Salton Killings:

The Salton Killings Sally Spencer, 1999 When the body of teenager Diane Thorburn is found buried in a salt store in Chester Chief Inspector Woodend is drafted in from London to investigate The inquiry turns up the death of another girl a generation ago and the similarities in the two cases begin to look more sinister than coincidence **Killings** Calvin Trillin, 2018-02-06 True stories of sudden death in the classic collection by a master of American journalism Reporters love murders Calvin Trillin writes in the introduction to Killings In a pinch what the lawyers call wrongful death will do particularly if it s sudden Killings first published in 1984 and expanded for this edition shows Trillin to be such a reporter drawn time after time to tales of sudden death But Trillin is attracted less by violence or police procedure than by the way the fabric of people s lives is suddenly exposed when someone comes to an untimely end As Trillin says Killings is more about how Americans live than about how some of them die These stories which originally appeared in The New Yorker between 1969 and 2010 are vivid portraits of lives cut short An upstanding farmer in Iowa finds himself drastically changed by a woman he meets in a cocktail lounge An eccentric old man in Eastern Kentucky is enraged by the presence of a documentary filmmaker Two women move to a bucolic Virginia county to find peace only to end up at war over a shared road Mexican American families in California hand down a feud from generation to generation A high living criminal defense lawyer in Miami acquires any number of enemies capable of killing him Stark and compassionate deeply observed and beautifully written Killings is that rarity reportage as art William Geist The New York Times Book Review Praise for Killings Riveting tales of murder and mayhem Calvin Trillin is a superb writer with a magical ability to turn even the most mundane detail into spellbinding wonder Armed with this wealth of material he utterly shines Every piece here is a gem The Seattle Times What Mr Trillin does so well what makes Killings literature is the way he pictures the lives that were interrupted by the murders Even the most ordinary life makes a terrible noise when it s broken off Anatole Broyard The New York Times Fascinating troubling In each of these stories is the basis of a Dostoevskian novel Edward Abbey Chicago Sun Times The stories are unforgettable They leave us finally with the awareness of the unknowable opacity of the human heart Bruce Colman San Francisco Chronicle Trillin writes brilliantly These stories still hold up as classics The Buffalo News In his artful ability to conjure up a whole life and a whole world Trillin comes as close to achieving the power of a Chekhov short story as can anyone whose material is so implacably tied to fact Frederick Iseman Harper s Bazaar I have a book for you true crime addicts if you re caught up on the podcast Serial the cascade on TV of 48 Hours and Dateline NBC episodes It s time to pick up Calvin Trillin s Killings The New York Times Book Review Well crafted and thoughtfully composed lacking judgment and admonishment these are a true piece of quality journalism which clearly continues to captivate audiences Library Journal With telling detail and shrewd insights Calvin Trillin masterfully evokes the places and personalities that hatched these grim episodes Publishers Weekly *Fatal Quest* Sally Spencer, 2013-12-20 After the dramatic events in Dying Fall Woodend

reminisces on his long career in a brand new story You should have worked out by now that nobody wants this case solved These words delivered by Eddie a Liverpool thug brought down to London especially to put the frighteners on him send a shiver down newly promoted DS Charlie Woodend s spine Because Eddie is right Nobody does seem interested in bringing the killer of sixteen year old Pearl Jones to justice Not DCI Bentley Woodend s immediate boss Not Deputy Commissioner Naylor whose word is law in Scotland Yard Not even the dead girl s mother herself But Woodend cares Working alone sifting through the rubble of bombed out post war London and building up a picture of a life cut short he is assailed by a growing anger and a deepening sorrow He will find the murderer he promises himself even if that means putting his career and perhaps even his own life on the line Death of an Innocent Sally Spencer,2012-12-22 Superior work from a best selling British author Library Journal A man and a young woman are found blasted away by a rifle in a remote farmhouse on the Yorkshire moors But where is the farmer why did he have such swanky furniture in his living room and who on earth are the victims Charlie Woodend isn t amused with the people who are getting under his feet as he starts to grapple with these questions but his steps are abruptly halted when the Deputy Chief Constable decides that this time Woodend s high handedness has gone too far Woodend may have been suspended but his sense of justice can t let go And it won t let go however much resistance he encounters and from whom But as Woodend is depressed to discover when the people who are determined to keep you down are all powerful sheer will power just isn t enough Long Time Dead Sally Spencer,2013-11-01 The latest Detective Chief Inspector Woodend mystery When Captain Robert Kineally went missing from Haverton American Army base in Devon in 1944 it was generally assumed he had lost his nerve and deserted But now twenty years after the War ended a body found on the near derelict base seems to tell an entirely different story DCI Charlie Woodend has strong reasons for not wanting the case As a sergeant on secondment to the Americans he served at Haverton himself left it only a few days before the murder and he is personally involved However he is given the case and it is soon plain that while the British Government expects one outcome the American Government will be happy with nothing less than the opposite Murder at Swann's Lake Sally Spencer,2012-07-15 Chief Inspector Charlie Woodend and his loyal sergeant tackle a murder with as many suspects as there are clues in this tight puzzler Swann s Lake 1960 When Robbie Peterson a criminal turned club owner is found dead in his office a six inch nail driven deep into his skull Chief Inspector Woodend and Sergeant Bob Rutter are brought up from London to investigate Why was Robbie s office broken into twice on the day of his funeral What caused Robbie s son in law to attack his own brother on the night of the murder As the case unfolds Woodend uncovers several crimes but it is only as it draws to a close that he realizes the murder has nothing to do with Robbie s criminal past and everything to do with his domestic present Ring of Death Sally Spencer,2011-04-01 The second in a new series featuring DCI Monika Paniatowski Nothing could have prepared DCI Monika Paniatowski for this It s not that the man s throat has been cut or that he is naked that shocks her it s the way his corpse has been so carefully posed Is the killer

