more than half a century Through a series of memories and stories coupled with the author's reflections and insights it illustrates not only the earth shaking changes that China experienced but also the development of manufacturing globalization in the past fifty years Through the Reform and Opening Up movement China entered the world with various progressions and developments in the process of cultural exchange and economic integration The author has witnessed huge historic changes and reflects the changing of times in his stories like a drop of water reflecting the world The book not only contains life stories but also an understanding of cultural differences as well as leadership concepts related to the author's actual business practices From an idealist to a business manager a communist to a capitalist and self-scarification to self-development the author has called his journey *The Way to Home* A wandering child going back into God's House *The White Angel* John MacLachlan Gray, 2017-09-09 Vancouver is in an uproar over the death by gunshot of a Scottish nanny Janet Stewart An almost deliberately ham-handed police investigation has Constable Hook suspecting a cover-up The powerful United Council of Scottish Societies is demanding an inquiry The killing has become a political issue with an election not far away The city is buzzing with rumours Miss Stewart's fellow nannies have accused the Chinese houseboy of murder capitalizing on a wave of anti-Chinese propaganda led by the Asian Exclusion League and enthusiastically supported by the sensational press not to mention the Ku Klux Klan which has taken up residence in upper-class Shaughnessy *The White Angel* is a work of fiction inspired by the cold case of Janet Smith who on July 26 1924 was found dead in her employer's posh Shaughnessy Heights mansion A dubious investigation led to the even more dubious conclusion that Smith died by suicide After a public outcry the case was re-examined and it was decided that Smith was in fact murdered but no one was ever convicted though suspects abounded from an infatuated Chinese houseboy to a drug smuggling ring devil worshippers from the United States or perhaps even the Prince of Wales For Vancouver the killing created a situation analogous to lifting a large flat rock to expose the creatures hiding underneath An exploration of true crime through a literary lens *The White Angel* draws an artful portrait of Vancouver in 1924 in all its opium-hazed smog-choked rain-soaked glory accurate insightful and darkly droll
