Christgau put together came to be called the Whiz Kids for the way they rocketed up and down the court led by Michael and invariably winning Michael and the Whiz Kids tells the story of the team's 1968 championship season. It is a tale of cliffhanger games and players as outsized in character as they are short in stature from the wild haired bespectacled Professor to the well traveled Latvian dubbed Suitcase to the quiet and tenacious Salt as in of the earth. But it is also a tale of the time of counterculture suburbia integration and racial brawls erupting on the court. In Christgau's deft telling it is an absorbing often comic story of coming of age for coach and Whiz Kids alike.
