Interpreting Matthew Watchman Nee, 2009-09-26 In the providence of God the Gospel of Matthew heads the twenty seven books of the New Testament It serves the same purpose as Genesis does to the thirty nine books of the Old Testament It is the seed plot of the entire New Testament and it

introduces the rest of the books therein For this reason it is imperative that God's people have a good understanding of this book It is the book of the King and of His kingdom This is the gospel that shall be preached in the whole world for a testimony unto all nations and then the end shall come Matt 24 14 Satan knows the significance of this gospel so he tries every means to keep it unknown or misunderstood throughout the Church age Now we are living at the end of the last days The message of the King and His kingdom is not just relevant to our days it is also urgent to our understanding so that we as God's children will be better prepared for the manifestation of the kingdom of the heavens as well as be effectively used as instruments to usher in His kingdom Throughout his ministry Watchman Nee gave several studies on the Gospel according to Matthew Early on in the mid 1920s from 1924 to 1926 he prepared some notes on Matthew chapters 1 and 2 only and had them published in the Morning Star magazine by the Morning Star Publishers Chefoo China Then in his early ministry in Shanghai from 1927 to early 1935 he held a protracted study with the saints on Matthew the longhand notes of which are published in English as The King and the Kingdom of Heaven Finally he gave another study on Matthew in Shanghai between 1950 and 1952 Full notes were taken but the manuscript was never finished nor published All this indicates how important it was to Watchman Nee that the message of the King and the kingdom be proclaimed and understood This present volume includes both the author's last study on Matthew 1950-52 as well as his earliest notes on this Gospel 1924-26 Part One gives his matured view while Part Two presents his earliest study These two studies have been put together purposely in order to illustrate the progress our brother made from knowing the letter of the word to entering into the spirit of the word while still keeping to the letter This ought to be true in the study of any of the sacred letters May God who mercifully preserved these manuscripts use this book to bless His children [Christian Education Teaching Methods - From Modern to Postmodern](#)

Carlos C. Roberts, 2009-11 This book provides pastors professional teachers students of religious education or Christian education theological students and Sunday school teachers with methods of teaching the faith today and opportunities to reflect critically on the methods and approaches they use in the classroom in the changed cultural context of our postmodern world The book is the result of years of practical experience in the field of Christian education as a Director of Religious Education and head of a team involved in providing religious education training and producing teaching materials and textbooks for Sunday school and professional teachers of Christian education This book proposes the Herald model of church and model of Christian education as a very helpful model for postmodern culture **Reaching Out** Bill Hybels, Kevin & Sherry Harney, 2010-02-23 You probably don't think of yourself as an evangelist Most Christians would rather leave evangelism to a select few with special talent for outreach But when Christ gave the command to spread the Gospel He gave it to us all Because He knew we'd each have something unique to offer as His witnesses to the world In Reaching Out Bill Hybels helps you develop your own evangelism style one that fits your personality like a glove You'll discover the meaning and importance of sharing your faith and learn the motivation and mind set behind evangelism You'll also get the solid

guidance and seasoned tips you need to put it all into motion successfully As you walk through this proven highly effective approach you ll find your hesitations melting into an enthusiasm for winning lost men and women to Christ Interactions a powerful and challenging tool for building deep relationships between you and your group members and you and God Interactions is far more than another group Bible study It s a cutting edge series designed to help small group participants develop into fully devoted followers of Christ Jesus Christ David W.
