Shattering the Left Behind Delusion John Reid Noe, 2000 *The Faith Once for All* Jack Cottrell, 2002 **Peak Performance Principles for High Achievers** John R. Noe, 2005-06 Using his mountain climbing experiences as an allegory for the challenge of goal setting and the thrill of ultimate achievement the author teaches how to realize both personal and career potential and succeed in any endeavor Rapture David Currie, 2003-07-31 These pages hold the world's most careful and thorough scriptural study of the rapture and show that if you accept the Bible you must reject the rapture

Victorious Eschatology: A Partial Preterist View Dr. Harold R. Eberle, Dr. Martin Trench, A biblically based optimistic view of the future Along with a historical perspective this book offers a clear understanding of Matthew 24 Daniel 2 and 9 the book of Revelation and other key passages about the events to come before and after the return of Jesus Christ Satan is not going to take over this world Jesus Christ is Lord and He will reign until every enemy is put under His feet Harold's book *The Comings of Christ Why I Am a Partial Preterist Not a Full Preterist* gives the reader the NEXT peek into implications and applications for Victorious Eschatology *Christian Zionism* Stephen Sizer, 2021-09-13 I am glad to commend Stephen Sizer's groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen's book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer's *Christian Zionism Road Map to Armageddon* is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone's perspective on the Middle East permanently Professor Gary M Burge Congratulations on *Christian Zionism* The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn't be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises

vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer s doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok

The Birth Pangs Michael Abdul-Malak,2010-02 Unlike many books on the Second Coming The Birth Pangs explores prophecy starting with just the Bible and no preconceived ideas Author Dr Abdul Malak gives fresh and unique insight into key prophetic events and passages found throughout the Bible When it comes to controversial events such as the Second Coming or the timing of the Rapture he challenges mainstream theories in an objective and unbiased manner subjecting them to rigorous examination in light of other appropriate Scriptures His goal was to create a straightforward holistic account of the end times that any Christian can grasp The Birth Pangs is the fruit of that labor With the trained eye of a diligent professional Dr Abdul Malak harnesses his experience with thousands of labors as a gynecologist taking readers on a fascinating journey through the most confusing and controversial parts of the Bible end time prophecies As a skilled surgeon he carefully dissects God s Word one layer at a time revealing the details and hidden treasures in the cryptic language of prophecy Like the labor process he believes that end time prophecy should be simple enough for every Christian to understand With detailed explanations and imagery Dr Abdul Malak reveals exactly why Jesus referred to the end times as The Birth Pangs

Will Catholics be "left Behind"? Carl E. Olson,2003 This book is a thorough Catholic critique of the popular Fundamentalist belief in the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for the Rapture by carefully examining premillennial dispensationalism the belief system in the Left Behind books and propagated by such Biblical prophecy writers as Tim LaHaye and Hal Lindsey Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia end times the Kingdom and the Church Olson then shows how Fundamentalist author and Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and numerous misconceptions
