, 2024-04-02

Practical and straightforward solutions to everyday sales challenges.
