Shared Hopes Separate Fears Fifty Years Of U S Indonesian Relations

Robert Schulzinger

Shared Hopes Separate Fears Fifty Years Of U S Indonesian Relations:

Shared Hopes, Separate Fears Paul F Gardner, 2019-05-20 This book traces the often tumultuous history of U S Indonesian relations as experienced by those who witnessed and shaped it Gardner himself a first hand observer draws on interviews personal papers and recently declassified documents to provide an intimate view of the aspirations insights and acts of courage that built the U S Indonesian

Shared Hopes, Separate Fears Paul F Gardner, 2019-05-20 This book traces the often tumultuous history of U S Indonesian relations as experienced by those who witnessed and shaped it Gardner himself a first hand observer draws on interviews personal papers and recently declassified documents to provide an intimate view of the aspirations insights and acts of courage that built the U S Indonesian

Legacy of Engagement in Southeast Asia Ann Marie Murphy, Bridget Welsh, 2008 By looking back to understand the contemporary political and economic landscape of Southeast Asia these essays shed light on how modern Southeast Asia has evolved Special focus centres on US engagement with the region by both governmental and non governmental organisations

A Companion to American Foreign Relations Robert Schulzinger, 2008-04-15 This is an authoritative volume of historiographical essays that survey the state of U S diplomatic history The essays cover the entire range of the history of American foreign relations from the colonial period to the present They discuss the major sources and analyze the most influential books and articles in the field Includes discussions of new methodological approaches in diplomatic history

American Visions of the Netherlands East Indies/Indonesia Frances Gouda, 2002 A revealing reassessment of the American government s position towards Indonesia s struggle for independence

Historical Dictionary of the Cold War Joseph Smith, Simon Davis, 2017-03-15 Cold war was a term coined in 1945 by left leaning British writer George Orwell to predict how powers made unconquerable by having nuclear weapons would conduct future relations It was popularized in 1947 by American journalist Walter Lippmann amid mounting tensions between the erstwhile World War II Allies the capitalist democracies the United States of America and Britain versus the Soviet Union a communist dictatorship As the grand alliance of the Big Three they had defeated Nazi Germany its satellites and Japan in World War II but became rivals who split the world into an American led Western bloc and Soviet led Eastern bloc Both were secured from direct attack by arraying ever greater nuclear and conventional forces against the other while seeking global supremacy by other means The 45 year Cold War lasted until the Soviet Union collapsed between 1989 and 1991 This second edition of Historical Dictionary of the Cold War contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on important personalities crucial countries and peripheral conflicts the increasingly lethal weapons systems and the various political and military strategies This book is an excellent resource for students researchers and anyone wanting to know more about this crucial period in history

The Limits of Empire Robert J. McMahon, 1999 The most complete picture to date of how U S strategies of containment and empire building spiraled out of control in Southeast Asia investigating also how the

demoralizing experience of Vietnam radically undermined U S enthusiasm for the region in a strategic sense Extremely Violent Societies Christian Gerlach,2010-10-14 In this groundbreaking book Christian Gerlach traces the social roots of the extraordinary processes of human destruction involved in mass violence throughout the twentieth century He argues that terms such as genocide and ethnic cleansing are too narrow to explain the diverse motives and interests that cause violence to spread in varying forms and intensities From killings and expulsions to enforced hunger collective rape strategic bombing forced labour and imprisonment he explores what happened before during and after periods of widespread bloodshed in countries such as Armenia Indonesia Bangladesh Nazi occupied Greece and in anti guerilla wars worldwide in order to highlight the crucial role of socio economic pressures in the generation of group conflicts By focussing on why so many different people participated in or supported mass violence and why different groups were victimized he offers us a new way of understanding one of the most disturbing phenomena of our times Understanding ASEAN's Role in Asia-Pacific Order Robert Yates,2019-03-25 This book assesses the important role of the Association of Southeast Asian Nations ASEAN in the management of regional political security and economic relations The author argues that ASEAN s prominent role in the region spanning 50 years is largely due to the acquiescence of the great powers who endorsed ASEAN accepted its regional position and accorded the institution a legitimacy and durability that otherwise it would not have This text offers a key intervention into the debate regarding ASEAN and regional order by showing how ASEAN s contribution to order management is part of a negotiated division of labour with the great powers The author applies an innovative social roles analysis which captures the dynamic interactions between ASEAN and the great powers from the Cold War to the present day **A Companion to John F. Kennedy** Marc J. Selverstone,2014-06-03 b A COMPANION TO JOHN F KENNEDY A COMPANION TO JOHN F KENNEDY Marc J Selverstone has compiled an indispensable volume of essays on John F Kennedy and his presidency written by a stellar cast of scholars What stands out in sharp relief in this wide ranging and authoritative book is how consequential were Kennedy s thousand days for the United States and for the world and how controversial is his legacy Fredrik Logevall Stephen and Madeline Anbinder Professor of History Cornell University Marc J Selverstone has brought together a remarkable group of scholars who illuminate the many important ideas of and events that occurred during this brief administration This book is the best record of the Kennedy years Alan Brinkley Allan Nevins Professor of American History Columbia University This collection of talented scholars and their research and thoughts on John F Kennedy is an invaluable resource a deeply informed conversation for the ages Richard Reeves writer syndicated columnist and senior lecturer at the Annenberg School for Communication at the University of Southern California