sending a message If so to who Saddled with a colleague she doesn't trust and watched by an old enemy Monika realises that whatever the murderer's message is he will not stop killing until she understands The Dark Lady Sally

Spencer,2012-08-01 Chief Inspector Charlie Woodend will have to rely on his observational gifts to have a ghost of chance in solving his latest murder case The night after the mysterious appearance of the legendary Dark Lady on the road outside Westbury Park a German efficiency expert Gerhard Schultz is found battered to death in the woods and Chief Inspector Charlie Woodend is faced with his most puzzling case yet Why did Schultz seem so frightened when on his colleagues mentioned the legend of the Dark Lady Did the workers at the BCI chemical factory many of whom are known to hate the Germans have anything to do with his death How could Fred Foley the tramp whose bloodstained overcoat was found close to the scene of the crime have completely disappeared And is this murder connected with one which occurred in Liverpool nearly twenty years earlier A very successful British procedural nicely complicated by leftovers from both local lore and the war Library Journal Excellent work from a too little known author Booklist Death Watch Sally Spencer,2013-12-01 This is the new Charlie Woodend mystery Angela Jackson a young girl abducted from Whitebridge Corporation Park has been missing for over twenty four hours and in the opinion of Dr Stevenson the psychiatrist who Woodend turns to for advice her kidnapper will first torture and then kill her Woodend is aware of the damaging strains operating within his own team Inspector Bob Rutter seems unable to control his infatuation with the unscrupulous journalist Elizabeth Driver while Sergeant Monika Paniatowski is rapidly developing a deep affection for Rutter's small daughter Louisa And Woodend's old enemy Chief Constable Marlowe is hovering in the background like a malevolent bird of prey just waiting for the chief inspector to make a mistake The more the investigation proceeds the less Woodend can see any signs of hope And he knows deep within himself that he will fail in bringing Angela back alive **Death of a Cave Dweller** Sally Spencer,2012-08-01

Chief Inspector Charlie Woodend enters the smoky dens of Liverpool to stop a killer stuck in a deadly groove Liverpool 1960s When Eddie Barnes lead guitarist of the rising group The Seagulls is electrocuted on stage at the Cellar Club in front of three hundred adoring fans the Liverpool Police call in Scotland Yard's Chief Inspector Charlie Woodend But Woodend doesn't understand why Eddie's mother says that Eddie had a girlfriend while his best mate insists that he didn't And who has been playing nasty tricks on The Seagulls culminating in Eddie finding a dead rat with a noose around its neck in his guitar case As Woodend battles with the complexities of the case he is more than aware that if he does not find the murderer soon there could well be another death Solid and reliable as Woodend himself Kirkus Reviews Characters are diverse intriguing and believable plots never fail to surprise Recommend Spencer confidently to anyone who enjoys British procedurals Booklist

Dangerous Games Sally Spencer,2013-12-01 Five little Englishmen feeling quite secure one went and lost his head and then there were four When Terry Pugh's headless body is found floating in the canal DCI Woodend at first believes that Pugh had merely miscalculated the amount of rope he needed to hang himself But why would Pugh commit suicide when he had a

loving wife who was expecting their first baby and was just about to start an exciting new job Other disturbing questions soon follow in the first body's wake Who was the mysterious stranger Pugh was seen with just before he died What is the connection between him and the down and out who suffers a similar fate to his only twenty four hours later And how many more men are intended to die As the investigation proceeds Woodend and his team come to realize that the key to solving the crimes is hidden in the past and on an island far far away **Sins of the Fathers** Sally Spencer,2013-11-01 A politician spills his guts all over the road The discovery of Bradley Pine's body in a lay by off a busy road clearly signals the end of his bid to win the local bye election But what is even clearer from the state in which the corpse is found is that this is no ordinary murder Why would the killer run the risk of dumping the body in such a public place DCI Charlie Woodend asks himself And even more significantly why should he post mortem decide not only to reduce his victim's mouth to a pulp but also to partly disembowel him With the election looming and Chief Constable Marlowe Woodend's old enemy taking over Pine's place as candidate the pressure is on to come up with a result Any result But the more Woodend learns of the case the more he comes to believe that not only is the motive behind the murder at least as bizarre the crime itself but that the origins of the crime lie in a mountain climbing tragedy which occurred three years earlier **The Golden Mile to Murder** Sally

