Bowen,2013-09-05 A Free World Novel THE CITY OF SHARON Real or Imagined The story is based on actual happenings The totalitarian situation is common knowledge Some of the dialog is based on rumor and hearsay and sketchy news reports The characters are aware of limited mythical influence caused by extreme duress A prime character Frederick von Popenov spent the first ten years of his life living with his family on a small farm in the country Life suddenly changed when the nations political party in control nationalizes industry and sets up the police state and the network city Nobody was allowed to own property or valuables Many lower class people were sent to work in the common factories and on the common farms The class workers and peasants sent to live and work at the City of Sharon found life difficult Caught in the chaos and desperation of the common movement they miraculously escape the gulag or prison A series of events involve a people from another side whose presence and assistance culminates in the prisoners escape into the hills around the devastated city Unknown to the public due to the type of people sent to live there the City of Sharon had been set up as a designated bombing target by the World Board of Directors While the prisoners make their escape the city is obliterated by a nuclear bomb Those who remained there were killed Those who lived in other network cities became suspicious of their invisible government due to the total devastation of the city All the people begin to look for a way out of party domination Timorous desperate and frightened the fugitives begin a free world civilization in the

wilderness about the the city of Sharon The survivors elude the authorities in control of the totalitarian state and build a military defense system and prepare to defend their new found freedom or nation **The Sound of Hope** Anne Bauer,2008-12-02 When children are kept in the dark regarding their origins nobody wins Only rarely does a memoir come along that taps into the heart of the human condition The Sound of Hope is such a story told by Anne Bauer an adoptee who cannot forget that she had another life and another family before being adopted Much of Anne s childhood was spent wondering about her other mother She desperately wanted to know where she was what she looked like and most importantly why she placed her for adoption Living in the closed adoption system her questions were met with a wall of silence This aura of secrecy only intensified Anne s quest to eventually discover her own story Faced with anger and contempt secrets and revelations Anne sets out to uncover the truth This powerful memoir traverses family and relationships and carries the unforgettable message that nobody should be cut off from their origins **Official Proceedings of the Annual Meeting of the Board of Supervisors of Portage County, Wis** Portage County (Wis.). Board of Supervisors,1891

The Rose of Sharon ,1840 *Sharon* Anita Miller,Jordan Miller,Sigalit Zetouni,2005-08-01 Ariel Sharon Israel s former Prime Minister was perhaps one of the most controversial public figures in the Mideast He was born in 1928 in a moshav an agricultural community in which unlike a kibbutz residents own their own property and was raised by parents who were not only ardent Zionists but also rugged individualists His father especially was contemptuous of socialism and believed in individual enterprise raising his son to be self reliant and physically strong in order to prepare him for the inevitable struggle to establish a Jewish state Sharon was perhaps best known as the organizer of what was called Commando Unit 101 and for his original ideas for the training of commando forces which he later adapted to the training of larger more traditional armies During his military career he personally led many raids into Arab territory and has been criticized for his role in the destruction in 1953 of some forty Arab homes which he insisted he thought were empty and in which sixty nine Arabs died Later in 1982 he was blamed also for allowing the Lebanese Christian Militia into a Palestinian refugee camp in which hundreds were killed His political career was of course indelibly colored by his military exploits What made Sharon tick What kind of a man was he How did his childhood and early life condition him to become a brilliant commander controversial soldier and an as yet untested leader of a small democracy which is divided both within and without This first biography in English frank but balanced will perhaps answer some of the questions raised by his career both as a soldier and politician
