Emilie Sanchez

Sharing A Continent An Introduction To Canadian American Relations:

An Introduction to Canadian-American Relations Edelgard Elsbeth Mahant, Graeme Stewart Mount, 1984 Sharing a Continent Janet Kerr Morchain, 1973 The Canada Year Book, 1974 **The Mighty Niagara** John N. Jackson, 2003-03 makes some notable contributions to the popular and scholarly literature about the Niagara region a welcome addition to the literature of US Canada cross border studies The Canadian Historical Review provides a most engaging and eloquently written story a learned tale of the Niagara region's associated historical triumphs and abiding challenges The book's geographical and social histories will be of interest not only to residents of the Niagara Frontier but to anyone who has ever been fascinated by the complexly related natural and technological wonders that have helped to make Niagara one of the world's most famous and enduring icons ISLE This in depth regional study of the Niagara Frontier traces the evolution of landscape and patterns of settlement on both sides of the Niagara River extending from St Catharines Ontario to Lockport New York This significant region astride an international frontier both connects and separates unites and divides Canadian and American territories bordering the Niagara River Like map overlays that build on an underlying base geography Professor Jackson's chronological approach begins with the qualities of the physical background and their ongoing ramifications up to the present for the use and development of land He then adds the Native settlements showing their trails and economic activities while highlighting the amazing fact that certain Native features remain an intrinsic part of the modern landscape The next time period reveals that the previous human landscapes once continuous across the Niagara River became acutely discontinuous with the creation in 1783 of an unseen but divisive international boundary Subsequent chapters follow the changes over the course of time as canals railways hydroelectric power and the dominance of the automobile in the present era all transform the environment Jackson also discusses Niagara Falls as the fulcrum around which the Niagara Frontier has developed and the impact of the tourist industry on the region This thorough analysis of an important international region will be of great use to students of regional urban and historical geography as well as to anyone involved in cross boundary trade education or tourism John N Jackson St Catharines Ontario is professor emeritus of applied geography at Brock University and the author of fourteen previous books on regional geography and history John Burtiak St Catharines now retired was the special collections librarian and university archivist at Brock University Gregory P Stein Buffalo NY is associate professor of geography and planning at SUNY College at Buffalo **America's Alliances and Canadian-American Relations** Canadian Institute of International Affairs, Dartmouth College. Institute on Canada and the United States, 1988 Beyond Mexico Jean Daudelin, Dosman, 1995-03-15 As a result of the North American Free Trade Agreement Canada's relations with Mexico and Latin America have reached a turning point both politically and economically Beyond Mexico is a timely assessment of the dynamic state and the prospects of Canada's relations with Latin America Every day trade developments under NAFTA are redefining political economic and social connections between Canada Mexico and

the United States In this well documented policy relevant and eminently accessible study specialists address the challenges raised by non governmental organizations security and human rights issues inter municipal exchange programs Canada s membership in the Organization of American States and by successive crises in Haiti This collection looks beyond NAFTA to explore the range and realities of Canada s involvement in the entire hemisphere *Canadian Review of Studies in Nationalism* ,1974 **A Bibliography of Works on Canadian Foreign Relations, 1971-1975** ,1977 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1975 *A Bibliography of Works on Canadian Foreign Relations* ,1981