Spencer,2012-09-01 When a bobby's killed in Blackpool Chief Inspector Charlie Woodend takes a ride through England's wild side to get to the bottom of a mystery The investigation into the brutal murder of a Blackpool policeman during holiday season was never going to be easy but the case is not Chief Inspector Woodend's only problem His new boss DS Ainsworth is just waiting for an opportunity to stick a knife in his back and his invaluable assistant Bob Rutter has been replaced by a sergeant more intent on advancing her own career than helping him Then it appears the Blackpool police seem to think it might be better if the killer were never found Should give the reader a shiver or two Publishers Weekly Unique settings and psychological details supplement Woodend's usual antics a surefire series addition Library Journal **Dead Hand of History** Sally Spencer,2011-04-01 The Woodend series has always been one of the best British police procedurals around Now Spencer has taken up a new series with Paniatowski in the lead and she proves again that she is in the league with Peter Turnbull and Lynda La Plante Library Journal The first book in the page turning DCI Monika Paniatowski British police procedural series set in the 1970s It will be no easy task to fill the shoes of a local legend like DCI Charlie Woodend the newly promoted Monika Paniatowski tells herself but given a little time she thinks she can grow into them Yet time is the one thing she does not have On her first day in the new job a severed female hand is discovered on the riverbank The obvious suspect is Stan Szymborska the victim's war hero husband though Paniatowski refuses to arrest him But is it the lack of evidence which is holding her back or is it the fact that he is not only the most attractive man she has met in a long time but also a fellow Pole Woodend is preparing to leave for a new life in Spain and Paniatowski is determined not to ask for his help But when her colleagues prove untrustworthy the urge to call him becomes almost irresistible **Red Herring** Sally

Spencer,2012-12-22 The discovery of the body of a young red haired school mistress lying in a pig pen with her face half eaten away is the beginning of a new investigation for Charlie Woodend But it is to be an investigation he is soon ordered to abandon when Helen Dunn the daughter of Wing Commander Dunn and a pupil at the school where the dead woman taught suddenly vanishes into thin air While Woodend and Rutter race against time in the desperate hope of finding the girl alive Woodend s bagman Monika Paniatowski continues to work on the murder under the supervision of the mysterious Chief Inspector Horrocks a Scotland Yard man who seems to have only a mild interest in finding the killer Are the two cases connected Woodend begins to wonder And if they are who is it who seems to be blocking both investigations at every turn

Records of the Fife Fox-hounds John Babington,1883 **Death's Dark Shadow** Sally Spencer,2014-03-01 A final bombshell will leave readers shocked in this brutal dark gripping and sometimes touching tale that is Spencer at her very best A must read Booklist Starred Review A nameless victim An unknown killer An impossible case for Monika Paniatowski Before she can even begin to track down the killer of the old woman dumped by the lonely canal Monika Paniatowski needs to find out who she is and no one seems to know Even when her daughter Louisa provides the vital clue it only makes life more difficult because the Chief Constable intent on making Paniatowski s life difficult refused to let her follow the obvious trail And it is not until there is a second even more brutal murder that Paniatowski realises she will have to call on the help of her old mentor ex DCI Charlie Woodend **Enemy Within** Sally Spencer,2013-02-01 a standout among her reliably entertaining procedurals Kirkus Starred Review The tenth in the acclaimed Inspector Woodend series There had never been a murder in Whitebridge like this one What kind of man would decide to slash the throat of an inoffensive middle aged widow who was already terminally ill Why did he decide to place her lifeless body in the middle of a children s bonfire and then set it alight It is the most difficult and complex case in Woodend s career but the two people he most relies on DI Rutter and DS Paniatowski are being torn apart by their personal problems As he struggles on almost single handedly he comes to the reluctant conclusion that he is being forced to participate in the killer s game without even knowing the rules Yet one thing at least is plain from the beginning For the game to continue there must be more deaths **Dying in the Dark** Sally Spencer,2013-10-01 It is one of the most brutal murders Chief Inspector Woodend has ever encountered Pamela Rainsford found on a lonely canal path in the middle of a dark night has not only been raped and strangled but her face has been hacked to pieces At first it seems a random killing but as the case progresses Woodend begins to suspect that the death of the mild mannered respectable secretary may have been a result of her own secret life And another secret life is having its consequences too as a result of his now ended affair with Sergeant Monika Paniatowski Inspector Bob Rutter s marriage is falling apart As the investigation proceeds Woodend finds himself beginning to understand the complex web of lies and deceptions which Pamela Rainsford has spun around herself but nothing he discovers could ever prepare him for a second death this one much closer to home *Blackstone and the New World* Sally Spencer,2011-04-01 The new Inspector Sam

Blackstone mystery July 1900 New York City Sam Blackstone has gone to New York to pick up a prisoner but he soon finds himself drafted in to investigate the murder of Inspector O'Brien who is famed for rooting out police corruption Working with an enthusiastic young detective who worshipped O'Brien Blackstone scours the city in search of the killer And the more he searches the more he becomes convinced that the police department doesn't really want the murder to be solved
