ALY O'NEILL

Salt Poems:

Salt. Nayyirah Waheed, 2013-09-24 Poems **POEMS WORTH THEIR SALT; TEARS, TIDE AND TIME** ALY O'NEILL, 2017-06-15 This debut collection was written during the last three years Poems Worth Their Salt Tears Time And Tide expresses the influence and experiences that run through this poetry collection There are very few things salt water cannot fix with tears and tide Living by the sea makes you a little more Zen hold on the tide always turns Sometimes time itself is the greatest healing factor of all Aly O'Neill **Salt** Liz Tilton, 2009 No further information has been provided for this title **Salt** Mary Ann Maggiore, 1989 The Salt in His Kiss Alfa, 2019-10-08 From the author of I Find You In the Darkness a brand new poetry collection about love longing and one woman's everlasting connection to the sea My soul reminds me that I am a Mermaid A woman who longs to be held by the sea Beloved contemporary poet Alfa is back with a collection of all new poems celebrating strength and female empowerment With more than 180 poems focusing on resilience inner strength and self love The Salt in His Kiss celebrates the fantastic creature inside every woman **Poems of nature, selected and ed. by H.S. Salt and F.B. Sanborn** Henry David Thoreau, 1895 *Why the Sea is Salt* Kirkpatrick Sale, 2001-03-22 This volume of Kirkpatrick Sale's poetry the first to bring together his work of over twenty years is unusual in two important ways First the poetry is for the most part traditional in form with rhyme and rhythm though the lengths and metric schemes are often inventive In an age dominated by free and sometimes wholly unpoetic verse like playing tennis with the net down as Robert Frost famously said these poems for the most part adhere to conventional lyric principles and stand out as examples of how fluid and unforced the language can be even as it follows those strictures Second the subject matter of almost all the poems is deeply personal with intimate portraits of the most basic and sometimes the most anguishing emotions This represents a side of the author that has never been on display so completely before though those familiar with his historical and critical works will see in them resonances of the same sensibility and passion Thus while it is unusual to see an author noted for historical writing and a critique of the modern industrial epoch explore so intimately the sense and sensibility of an individual feeling like love Sale has previously written of the need for an impassioned relationship to the earth as a necessary fundamental of an ecological society Some previous critical assessments of Sale's work Acute and tough minded Larry McMurtry I am filled with admiration Joseph Heller Poems of the highest order and deepest passion John Paulits Lucid vigorous a delight The New Yorker **Kith and kin, poems of animal life, selected by H.S. Salt** Kith, Henry S. Salt, 1901 **Salt** Susan Howe, 2013 Poets living in the American West often muse about the rolling cheatgrass gnarled stands of scrub oak winding horseshoe cliffs the scent of freshly cut ponderosa and even the occasional mountain hardened rustler shielding himself against a grey winter squall Howe's poems are Western but unmistakably modern drawn from the astute observation of humanity of both rural and urban settings Her weekly commute from the heart of Sanpete County to Utah Valley causes her to reflect on her culture and to contemplate recent events as she winds through

the long broad canyons She sees an occasional deer chased from the road pinyon jays and magpies She thinks about death marriage blood and yes even the dreamy and occasionally steamy country girl s attraction to men In her verse she journeys into the psyche of several women Charles Dickens s wife Catherine Charlotte Bront an Argentine woman who unknowingly carried a fetus for several years a woman whose pet snake tried to squeeze her to death She recalls the rhododendrons of Kew Gardens the house of Shakespeare s grandmother the sheep of Ireland and the dogs of the Sierra Madres but mostly she writes about the Mountain West and her home there Water & Salt Lena Khalaf Tuffaha,2017 The poems in *Water Salt* travel across borders between cultures and languages between the present and the living past *Salt-water Poems and Ballads* John Masefield,1928 In the Salt Marsh Nancy Willard,2006-03-14 In this strong appealing collection Nancy Willard shares her passion for observing the mysteries of the natural world particularly the flora and fauna of Cape Cod and the Hudson Valley where many of these poems are set We see through her eyes the coming of darkness to an empty orchard the retreat of deer at dusk and the breakup of a river with the onset of spring Willard is also deeply engaged with the living creatures that populate her world Her poems record her encounter with a moon snail and her celebration of the ladybugs she sends into the garden and the butterflies that alight on her shoulders like ghostly kisses Amid poems about the intimate presence of nature are expressions of absences deeply felt Willard is drawn not just to the inhabited world but also to the empty spaces with which our passage through life is strewn In *The Absence* at the Swing a rabbit watches a swing s back and forth motion just after the children have left the playground in *Niche* Without Statue she takes us to an alcove scoured to stucco light and tells us Somebody lived here Stepped away No tracks We learn too of the presences she misses most deeply as in *Phone Poem* in which she imagines receiving a telephone call from her father after his death Whether she is cultivating a sense of the life that is all around her or attending to the losses felt within Nancy Willard never ceases to enchant us with the sense of dedication and awe that graces her verse **The Salt Garden** Howard Nemerov,1955 **Salt** Amber D. Tran,2018 Pays homage to those born and raised in the Appalachia Air and Salt Eve Shelnutt,1983 A collection of poetry by Eve Shelnutt **Ancient Salt** Andrew Frisardi,2022-07-12 Andrew Frisardi s essays in *Ancient Salt* are about several modern and contemporary poets British American and Italian Frisardi offers close readings of these poets and considers their work in light of the challenges of living and writing amid the extraordinary transformations of the modern era Some of the poets are religious some are agnostic or perhaps atheist but all of them articulate a human poetic response to modernity its pluralism mobility scientific discoveries innovations and unprecedented global awareness as well as its rootlessness fragmentation dehumanizing mechanization materialism environmental catastrophes and even systematic genocide The subjects of the essays are Scottish poet Edwin Muir 1887 1959 Italian modernist Giuseppe Ungaretti 1888 1970 Irish poet W B Yeats 1865 1939 Welsh poet Vernon Watkins 1906 1968 English poet and Blake scholar Kathleen Raine 1908 2003 English poet editor Peter Russell 1921 2003 American poet and Alaskan homesteader John Haines 1924 2011 English poet Richard

Berengarten formerly Burns 1943 and American poet critic David Mason 1954 Frisardi's accessible style and extensive knowledge of the thought and learning of these poets as well as of the craft of poetry makes these essays substantial nourishment for poetry lovers and students

The Salt Hour J. P. White, 2001 With this dazzling collection J P White embarks on a windswept journey through seductive treacherous waterways Conveying a stormy sense of place defined less by geography than by the push and pull of the mind at odds with circumstance these bracing poems plumb the depths of the sea and of the human heart in muscular graceful language A restless traveler who takes us from England and Russia to Nicaragua and the Caribbean White pushes beyond the boundaries of the lyric narrative tradition to let more of the world more flux of the larger human condition rush in As *The Salt Hour* wends its way from Lake Erie to the Sea of Cortez from the Aegean Sea to ice choked Baffin Bay White reveals the electric clash of public and private in the natural and human worlds a teenaged boy face to face with the blue skinned sideshow freak who reminds him of himself a late shift utility worker catastrophically distracted by an angel in black lace and high heels the perilous first leap of seal pups into the black merciless water Drenched in color almost achingly vivid *The Salt Hour* evokes the very salt breath of the sea together with the poet's need for connection with the shore
