Shattered Vows Exodus From The Priesthood:

Shattered Vows David Rice,1990 **A Trail of Semen Down Through the Ages** Dr Geraldine Sharp,2018-08-15 Why are men superior Why do men talk of their seed Why do women continue to be oppressed This book provides the answers It is an original ground breaking piece of work and exposes the missing link in theories of male superiority From the ancient world to modern times the possession of semen has provided proof for the superiority of the male Woman was a mistake of nature a misbegotten man a failed male Christianity absorbed these ideas into its sexual theology and the influence of Christian thought in the Western world especially on matters of sexuality cannot be denied The ancient truths about woman as a failed male and man as superior continue to exist and have meaning The three main world religions are complicit in this In light of current knowledge to continue with this discredited theology of semen is to sacrifice truth to the ideology of patriarchy *Shattered Vows* David Rice,1990 Priests in Love Jane Anderson,2006-02-27 Deals with the moral psychological and social challenges faced by Roman Catholic priests who left the active ministry in the 1960s and 1970s to get married men who chose responsible sexual relationships over a life of obligatory celibacy Hosea, Amos, Micah Gary V. Smith,2011-10-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

A History of Celibacy Elizabeth Abbott,2000 What causes people to give up sex Abbott s provocative and entertaining exploration of celibacy through the ages debunks traditional notions about celibacy a practice that reveals much about human sexual desires and drives *Priests, Prelates and People* Nicholas Atkin, Frank Tallett,2003-09-26 The Catholic Church has always been a major player in European and world history Whether it has enjoyed a religious dominance or existed as a minority religion Catholicism has never been diverted from political life *Priests Prelates and People* records the Church struggling to adapt to the new political landscape ushered in by the French Revolution and shows how the formation of nation states and identities was both helped and hindered by the Catholic establishment It portrays the Vatican increasingly out of step in the wake of world war Cold War and the massive expansion of the developing world with its problems of population growth and under development **Betrayal of Trust** Stanley J. Grenz,Roy D. Bell,2001-09-01

Sexual misconduct by clergy is a devastating issue that reaches across all denominations damaging the credibility of the church in its wake. The media regularly reports on the moral failure of leaders and abuse at the hands of those who are supposed to be trustworthy. *Betrayal of Trust* focuses on a common scenario of abuse: sexual involvement between a male pastor and a female congregant and offers practical solutions on how to respond to and prevent this betrayal of trust. This book presents methods that will help churches respond sensitively to victims and implement policies and procedures to prevent abuse from taking place. For clergy who may be at risk for this behavior it offers help in establishing appropriate boundaries. This second edition includes a new chapter that offers help for the wandering pastor and a risk determination questionnaire for pastors who may become abusers.

The Silence of Sodom Mark D. Jordan, 2002-05. The past decade has seen homosexual scandals in the Catholic Church becoming ever more visible and the Vatican's directives on homosexuality becoming ever more forceful, begging the question: Mark Jordan tries to answer here: how can the Catholic Church be at once so homophobic and so homoerotic? His analysis is a keen and readable study of the tangled relationship between male homosexuality and modern Catholicism. Jordan has offered glimpses, anecdotal stories and scholarly observations that are a whole greater than the sum of its parts. If homosexuality is the guest that refuses to leave the table, Jordan has at least shed light on why that is and in the process made the whole issue, including a conflicted Catholic Church, a little more understandable. Larry B. Stammer, Los Angeles Times. Jordan knows how to present a case and with apparently effortless clarity he demonstrates the church's double bind and how it affects Vatican rhetoric, the training of priests and ecclesiastical protectiveness toward an army of closet cases. This book will interest readers of every faith. Daniel Blue, Lambda Book Report. A 2000 Lambda Literary Award Finalist.

Sexing the Millennium Linda Grant, 1994. Joan Smith has said that Linda Grant is on the side of sex and on the side of women and *Sexing the Millennium* is a compellingly thorough examination of the colossal social shifts catalyzed by that brief period when sex was free from the threats of both pregnancy and disease.
