Shattered Vision French Expressions

Michael Giordano

Shattered Vision French Expressions:

The Cinema of Attractions Reloaded Wanda Strauven, 2025-10-01 What have Lumière in common with Wachowski More than one hundred years separate these two pairs of brothers who astonished quite similarly the film spectator of their respective time with special effects of movement a train rushing into the audience and a bullet flying in slow motion Do they belong to the same family of cinema of attractions Twenty years ago Tom Gunning introduced the phrase cinema of attractions to define the essence of the earliest films made between 1895 and 1906 His term scored an immediate success even outside the field of early cinema The present anthology questions the attractiveness and usefulness of the term for both pre classical and post classical cinema With contributions by the most prominent scholars of this discipline such as Tom Gunning Andr Gaudreault Thomas Elsaesser Charles Musser Scott Bukatman and Vivian Sobchack this volume offers a kaleidoscopic overview of an important historiographical debate

Art and the French Commune Albert Boime, 2022-05-10 In this bold exploration of the political forces that shaped Impressionism Albert Boime proposes that at the heart of the modern is a guilty secret the need of the dominant mainly bourgeois classes in Paris to expunge from historical memory the haunting nightmare of the Commune and its socialist ideology The Commune of 1871 emerged after the Prussian war when the Paris militia chased the central government to Versailles enabling the working class and its allies to seize control of the capital Eventually violence engulfed the city as traditional liberals and moderates joined forces with reactionaries to restore Paris to order the bourgeois order Here Boime examines the rise of Impressionism in relation to the efforts of the reinstated conservative government to rebuild Paris to return it to its Haussmannian appearance and erase all reminders of socialist threat Boime contends that an organized Impressionist movement owed its initiating impulse to its complicity with the state's program The exuberant street scenes spaces of leisure and entertainment sunlit parks and gardens the entire concourse of movement as filtered through an atmosphere of scintillating light and color all constitute an effort to reclaim Paris visually and symbolically for the bourgeoisie Amply documented richly illustrated and compellingly argued Boime's thesis serves as a challenge to all cultural historians interested in the rise of modernism

The Art of Meditation and the French Renaissance Love Lyric Michael Giordano, 2010-01-01 The Art of Meditation and the French Renaissance Love Lyric examines the poetics of meditation in the French love lyric at the height of the Lyonnais Renaissance as illustrated by one of the country's most prominent writers Maurice Scève's *Dieu* is the first French sequence of poems devoted to a single woman in the manner of Petrarch's *Rime* It is also the first Renaissance work to use emblems in a sustained work on love At their core most amatory lyrics involve a triple relation among lover beloved and the meaning of love Whether the poet lover is a man or woman poetic discourse generally takes the form of an interior monologue frequently intermingled with direct and indirect address to the beloved Though the dominant quality of this lyric is personal introspection Michael Giordano finds *Dieu* to be consistent with traditions of Christian meditation He argues that the amatory lyric served as a vehicle for contests of

value and paradigm change not only because it was conditioned both by sacred and profane sources but also because it occurred at a time of religious upheaval and scientific revolution Merleau-Ponty's Poetic of the World Galen A.

Johnson, Mauro Carbone, Emmanuel de Saint Aubert, 2020-08-04 Merleau Ponty has long been known as one of the most important philosophers of aesthetics yet most discussions of his aesthetics focus on visual art This book corrects that balance by turning to Merleau Ponty's extensive engagement with literature From Proust Merleau Ponty developed his conception of sensible ideas from Claudel his conjoining of birth and knowledge as co naissance from Valéry came implex or the animal of words and the chiasma of two destinies Literature also provokes the questions of expression metaphor and truth and the meaning of a Merleau Pontian poetics The poetic of Merleau Ponty is the book argues a poetic of the flesh a poetic of mystery and a poetic of the visible in its relation to the invisible Ultimately theoretical figures or figuratives that appear at the threshold between philosophy and literature enable the possibility of a new ontology What is at stake is the very meaning of philosophy itself and its mode of expression **The Huguenots and French Opinion, 1685-1787** Geoffrey

Adams, 2006-01-01 The decision of Louis XIV to revoke the Edict of Nantes and thus liquidate French Calvinism was well received in the intellectual community which was deeply prejudiced against the Huguenots This antipathy would gradually disappear After the death of the Sun King a more sympathetic view of the Protestant minority was presented to French readers by leading thinkers such as Montesquieu the abbé Prévost and Voltaire By the middle years of the eighteenth century liberal clerics lawyers and government ministers joined Encyclopedists in urging the emancipation of the Reformed who were seen to be loyal peaceable and productive Then in 1787 thanks to intensive lobbying by a group which included Malesherbes Lafayette and the future revolutionary Rabaut Saint-Pierre the government of Louis XVI issued an edict of toleration which granted the Huguenots a modest bill of civil and religious rights Adams's illuminating work treats a major chapter in the history of toleration it explores in depth a fascinating shift in mentalities and it offers a new focus on the process of reform from above in pre-Revolutionary France Constructs and Crisis in West African and Antillean Literature of French

Expression Christine Lee Olson, 1993 **Dictionary of Hispanic Biography** Joseph C. Tardiff, L. Mpho Mabunda, 1996 This book is an extensive compilation of biographical information on more than 470 notable Hispanic women and men from the 15th century to the present from preface **Foucault and the Art of Ethics** Timothy O'Leary, 2006-09-15 This

comprehensive assessment of Michel Foucault's later work responds to the contemporary crisis in ethics focusing on the way Foucault attempts to bring together the two seemingly incompatible spheres of ethics and aesthetics through his reassessment of the Greek tradition **A Dictionary of Hallucinations** Jan Dirk Blom, 2023-06-23 The Dictionary of Hallucinations second edition is an alphabetical listing of issues pertaining to hallucinations and other misperceptions They can be roughly divided into four categories 1 Definitions of individual hallucinatory symptoms 2 Medical conditions and substances associated with the mediation of hallucinations 3 Historical figures who are known to have experienced

hallucinations 4 Miscellaneous issues Each of the definitions of individual hallucinatory symptoms includes a definition of the term its etymological origin the year of introduction if known a reference to the author or authors who introduced the term if known a description of the current use a brief explanation of the etiology and pathophysiology of the symptom at hand if known references to related terms references to the literature The second edition of A Dictionary of Hallucinations serves as a reference manual for neuroscientists psychiatrists psychiatric residents psychologists neurologists historians of psychiatry general practitioners and academics dealing professionally with concepts of hallucinations and other sensory deceptions This new edition provides updated information and references and includes newly discovered hallucinations bringing together contributions by other authorities within the field with all the entries edited by Prof Blom *Modern French Visual Theory*
Nigel Saint, Andy Stafford, 2013-02-05 Offers approachable clear and original accounts of French thinkers who specialise in visual theory with connections explained and explicated between chapters looks at those thinkers who have been neglected in the Anglo American world thereby expanding and diversifying the perception that readers have
