## Salt Point:

**The Salt Point** Paul Russell, 2000-09-09 From the award winning author of *The Coming Storm* comes the brilliantly conceived and precisely rendered novel *The Salt Point* a compelling novel of four people and their intermingled and unwinding desires Anatole loves Leigh Our Boy of the Mall a great adolescent beauty Leigh is sleeping with Lydia Anatole's best friend who's fighting turning thirty Chris once the stunning object of Anatole's desire is an unscrupulous friend to all and known to none Set in a Poughkeepsie mall the Main Street to a new generation *The Salt Point* follows Anatole Leigh Chris and Lydia as they achieve their oddly triumphant lives redolent with loss and hope humor and sadness union and alienation As promises are diminished and futures are abandoned all four hurtle toward that place in which the nature of things is transmuted a place not unlike the salt point that unfixed location in the Hudson River where fresh water turns salty

Porter, 1982 In 1980 and 1981 the Cultural Resource Management Unit of the Department of Parks and Recreation undertook investigations of the cultural resources of the area northwest of Gerstle Cove The research was part of the Department's planning for construction of a parking lot fish cleaning station and shower facility on a recorded Native American habitation site Concern for the archeological historical and ethnographical resources of the affected area and of the entire park unit generated a multi disciplinary study of those resources by state archeologists a state historian and a Native American consultant Historical research began with review of earlier accounts of the history of Salt Point State Park The present report elaborates on some topics introduced in the earlier works without referring to others e.g. shipwrecks This report also expands coverage to the entire region of the north Sonoma coast Salt Point and Fisk's Mill both now included within Salt Point State Park were not isolated independent settlements but were units of a larger north coast community that included the other coastal shipping points of Fort Ross Timber Cove and Stewart's Point and the ridge settlements of Plantation and Seaview Henry's Hotel The people of the community were bound by ties of social economic and commercial interdependence that must be explained in any history of Salt Point State Park An expanded history of the area should also be useful to the Department in case of future land acquisition Although an arbitrary cut off date 1890 is a convenient stopping place for this report since it is well past the most active period of Salt Point's history the years between 1853 and
