Reaching a Generation for Christ Richard R. Dunn, Mark H. Senter III, 1997-03-05 Things have changed The Truth has not The 1950's are gone forever The days of the Sunday school attendance award and the much loved Sunday school picnic have faded into oblivion Yet some youth ministries still operate as if today's kids are living in a vacuum unaffected by the changing morals of today's society How can we reach these kids with the truth of the gospel More than fifty of America's youth experts give advice and encouragement to those who long to see this generation know the love of Christ They help readers think through their philosophies of youth ministry break down barriers that impede progress and maximize their own gifts and the gifts of those who work with them They answer tough questions such as How can leaders build a relational youth ministry How can we find and support volunteers What are the issues women face in youth ministry How do we minister in ethnic communities How should we respond to popular culture How can we help hurting adolescents You can have a vibrant youth ministry even in these uncertain times You can reach this generation for Christ

Sharing Jesus Without Freaking Out D. Scott

Hildreth, Steven A. McKinion, 2020-07-15 Sharing Jesus with others doesn't have to be a mystery it can be as natural as working a job practicing a favorite hobby or engaging in any other kind of daily activity In this second edition of Sharing Jesus without Freaking Out the authors show how anyone can make sharing the gospel a commonplace part of their lifestyle Without all the freaking out part *America on the Cusp of God'S Grace* Dennis G. Hurst, 2010-11-12 America on the Cusp of Gods Grace issues a rousing call for true Bible believing patriots to save America by reverting back to the august principles of our Founding Fathers With simple straightforward language Dennis G Hurst digs deep into the ideas and beliefs upon which the Republic was founded and then juxtaposes them with the sobering reality of today Hurst provides a history of the beginning of America from its seventeenth century colonies based on religious freedom to the Revolutionary Wars stunning impact on the world and to the Constitutional Conventions innovative ideas Hurst shows how faith in God guided the Founders during every step of the process and compares and contrasts this history with the present state of American culture In addition he looks at the damaging effects of Islam on the United States and how it has brought about a decisive polarizing effect on ideologies today But Hurst doesn't stop with mere commentary and historical scholarship Instead he offers a blueprint for how God loving American citizens begin a revival in their country This includes a return to character leadership and integrity plus a steady focus on Christ True believers were this countrys founders true believers were its sustainers and true believers will be its rescuers even an America on the Cusp of Gods Grace
