Romero, 2011-03-15 Celebrates zombie pop culture that has evolved since Night of the Living Dead tracing early mythological origins in African folklore and Haitian voodoo as well as modern incarnations in film literature and video gaming **A Matter of Life and Depths** KB Jackson, 2024-08-28 Murder has twisted them together It s bad enough that Kyrie Dawn had an affair and a son with Charlotte McLaughlin s husband then following his death sued Charlotte for the two bedroom love nest he d purchased on a private residence cruise ship That cabin was Charlotte s consolation prize and she s chosen to travel the world in luxury with her sister Jane along for the ride But now Kyrie Dawn has taken a job onboard teaching yoga and she s brought her little boy who looks just like his father with her Charlotte considers jumping ship as they sail toward Yokohama Japan Then the head chef is found in the downward dead position in Kyrie Dawn s yoga studio and all evidence points to her as the killer She begs Charlotte and Jane to look after this friendly toddler permanently if she s found guilty With a second chance at motherhood snuggled in her lap Charlotte must decide which life path to follow Can she even set

aside her hurt and anger to help exonerate the woman who ruined her life

The Message of the Indus Seals and Tablets Egbert Richter-Ushanas,2013-01-08 Since the publication of the concordances of the inscriptions of the Indus seals many people have been working on the solution of the riddle presented by their 5000 years old script At first sight the task does not appear too difficult as there are pictograms that can easily be recognized A lot of signs are geometric but this does not seem to be an insurmountable obstacle either as they are often combined with the pictograms The decipherments that were based on these similarities resulted however only in the reading of some inscriptions as more or less obscure names sometimes not even a phonetic value could be given Nevertheless they are often presented as complete decipherments to the public On this account the pretension that the Indus script is deciphered meets with increasing suspicion and is exposed to ridicule even Many scholars working in this field are nowadays of the opinion that the Indus script is altogether indecipherable if not a bilingual of considerable size turns up The approach to a decipherment presented in this volume makes avail of a short bilingual from Failaka but its master key is the discovering of the symbolic and the linguistic connection of the Indus signs with the R g Veda More than 200 inscriptions among them the longest and those with the most interesting motifs have been decoded here by setting them word after word in relation to R g Vedic mantras The results that were gained by this method of comparison for the pictographic and phonetic values of the Indus signs are surprising and far beyond the most daring phantasy i e beyond the analytic limits of thought This approach is the opposite of subjectivism The signs of all inscriptions have been found in this way have been collected in a sign dictionary improved for a great deal in the present edition By the deciphering of the Indus signs many problems of the R g Veda could be solved too and new insights be won for example in the question of the age of the Veda and the origin of its myths or the nature of the Soma plant
