Shakespeare's Sexual Comedy A Mirror For Lovers:

Shakespeare's sexual comedy Hugh M. Richmond, 1971 The Definitive Shakespeare Companion Joseph Rosenblum, 2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare's plays and poems and also covers his age, life, theater, texts, and language. Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception. Shakespeare's works often served to convey simple truths but they are also complex, multilayered masterpieces. Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age, they nonetheless parallel and comment on situations in his own era. Written with the needs of students in mind, this four volume set demystifies Shakespeare for today's readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work. This indispensable ready reference examines Shakespeare's plots, language, and themes; his use of sources and exploration of issues important to his age; the interpretation of his works through productions from the Renaissance to the present; and the critical reaction to key questions concerning his writings. The book provides coverage of each key play and poems in discrete sections, with each section presenting summaries, discussions of themes, characters, language, and imagery, and clear explications of key passages. Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions. The work also provides a comprehensive list of print and electronic resources suitable for student research. Shakespeare Left and Right Ivo Kamps, 2015-06-18 Shakespeare Left and Right brings together critics strikingly different in their politics and methodologies who are acutely aware of the importance of politics on literary practice and theory. Should, for example, feminist criticism be subjected to a critique by voices it construes as hostile to its political agenda? Is it possible to present a critique of feminist criticism without implicitly impeding its politics? And in the light of recent political events, should the Right pronounce the demise of Marxism as a social science and interpretive tool? The essays in Shakespeare Left and Right, first published in 1991, present a tug of war about ideology acted out over the body of Shakespeare. Part One focuses on the challenge thrown down by Richard Levin's widely discussed *Feminist Thematics and Shakespearean Tragedy*. Part Two considers these issues in relation to critical practice and the reading of specific plays. This book should be of interest to undergraduates and academics interested in Shakespeare studies. **Re-visions of Shakespeare** Robert Ornstein, 2004 *Re-Visions of Shakespeare: Essays in Honor of Robert Ornstein* is a tribute to one of the most prominent Shakespeareans in the last half of the twentieth century, past president of the Shakespeare Association of America and author of *Shakespeare's Comedies: From Roman Farce to Romantic Mystery and Other Texts*. Twelve original contributions by an international group of scholars, including some of the most prominent working in Shakespeare studies today, use a variety of theoretical perspectives to address issues of contemporary import in the dramatic texts. Janus-like, the collection suggests the directions

of Shakespeare studies at the outset of the new millennium while considering their roots in the last [Love's Labour's Lost](#) Felicia Hardison Londre, 2015-07-17 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating and sources, character analysis, comic elements and verbal conceits, evidence of authorship, performance analysis and feminist interpretations. Alongside theater reviews, production photographs and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work and concept rounds out this valuable resource.

Love's Labour's Lost Felicia Hardison Londré, 1997 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating and sources, character analysis, comic elements and verbal conceits, evidence of authorship, performance analysis and feminist interpretations. Alongside theater reviews, production photographs and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work and concept rounds out this valuable resource. [The Nature of Love, Volume 2](#) Irving Singer, 2009-02-20 An examination of ideas and ideals of medieval courtly love and the transition into later Romantic love, analyzing the work of Dante, Shakespeare and Schopenhauer among many others. Review: monumental Boston Globe, one of the major works of philosophy in our century. Nous: wise and magisterial Times Literary Supplement and a masterpiece of critical thinking that is a timely, eloquent and scrupulous account of what after all still makes the world go round. Christian Science Monitor. In the second volume, Singer studies the ideas and ideals of medieval courtly love and nineteenth-century Romantic love as well as the transition between these two perspectives. According to the traditions of courtly love in the twelfth century and thereafter, not only God but also human beings in themselves are capable of authentic love. The pursuit of love between man and woman was seen as a splendid ideal that ennobles both the lover and the beloved. It was something more than libidinal sexuality and involved sophisticated and highly refined courtliness that emulated religious love in its ability to create a holy union between the participants. Adherents to Romantic love in later centuries affirmed the capacity of love to effect a merging between two people who thus became one. Singer analyzes the transition from courtly to Romantic by reference to the writings of many artists, beginning with Dante and ending with Richard Wagner as well as Neoplatonist philosophers of the Italian Renaissance: Descartes, Spinoza, Rousseau, Hume, Kant, Hegel and Schopenhauer. In relation to romanticism itself, he distinguishes between two aspects: benign romanticism and Romantic pessimism that took on renewed importance in the twentieth century. **A Midsummer Night's**

Dream: Shakespeare's Syzygy of Meaning, [Shakespeare and the Classical Tradition](#) Lewis Walker, 2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961-1985. Doctoral dissertations will also be included. Each entry will provide a clear and detailed summary of an item's contents. For poems and plays based directly on classical sources like Antony and Cleopatra.

and The Rape of Lucrece virtually all significant scholarly work during the period covered will be annotated For other works such as Hamlet any scholarship that deals with classical connotations will be annotated Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics

Shakespeare's Great Stage of Fools R. Bell, 2011-09-26 This lively lucid book undertakes a detailed and provocative study of Shakespeare's fascination with clowns fools and fooling Through close reading of plays over the whole course of Shakespeare's theatrical career Bell highlights the fun wit insights and mysteries of some of Shakespeare's most vibrant and often vexing figures
