**Solution from a Dead Man** Mel Figoni, 2010 Retired after thirty plus years in law enforcement Tony DiGiusto newly licensed private investigator was looking forward to a quiet and uneventful retirement investigating simple everyday civil cases for local attorneys from an office in the sleepy and affluent hamlet of Sausalito just across the Golden Gate Bridge from San Francisco Little did Tony know that his first major clients a pair of twins who had hired his uncle a well known San Francisco attorney to investigate a property ownership dispute would lead him to investigate the sudden and unexplained death of his uncle in a small Northern California town Tony becomes entangled in a complex and horrendous investigation that will lead him from San Francisco to the charming and picturesque towns of the Sierra Gold Rush areas The investigation into his uncle's death leads Tony and his live in girlfriend Gina Rosetti

into a nightmarish web of terror and murder involving long forgotten Nazi activities in California and almost costs Tony and Gina their lives California's colorful capital Sacramento and its legislative bodies play an unwitting part in this fast paced and intriguing glimpse into a madman's plan for a new Third Reich      A Dead Man's Tale James D. Doss, 2010-11-09 Charlie Moon Ute rancher and investigator isn't afraid to throw the dice even when a man's life is at stake but when that man is betting against himself and Moon's ability to save him that makes for some awfully high stakes Hard times have come to Colorado and Moon's ranch is feeling the pinch Investor Samuel Reed has never had that problem He seems to have a special intuition when it comes to picking stocks and claims to be able to remember the future which gives him quite a leg up on Wall Street So it's no surprise that Reed is confident when he makes a wager with Moon's best friend Granite City Chief of Police Scott Parish that Parish can't keep him alive Even when Reed doesn't give them any details beyond the date and time of his impending demise that's more than enough information for Moon who wants in on the action and is just as confident that he's well on the way to saving his ranch But Moon's best plans go awry when instead of one homicide on his hands he ends up with two James D Doss infuses the pages of *A Dead Man's Tale* the fifteenth in his popular series with his potent brand of high spirits and homespun humor that has made him a favorite among mystery readers      **Death, Property and the Ancestors** Jack Goody, 2004 This volume is a study of mortuary customs of the LoDagaa of West Africa in research for this project the author spent over 100 days attending funeral ceremonies and attended 25 burial services      **A Dead Man's Pulse: A Steamy Military/Private Security Romance/Suspense** Samantha Cole, PTSD threatens to destroy a Marine's promising future at Trident Security POW First Sergeant Logan Reese is rescued in Afghanistan just hours before he meets the same fate as his murdered teammates The aftermath of the mission gone wrong forces his retirement from the military much sooner than planned He didn't expect a civilian job offer that could give him a new purpose in life or to meet someone who could make him feel like a virile man again Officer Dakota Swift has worked hard to prove she belongs with the big boys on Tampa PD but it hasn't been easy A local serial killer gives her the opportunity to get her feet wet in undercover work as bait But when she's assigned to the joint task force between TPD the FBI and Trident Security she doesn't expect to be attracted to her handsome new partner Logan Until the identity of the Kink Killer is discovered no woman in the alternative lifestyle community is safe With the body count rising will he be caught before he claims his next victim The Trident Security and its spinoff series contain passionate romance nail biting suspense and happily ever afters      *Dead Man's Land* Robert Ryan, 2013-01-03 Where better to get away with murder than a place where thousands are dying every day Deep in the trenches of Flanders Fields men are dying in their thousands every day So one more death shouldn't be a surprise But then a body turns up with bizarre injuries and Sherlock Holmes former sidekick Dr John Watson unable to fight for his country due to injury but able to serve it through his medical expertise finds his suspicions raised The face has a blueish tinge the jaw is clamped shut in a terrible rictus and the eyes are almost popping out of his head as if the man had seen unimaginable horror

Something is terribly wrong But this is just the beginning Soon more bodies appear and Watson must discover who is the killer in the trenches Who can he trust Who is the enemy And can he find the perpetrator before he kills again Surrounded by unimaginable carnage amidst a conflict that is ripping the world apart Watson must for once step out of the shadows and into the limelight if he is to solve the mystery behind the inexplicable deaths A vivid account of life in the trenches this is a genuinely fascinating and finely researched piece of war fiction Daily Express A hugely powerful depiction of wartime horror a cunning murder mystery and a brilliant re-invention of Dr John Watson Conan Doyle would most definitely approve Mark Billingham The Treasure of Dead Man's Chest Roger Johnson,2010-08-06 John Paul Jones became one of the greatest

naval heroes of the American Revolution but much of his life remains shrouded in mystery until now The Treasure of Dead Man's Chest explains how this Scottish fugitive earned a naval commission More importantly the novel illuminates a hitherto unknown thirty month period in John Paul's career From November 1773 when he killed a mutineer to June 1775 when he received his naval commission in Philadelphia from Thomas Jefferson Learn how the contract that he and John Silver made with the American founding fathers impacted the lives of the Colonists and ultimately helped win America's freedom from Mother England *Dead Man's Steel* Luke Scull,2017 The Ancients have arrived In the third volume of Luke Scull's
