Reclaiming Family Time Tim and Sue Muldoon, 2017-08-03 What happens when our lives spin out of control because we are so busy and overcommitted The negative consequences of such a lifestyle are well known but few of us are able to put on the brakes so that we can truly enjoy the gift of one another Tim and Sue Muldoon take both a meditative and practical approach to this issue They help us experience the peace that only God can give and they also share what has and hasn't worked in their own family While there is no magic bullet the Muldoons show us that when we put God first in our lives our other priorities fall into line as well That makes it possible to discern the best ways to spend our time both individually and collectively to build a strong foundation of lasting family relationships
