Shakespearean Tragedy Genre Tradition And Change In Antony And Cleopatra

William Shakespeare

Shakespearean Tragedy Genre Tradition And Change In Antony And Cleopatra:

Shakespearean Tragedy John Leeds Barroll,1984 By showing us how Shakespeare s contemporaries were likely to read the presentation of human nature which they saw as inherently self deceiving this critical inquiry enables us to unravel the complexities of Shakespeare s characterizations in a manner that will be invaluable to Shakespeare specialists critical theorists students performers and anyone who seeks an enhanced understanding of Shakespeare s tragedies and their characters *The Tragedy of Antony and Cleopatra* William F. Zak,2015-03-25 This revaluation of Shakespeare s most seductive tragedy Antony and Cleopatra allies itself with neither George Bernard Shaw and Philo s Roman judgment of the lovers as strumpet and fool premised on the idle sensuality and feckless self regard ever evident in the regal pair nor with the many at the opposite critical pole who have found themselves swept up to some extent at least in the grand illusion of the lovers themselves as peerless figures transcending the very deaths to which Caesar s heartless predation drives them Nor does it seek some middle way settling into a comfortable agnosticism that claims the poet s view of the pair remains too ambiguous to resolve Instead by mining a wealth of metaphoric cross references and ironical mirroring figurations provided by the tragedy s subsidiary characterizations this new analysis argues that Shakespeare s assessment of the lovers is in fact unambiguous Antony and Cleopatra unknowingly settle for functioning merely as two more of the play s eunuchs fanning the flames of their self destructive passions for one another when they could have realized the new heaven and new earth Antony promised his queen had their intercourse with one another been more vigorously complete Not alone their deaths but their entire experience is this play is but a search for easy ways to die rather than the quest is should have been to live more richly yet and generate new life beyond their respective notorieties as separate individuals to be celebrated [Shakespeare, Antony and Cleopatra, and the Nature of Fame](#) Robert A Logan,2018-04-15 Shakespeare Antony and Cleopatra and the Nature of Fame is a characterological study offering new perspectives on Antony and Cleopatra the most ambiguous of Shakespeare s plays It also offers new insights about the origins and nature of Shakespeare s imperishable fame Wide ranging in its concerns this monograph promises to make an essential difference in the way scholars view characterizations fame Shakespeare s reputation and the eminence of the celebrated figures of the play **Antony and Cleopatra** Marga Munkelt,2024-04-04 This new volume in the Shakespeare The Critical Tradition series increases our knowledge of how Antony and Cleopatra has been received and understood by critics editors and general readers The volume provides in separate sections both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play The chronological arrangement of the text excerpts engages the readers in a direct and unbiased dialogue and the introduction offers a critical evaluation from a current stance including modern theories and methods This volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century **Shakespearean Tragedy and Its Double** Kent

Cartwright,2010-11-01 *Shakespeare: Antony and Cleopatra* John Russell-Brown,1991-10-02 This revision of the successful Casebook first published in 1968 brings the book up to date for the 1990 s both with new criticism and with reviews of new productions The detailed Critical Reactions before 1900 section is retained including comment from such critics as John Dryden Johnson and Coleridge the Play in Performance section includes some of the most recent performances and the Twentieth century Criticism section ranges over the varied work of such critics as A C Bradley L C Knights Kay Stockholder Michael Long and Leonard Tennenhouse **Antony and Cleopatra** Sara M. Deats,2005 This collection of twenty original essays will expand the critical contexts in which Antony and Cleopatra can be enjoyed as both literature and theater *Antony and Cleopatra* William Shakespeare,2005-07-04 The New Cambridge Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations For this second edition of Antony and Cleopatra David Bevington has included in his introductory section a thorough consideration of recent critical and stage interpretations demonstrating how the theatrical design and imagination of this play make it one of Shakespeare s most remarkable tragedies The edition is attentive throughout to the play as theatre a detailed illustrated account of the stage history is followed in the commentary by discussion of staging options offered by the text The commentary is especially full and helpful untangling many obscure words and phrases illuminating sexual puns and alerting the reader to Shakespeare s shaping of his source material in Plutarch s Lives *Antony and Cleopatra* Yashdip S. Bains,2013-07-04 This volume is a comprehensive overview of scholarship on this play It includes chapters on criticism sources and background textual studies bibliographies editions and translations Also covered are the stage history and major productions of the play and films music television and adaptations and synopses **The Masks of Anthony and Cleopatra** Marvin Rosenberg,Mary Rosenberg,2006 In his analysis Marvin Rosenberg sets out to steer a path between the extremes of Rome and Egypt and all they stand for and to explore the relentless to and back confrontation of their different sets of values which leads ultimately to destruction
