Shared Heart Portraits And Stories Celebrating Lesbian Gay And Bisexual Young People:

The Shared Heart, 2001 This collection of writings by homosexual and bisexual youth reflect the soul searching suffering and discrimination many have undergone Photographs from a traveling exhibit are included that show the faces of dynamic thoughtful hopeful members of our communities and world Understanding Gay and Lesbian Youth David Campos, 2005-09-28 Understanding Gay and Lesbian Youth assists the classroom teacher school counselor and administrator in relating to gay and lesbian youth and creating accepting and supportive learning climates David Campos begins with a discussion of the current state of affairs regarding gay and lesbian youth in schools including a discourse on the developmental milestones and provides practical strategies for working effectively with these students The text concise yet comprehensive features Two surveys to assess school climates toward gay and lesbian youth Quizzes about gay and lesbian issues Personal stories by gay and lesbian youth and adults Perhaps the most salient feature of Understanding Gay and Lesbian Youth is that each chapter poses a series of questions relating to today's society such as Why are gay and lesbian youth considered at risk How does the development of gay and lesbian youth differ from that of heterosexual youth What do I do if a student tells me he or she is gay or lesbian Lesbian and Gay Voices Frances A. Day, 2000-06-30 With a foreword by Nancy Garden the highly acclaimed author of Young Adult Fiction this thoughtfully written annotated bibliography reviews picture books young adult fiction short stories nonfiction works and biographies for young readers Entries specify the age level appropriateness of each work as well as literary awards received for the work Each annotation is followed by a list of topics in the work which the user will find cross referenced in the topic index With additional recommendations on books for librarians educators and parents and a set of suggested guidelines for evaluating books this user friendly guide is valuable as both a reader resource and as collection development tool The guide also provides author profiles of selected writers who have made outstanding contributions to this field of literature This information is complemented by inspiring author quotes photographs and lists of their books categorized by age level appropriateness The up to date information on helpful resources for teens and their families found here along with a select bibliography and additional indices make this comprehensive guide a powerful and important reference tool for helping young gay and lesbian readers *Lesbian, Gay, Bisexual, and Transgender Healthcare* Kristen Eckstrand, Jesse M. Ehrenfeld, 2016-02-17 Written by experienced clinicians and edited by Vanderbilt Program for LGBTI Health faculty this book contains up to date expertise from physicians renowned for their work in LGBT health This important text fills an informational void about the practical health needs of LGBT patients in both the primary care and specialty settings remains and serves as a guide for LGBT preventive and specialty medicine that can be utilized within undergraduate medical education residency training and medical practice Beginning with a short review of LGBT populations and health disparities it largely focuses on the application and implementation of LGBT best practices within all realms of medical care In addition the book offers recommendations for the integration of LGBT health into systems

based practice by addressing intake forms and electronic health records as well as evidence based emerging concerns in LGBT health This is a must have volume for medical students residents and practicing physicians from all medical specialties

Representing the Rainbow in Young Adult Literature Christine A. Jenkins, Michael Cart, 2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don't always know what books offer well rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In *Representing the Rainbow in Young Adult Literature* LGBTQ Content since 1969 Christine Jenkins and Michael Cart provide an overview of the literary landscape An expanded version of *The Heart Has Its Reasons* this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well In this resource Jenkins and Cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are wrongheaded stereotypical or outdated Each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction This book also features an annotated bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers Encompassing a wider array of sexual identities *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read about books relevant to them and their lives

Adolescent Literacies and the Gendered Self Barbara J. Guzzetti, Thomas W. Bean, 2013 Today's youth live in the interface of the local and the global Research is documenting how a world youth culture is developing how global migration is impacting youth how global capitalism is changing their economic and vocational futures and how computer mediated communication with the world is changing the literacy needs and identities of students This book explores the dynamic range of literacy practices that are reconstructing gender identities in both empowering and disempowering ways and the implications for local literacy classrooms As gendered identities become less essentialist are more often created in virtual settings and are increasingly globalized literacy educators need to understand these changes in order to effectively educate their students The volume is organized around three themes gender influences and identities in literacy and literature gender influences and identities in new literacies practices and gender and literacy issues and policies The contributing authors from North America Europe and Australia offer an international perspective on literacy issues and practices This volume is an important contribution to understanding the impact of the local and the global on how today's youth are represented and positioned in literacy practices and policies within the context of 21st century global cosmopolitan life

The Heart Has Its Reasons Michael Cart, Christine A. Jenkins, 2006-03-30 Society does not make it easy for young people regardless of their sexual orientation to

find accurate nonjudgmental information about homosexuality It makes it even more difficult for young homosexuals to find positive role models in fiction either written or published expressly for them or if published for adults relevant to them and their lives The Heart Has Its Reasons examines these issues and critically evaluates the body of literature published for young adults that offers homosexual themes and characters Cart and Jenkins chart the evolution of the field of YA literature having GLBTQ gay lesbian bisexual transgendered and or queer questioning content They identify titles that are remarkable either for their excellence or failures noting the stereotypic wrongheaded and outdated books as well as the accurate thoughtful and tactful titles Useful criteria for evaluating books with GLBTQ content are provided Books and resources of all types are reviewed based on a model that uses the category descriptors of Homosexual Visibility Gay Assimilation and Queer Consciousness Community An annotated bibliography and a number of author title lists of books discussed in the text arranged by subject round out this valuable reference for teachers librarians parents and young adults

The Advocate, 1997-12-09 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

A Lesbigan Guide to Selecting the Best-Fit College Or University and Enjoying the College Years Donald W. Hinrichs, 2007 My brother wrote this book based on his own experiences and the experiences of hundreds of lesbian gay bisexual and transgender students he counseled talked to and interviewed over the course of his 40 year teaching career The confusion he experienced during college and the distress and intolerance he witnessed and heard about from students lead him to realize that some college and university environments are simply not healthy places for LGBT young people to learn and grow and to sort out their own sexuality This book documents the problems LGBT students might encounter on campus and provides advice on how LGBT students can select the best fit college or university for them Bill Hinrichs

Understanding Diversity Through Novels and Picture Books Liz Knowles, Martha Smith, 2007-05-30 Understanding Diversity Through Novels and Picture Books goes beyond the usual multicultural lists and looks at the wide expanse of the diversity of cultures and lifestyles impacting children s lives in America today and identifies good books to have in library collections for them to read Included are annotated titles with discussion questions from all of the identified cultures and subcultures and annotated teacher librarian resources print and Web based as well as an excellent list of topical annotated journal articles Grades 4 8 Knowles and Smith examine current research on diversity and multiculturalism They move away from the traditional aspects of multicultural education food fashion folktales festivals and famous people to a focus on novels and pictures books and realistic fiction to show children with diversity issues that there are others in similar positions The issue of authenticity whether the author of the book should be of that culture or merely familiar with the culture is discussed Topics include Ethnicities Asian Latino Hispanic African Black Native American White European Bi Multiracial Exceptionalities Ageism Socioeconomic Status Sexual Orientation Gender and Religion The authors provide this valuable resource for libraries schools and communities that wish to utilize

literature to help diverse students walk in the shoes of others and to match books to children and young adults to heighten understanding and acceptance Grades 4 8
